I must congratulate St. Mary's Abbey, Bodmin for the recent Flower Festival held in aid of the Air Ambulance. All the flowers were a delight to behold and the arrangement of St. Breward, sponsored by the three granite quarries, with the colours blending with the surrounding granite was lovely. C. McShee.

My dear Parishioners of Blisland, St. Breward and Temple,

I think the busiest Sunday I have had since I became a priest was at Stepney in East London. The rest of the clergy had gone off to the Guinness Hop Picking Mission in Kent and my programme was as follows: 7a.m. First Eucharist at the London Hospital followed by Sick Communions; 8a.m. Second Eucharist there and further Sick Communions; 9.30a.m. Stepney Parish Church Eucharist; 12 noon to 3p.m. Weddings; 6.30p.m. Evensong at the Parish Church and finally 9p.m. Evensong at the London Hospital relayed to all the Wards.

Sundays at Blisland and St. Breward are far less exacting but during the next few months there are to be eight baptisms at Blisland and they take place within the Parish Eucharist. They do so because the family of the Church renews its baptismal vows and welcomes the newly baptised into that family. That this is done encourages the Godparents of the newly baptised to make the promises which are made when Holy Baptism is administered. All of us have to remind ourselves just what those promises are and mean. We promise to turn to Christ, to repent of our sins and to renounce evil. It is easy to make promises but it is sometimes hard to carry them out. It is not unknown for marriage vows to have been broken.

Let us look at our baptismal vows. Turning to Christ. This means practicing His presence. talking to Him and listening to Him. It is particularly important to turn to Christ when we are tempted to sin. When we fail to resist temptation and commit sin in thought, word or deed then we must repent of our sin. We must remember too that sometimes we sin by leaving undone things we ought to have done. There are sins of omission as well as of commission. If we are to make progress in the spiritual life we must renounce evil. This means learning to laugh at the Devil, learning to laugh at ourselves when we are feeling proud (for pride is the deadliest of the deadly sins), learning to submit ourselves, our souls and bodies to the will of God for each one of us.

In next month's magazine I will publish the names of all the candidates for Holy Baptism so that we may pray for them and for their Godparents and parents. As we welcome the newly baptised into the family of the Church we must continue to grow in graceourselves as we pray that they may grow in grace.

Spiritual growth is essential for if we do not grow in grace we weaken and fall into temptation. The recitation of the Lords Prayer should constantly be a priority before we start the day and before we take our rest.
God Bless You and all whom you love,

EDWIN STARK

ST. BREWARD CHURCH FETE

This event took place in the Village Hall and we were fortunate to have a fine dry afternoon. A large gathering was soon filling the limited space available and selling got off to a brisk start. The children especially making a bee line for Mrs. Y. Crowle's laden stall. Many thanks to all the various stall holders, who had obviously put a great deal of time and effort into same, also those who had contributed to same, not forgetting the wonderful variety of refreshments available.

The Draw was well supported and over 20 prizes were distributed. Outside the bowls, skittles and darts were keenly contested and an added attraction for the children was the pony rides.

Of course no fete is complete without the presence of our Silver Band who played so delightfully during the afternoon, led by the able Mickey Hunt - many thanks.

Many old acquaintances were welcomed and enjoyed a chat over a nice cup of tea and goodies, keeping the tea ladies busy all the afternoon.

Our thanks to all those who worked as a team and to all those who supported us so faithfully.

The total profit raised amounted to £882.00.

Sue Hutton & Charles Hawken
Churchwardens.

The members and friends of Blisland Methodist Church thank Mr. & Mrs. Tony Willcocks most sincerely for holding a coffee evening at 'Oak Ridge' for our Chapel Repair Fund.

It was a glorious evening in a delightful setting and we thank all the friends who gave their support. The final total was £166.

Mrs Long of Tregenna.

Mrs Florence May Long, aged 83 years of The Apiary, Tregenna, died on July 1st in Treliske Hospital and was laid to rest in Blisland Church along with her beloved Reuben and the children Douglas and Frances.

The Reuben Long family moved into Tregenna 60 years ago when they were married, the children Margaret, Hazel, Beryl, Joy, Reuben and Gwenyth along with Douglas and Frances were all born there.

Reuben senior's story was written up in the magazine of May, 1981 but his wife was also well known and well loved. Her children were her jewels and a more devoted and proud Mother and Grandmother would be hard to find.

She had been brought up in the Salvation Army tradition but was a strong supporter of Blisland Church, her cooking efforts for St Pratts could always be relied upon and she was a long-time member of the W.I.

When the Over 60's was formed and Reuben retired she left the WI and the Longs joined the Over 60's together, but when he died she gave up and stayed down in Tregenna.

The familiar site of the beehives kept by Reuben gave the cottage it's title but they have long gone so the bees will not have to be told of another passing.
She will be sadly missed, not only by her family but by all her neighbours and friends whom she always made so welcome.

+ + + + + + + + + +

May we wish Mrs Elizabeth Martin of Pendene Kennels, Tresarret, and Mr Geoffrey Dunworth of Cassacawn Mill, speedy recoveries from their recent operations.
Neither have enjoyed good health in recent years but have always remained cheerful, the little clique of the not-so-fit meet outside the Post Office and just state their thankfullness. Perhaps our theme song should be the tune from 'Follies' -"I'm still here!!"

MID CORNWALL BRANCH OF MULTIPLE SCLEROSIS

A coffee morning with cakes, produce and various other stalls will be held in the Village Institute at Blisland, on Saturday August 13th at 10.00 a.m. Please support.

Dear Editor,

Congratulations on producing the 100th edition of the magazine. I wonder how many of your readers came to the meeting at Lavethan when the idea of a community magazine was first launched? Who would have dared to suggest, on that first evening (it was February 27th 1980) that eight and a half years later the 100th issue would appear without a single break?

I have an old diary that tells me that the Rector (Revd. Conrad Sargisson) was unable to attend the meeting, but that he phoned me the next day and "seemed rather pleased"!

Recorded in that first issue was the planting of young trees on the village green in Blisland to replace those felled the previous year. Accompanying Eileen Walford's article there was a lovely photograph of the green when mature hardwoods covered almost the whole area. It was taken around the turn of the century.

I remember that when I expressed sadness at the need for the last of the old elms to be felled, Miss Clarabut, who had known the green as it was in earlier times, did not agree with my regrets. The big trees, she told me, had made the cottages on the north side of the green very dark.

So keep up the good work and here's to the next hundred issues.

Ruth Lumley-Smith.

Thank you Mrs. Lumley-Smith for your letter. Yes it certainly is an achievement to have made the 100th edition. My contribution has been minimal compared to your effort in setting up the magazine and editing it for many years. I am glad you still enjoy reading it even though you have moved away. A thank you also to Mrs. S. Vause who also did so much for the magazine. In fact she wrote an article for this edition but I'm sure she will forgive me if I say that I could find no room for it this month, but I will print it in the next edition. A thank you also to all the people who have contributed to the magazine, please keep the articles coming in, and also to all our readers, without you buying the magazines we could not keep going.

LAUNCHING A HISTORY

Most of the village, it seemed, turned out in glorious sunshine on Saturday 25th June, to celebrate the launching of A HISTORY OF ST. BREWARD. The Methodist Church was a scene of delighted bustle as a couple of hundred or so responded to Mrs. Pamela Bousfield's invitation to a party for the whole village to mark the publication of the book, written over the past four years by the 26 members of the St. Breward History Group and edited and published by Mrs. Bousfield.

The book, kept under wