It is with regret that we record the death of John Burgess, late of Beechwood, Tresarrett, who died in Chichester, Sussex before Christmas. John and Joyce retired to Blisland and spent many happy years here before ill-health forced them to move nearer to their daughter. The last time I saw John Burgess he said how sorry he was at having to leave all his good friends and how he was going to miss his daily trip up to the Royal Oak for his midday pint. . RIP.

FROM THE PARISH PRIEST.

My dear Parishioners of Blisland, St Breward & Temple,

I must begin this letter with an apology. In my pastoral letter for May I mentioned that my pastoral letter for June would be written whilst I was away from my parishes. This was a mistake. It is my pastoral letter for July that will be written whilst I am away. Please accept my apologies.

There are not a few occasions in our lives when we should apologise. They range from those we should make when we have committed an offence of one sort or another to those courtesies such as expressing regret at not being able to attend a meeting on the agenda of which the first item is Apologies for Absence. Among the latter we should include the courteous expression of regret at not being able to attend church. This should not be made to the members of the congregation but to God Himself. In the case of illness or absence from one's parish this is not necessary for His Divine Majesty understands our inability in such circumstances. There are occasions, however, when we do not attend church because we do not put sacred duties before social delights. This is one example but there may be others. In all these cases we should tell God we are sorry for having left undone something we should have done. Such a sin of omission is one of many others which are committed. I remember a very holy priest saying to the other priests attached to a parish in which they all worked "When I think of my sins of commission " and then he paused and said "But when I think of my sins of ommission" and having mentioned both sorts of sins he was silent. He had made his point and a very important point too. It is not unknown for priests and laity to remember their sins of commission but to forget their sins of ommission. The General Confession in the Prayer Book Order for Morning and Evening Prayer reminds us that we have done those things which we ought not to have done and that we have left undone those things which we ought not to have done.

By the time you read this pastoral letter the long season of Trinity will have begun and it will last until a new Christian Year begins on Advent Sunday. Advent is a time when we make new resolutions for our spiritual lives.

There are some resolutions which we should make immediately and among these we should promise to confess not only our sins of commission but also those of omission. This should be done at the end of each day.

May I end this letter with an invitation to all the local community. It is to attend a Garden Party at Blisland Rectory on Saturday, the 21st June from 2.30 - 5pm at which there will be attractions for parents and children alike. We shall welcome not only parents and children but also all our senior citizens for whom we shall provide seating accommodation. Although Blisland Church receives visits from people all over the world who are encouraged to buy Guide Books and poastcards the running expenses of maintaining the building cannot be met from church collections alone. For example, the severe winter we have experienced has meant that we have to pay a huge electricity bill which has reduced our slender funds considerably. The Garden Party will take the form of a Church Fete, the object of which is not only to raise money but also, even more important, to enable our local community to enjoy meeting together as a family.

May God bless you and your families.

EDWIN STARK.

SOCIETY FOR THE PRESERVATION OF BLISLAND WITH TEMPLE CHURCH

On behalf of the Society may I express my sincere thanks to all those persons who planned and worked so diligently for weeks ahead of the day to provide four-star refreshments, a magnificent cake stall, plant stall and barbecue. The donations which came from far and wide from friends who could not be present.

The ladies - and gentlemen, who braved appalling weather conditions to man the entrance gate, car park, stalls and barbecue - they were still smiling at the end of the day.

To all those visitors who supported us by attending the event, and to Mr & Mrs Robin Hanbury-Tenison who so generously opened their gardens and provided all the services which made this event possible.

ST BREWARD CHURCH

There are probably some people who would like to go to St Breward Church on Sunday mornings, but who have small children for whom the service is rather long. As an experiment, Mrs Bousfield will be available at the church on the last Sunday of every month to take any young children to the Village Hall for Bible stories during the first part of the service; they will rejoin their parents in church in time to go up to the altar-rail for a blessing.

The only news from St Breward Parish Council is that the 30 M P H speed limit has come at last .....

BLISLAND PARISH COUNCIL.

The Annual Parish Council Meeting took place in May in the Institute. The Chairman and Vice-Chairman were re-elected i.e. Mr David Pearson & Mr Morley Rowe. Mr Mike Trevarthan will continue to represent us on the Village Hall Management Committee.

Tenders for cutting the Village Green were discussed and we hope that something will be settled in the near future. Mr Church has kindly offered some top soil for the Duck Pond area which should eventually make that easier for cutting and a lot tidier. Mr Peter Pengelly was thanked for planting the daffodils on the Green which have made a beautiful show.

It was decided to advance the equivilant of 1p rate to the Village Hall Management Committee to help pay for the cost of completely re-wiring the Hall. Unfortunately the electrician called in to effect one or two small repairs found so many of the plugs and wires "alive" that the whole building was a fire trap. The V.H.M.C. approached the P.C. & asked for their financial help as what funds they had in hand would be completely wiped out & there was still the upkeep to contend with - hence the S.O.S.

It has been decided to seal and varnish the Institute floor with the help of the Manpower Services. This will ensure a preservation measure & will of course keep cleaner.

Miss Pat Richmond from the Rural Housing Trust attended the latter part of the meeting and gave a few more details of the project in Pen Tor - you will all have seen or heard that the ground has been pegged out. I understand that Miss Richmond is going to put her own article in the magazine so will leave the rest of the details to her.

E.J.W.

On the 10th April a few interested parishioners and the Parish Councillors met for the Annual Parish Meeting. Mr David Pearson, Chairman, gave his Annual Report saying that it wasn't exciting, but then there had been no further catastrophes. The Parish Rate was to be reduced to $3\frac{1}{2}$p and the Budget had been met to the £. Youngsters had painted up the bus shelter for use as a meeting place and thus encouraged to keep it clean.
The School House is to be retained for future use.

Mr Coad, our District Councillor attended and gave his report. Mrs Jenni Thompson our County Councillor was also present. They told us of the cuts in rate support grants which over ten years has decreased by 50% and yet we have to find the money for nationally negotiated pay rises (up to 12%). Inspector John Hawley from the D & C Police gave a short talk on local policing, D.C. Nick Henwood is still the Community Policeman and he will confer with him about resuming the police surgeries in Blisland.

We were also given a resumee of the state of affairs at Temple with regard to S.W.E.B. and electricity supplies. The few houses in the hamlet have been connected but the outlying farms and dwellings are still having a running battle to get connected at a realistic figure - failing that, they're stuck with their generators.

The big surprise of the evening was when Mr Edgar Rowe, the Parish Clerk, presented the Chairman and Parish Council with a clock for use in the Institute, as recognition of their support in the 25 years that he had just completed as Parish Clerk. A reversal of the norm, but he was so pleased to have had the opportunity of staying with his home village and being of service to them all these years, although no longer a resident. The clock has since been hung on the wall. The Parish Council thanked Edgar warmly, and noted that as they now would have a visible record of the passing of time it was hoped that perhaps the meetings would end a little earlier!! SMV.

" A TREW NOTE OF ALL BOUNDS, LIMITS AND PRECINCTS
OF THE PARISH OF BRUARD. 12 May 1613

- - - - - - - - - -

The parish of bruard is bounded from Gam Bridge unto Rowtorr ford with a river dividing the parish from Michelstow, Lanteglos and St Advent. Then from Rowtorr ford there is a bound by a gullett until you come to a crosse called Peverille Crosse and on the N side of that gullett boundeth us with the parish of Dewestowe and on the E. part of that gullett with the parish of St Clether until wee come Southwarde to the Wythyebushe in the slade where we bounde with Altarnune.

Then we come by the outside of a hedge of a certain parcell of ground called Slade and so by the last hedge of Brownwelley untill we come to Catteshole where on the outskirts of Catteshole is a well called Fowe Well that well ye in the parish of Altarnun. Butt in the inside of Catteshole hedge there is a gullett wch doth parte Catteshole from the parish of Altarnun, so that by estimacion wee esteeme the house of Catteshole & the 4th part of Catteshole to be situated in the parish of Bruard. Then there the same gullett doth parte & divide the other parte of Catteshole from Brownwellye dividing also the 2 portions last before specified & so leading to Botreauxtor wch Botreauxtor ys in the parish of Bruard & doth abutt with Altarnun.

Then we come to Stinckewell & to Cholwater and there in the Slade the parishof Bruard doth bound with Blisland & so to Garrow & then from Garrow the River doth divide Bruard from Blisland until we come to Kitt Worme. Then att Kittworme there is a River doth meete & doth parte Bruard from St Mabin & St Tudye until we come to Wennford Bridge. Then there is a Lake doth meet us wch boundeth Bruard from St Tudye until the lower end of Mr Richard Billings Close in Henger called West Park & from that the Korgey hedge doth runne east to the way parting the 2 parishes & so up by the Racke parke hedge.

Then in the midst of this Racke parke there are two stones standing on two land scores running up to the Coome parke hedge having St Tudye parish on the N S & W. Then on the easter hedge side of the Racke parke there is a Land score parting Bruard from St Tudye to the corner of Lamphill hedge

in the said Coome parke and that hedge at the head of Lamphill doth part St Tudye from St Bruard until wee come to the highway leading to Gambridge wch doth there part St Bruard from Michaelstowe until we come to the Crosse at Gam & the river there."

This 17th century parish terrier makes it tempting to beat the bounds to discover how many of the landmarks mentioned can still be identified. Does anyone know, for example, the site of this Perverill's Cross or of the withy bush in the slade? (A slade is apparently a low-lying piece of moist ground) Korgy or Racke (or Rick) Park hedge are on the 1840 Tithe Map, but where were Stinckewell and Cholwater ? P.J.B.

APRIL SHOWERS OF FUN WITH FELLOW RANGERS AND SCOUTS

by MARY SHARP

At the beginning of April, I spent 3 days with my 94 year old Great Uncle who lives in Hampshire. I was able to have a drive in his Sinclair C5, which he uses to go shopping in once a week. I stayed with a Venture Scout there, and we went on a tour of the area. She also took me to see a friend of hers who had a private swimming pool and Jacuzzi, it was luxurious!

All too soon it was time to come home, and I joined the afternoon train from Salisbury station, changing at Exeter and arriving at Bodmin Parkway at 9.30pm.

A week later, 2 friends and I tackled a 48 mile hike. We went from Liskeard to Looe and Talland Bay on the first day. The rain soaked through our tent, so we had to sleep in a 300 year old house which had some very strange noises coming from the airing cupboard! On the second day, we followed the coast to Fowey, in lovely sunshine. Here, we met my mum, to exchange our tent for a Scout tent. We found our pitch for the night and discovered that the tent had a pole missing. We asked if we could look in the garden shed, here, we found a pole exactly the right size which was used to grow beans up, so we improvised!! On the third day, we went along beside the River Fowey, along through Lostwithiel and up to Bodmin, it was great fun and we had a lot of laughs,even though we had several catastrophes!

Four days after this, my friend and I were invited on a night hike with the 3rd Bodmin Scouts. There were 17 of us altogether, and we set off from the hut at 10.45pm After going along to Crogley, out to 9 Ashes, Pencarrow and in to Bodmin, we arrived back, at about 5.00am. No one wanted any sleep, so we played sleeping bag football (this involves getting into one's sleeping bag and jumping beside the football) until about 6.30am. We then settled down and chatted until about 8.30am when our parents arrived to pick up several exhausted children, and a couple of even more exhausted Rangers!

Later in April, I helped some of Neptune Cubs to make things out of junk materials, we now have several aliens and a pneumatic drill peeping from the cupboard in the Cub room!

I attended the St George's day Parade at St Breward with the Cubs, it was a happy occasion with Cubs, Scouts and Venture Scouts from our division united for an afternoon. There was plenty of wind to blow the flags into full view, and into the flag bearers faces!

On Sunday 27th April, I joined Scouts from Bodmin, Camelford, Wadebridge and St Breward for a Pioneering Day. We built several bridges and a death slide by the extremely muddy Camel Estuary, in Wadebridge. We were thrown into the river, but the tide was out, so we came home brown from top to toe, despite efforts with the hosepipes to get us to our natural colour!

Altogether, April was a fantastic month, and I spent most of my time with the best company I could possibly have, fellow Rangers and Scouts!

BABYSITTING CIRCLE?

TRENCREEK,
BLISLAND
CARDINHAM 431.

As a newcomer to Blisland (but not to Cornwall) I wondered if any mums would be interested in forming a babysitting circle-

I am sure I am not alone in finding it hard to always find a sitter, especially at short notice, and I am sure that such a group would be beneficial to many. Perhaps anyone interested would give me a ring on the above number. A simple system of tokens would be easy to operate, and would save mothers having to "pay back" a favour to a friend or neighbour, which is not always convenient to do.

The Coffee Evening held at De Lank Farm on 30th April, raised £255 towards Arthritis Research in its 50th Year. Mrs Hollister would like to thank all who attended or has helped in any way to raise these much needed funds.

WOMEN'S INSTITUTES
ST BREWARD

It was nice to welcome two of our visitors again, Mesdames Mitchell and Roberts, and also to see Mrs Jose Hawken back after a long spell of illness. The Coffee Morning held at Mrs I Donalds home raised over £20. for our funds and was a really enjoyable sociable occasion as a bonus; it is a pity that more of our members do not come to have "a natter" and by their presence help to swell our funds fairly painlessly! The next coffee morning is at Mrs P Bridge's home Tara at Higher Penquite on May 22nd. A round of applause greeted the announcement that our treasurer, Mrs I Donald, will be collecting her Honors Degree in May; she has volunteered to be our delegate to the Spring Council meeting on her return. Mrs B Holden from Delabole who gave us a good demonstration over 3 years ago about lino cuts (hers are certainly a cut above the rest in their detail) agreed at very short notice to be a judge at our Group meeting. The speaker tonight was Mr Jones from Bodmin who showed a vast number of slides of his trips to Egypt; I was mostly impressed by the strictly non-tourist photographs of the semi derelict structures that passed as "desirable residences" most of them in a sorry state of collapse, and the colourful narrow alleys with their shuttered shops. Afterwards we endeavoured to fill in the second part of the bus questionnaire which had us laughing at some of the questions - should we miss it if it were reduced?

Mrs P Bridge had the best flower of the month and Mrs Sleep won with her favourite necklace.

On April 24th we were the hostess Institute for the Spring Group Meeting; due to the extensive alterations to the St Breward Hall it was held at the Blisland Village Hall as we neede a hall with a stage and able to seat over 100.

The VCO was Mrs C Bancroft from Trevanson who presented the Weary trophy to St Lawrences. A very dramatic film of the work carried out by the RNLI was shown by Mr Liddicoat giving rise to a flood of questions afterwards. The play was written by Mrs Pamela Bousfield and performed very well by Mesdames Bridge, Law, Champion, Skinner, and Willetts under the supervision of Mrs V Busbridge. It

BLISLAND WI

The first meeting for our New Year was well attended and the speaker, Mrs Martin, on Slate Engraving proved to be interesting and informative apart from the actual instructions on how to make beautiful flower pictures on the ordinary slate that covered our roof etc. We had a run down on the history of slate. Mrs Martin is a very talented lady and sells commercially her unique wares. We were all invited to try engraving with the builders stylus that she brought with her but I don't think she need be afraid of any competition!

The London AGM was discussed and Mrs Wendy Gurr is to be our representative and also for our Link Institute St Breward. The Resolutions will be discussed at the May Meeting and Mrs Gurr will vote in accordance with our wishes. The resolutions this year are "Crown Immunity" "Penalties for Child Abuse", "Aids" and "Education of Dyslexic Children". A wide range of subjects which should make interesting discussions.

The Lerryn WI are providing teas for any WI planning a Summer Outing in that area, so we aim to have a day out exploring the Fowey area and taking advantage of Lerryn's hospitality. Surely the sunny hot days can't be too far away.

Mrs Joyce Richards is now our representative on the Village Hall committee.

The refreshments this month were supplied by Mrs Miller and Mrs Vause - and very nice too! Mrs Gurr won the Competition a "Homemade Birthday Card."

We had great pleasure this month of attending the St Petroc's Group Meeting hosted by St Breward WI. It was a super evening. The speaker, a representative of the RNLI showed slides and gave a talk on the tremendous service they give. Questions were invited which were quickly forthcoming. Although we have several lifeboat stations here in Cornwall and are perhaps a lot more aware of their good work than people who live inland, it does us all good to be reminded of the risks taken by these gallant men.

Mrs Bousfield wrote an extremely good play for the members to perform and this was excellently produced by Mrs Busbridge - a first class performance by all. We all went home feeling we had had a good evenings entertainment. Thankyou St Breward.

Our June meeting will include a talk entitled 'Fun with Gingham' and the competition something new from something old.

W.R.V.S OVER 60's REPORT

APRIL 15th was our AGM when Mrs Holland, district organizer was present.

The Secretary, Mrs Billing, gave a very detailed report of the years activities, which were both numerous and enjoyable, and M s Tucker, Treasurer, presented the financial statement both of which were approved. Thanks were accorded to the committee,members, and helpers, by the leader, for their continual support, hoping we would all continue to enjoy our happy and companionable club.

Mrs Holland commended us on our year's programme and on our choice of speakers and hoped our club would continue to be successful and promised to come and give us a talk in the near future. This was held over as we welcomed Mr Winston and Miss Rundle from the Manpower services, who had come with information on the opportunities for help available to elderly people, i.e. help with gardening decorating, etc. according to the leaflets distributed. This help could prove worthwhile and they were both thanked for giving up their time. The competition, "Easter Bonnet" was won by Mrs M Webber.

MAY 6th was"Umbrella Day"for Lanhydrock, but that didn't detract from our enjoyment of the lovely gardens and various attractions, culminating in the 'tea of our choice' to celebrate our 13th Birthday and we look forward to the Padstow outing on May 27th.

ST BREWARD WI (continued)

was very suitable material for a WI entertainment, not too complicated and with good narrative humour - a far cry from the scordid dramas we see nightly on the TV.

We gained a fair share of prizes in the competitions; a 1st in the pipe cleaner figure for Mrs Bridge, a 1st for the pressed flower card for Mrs Holmes with Mrs Mitchell 2nd, and a 3rd in the novice class for Mrs Bridge. Afterwards, I received many congratulations to our Institute for presenting such an enjoyable evening so all our anxious preparations were worthwhile!
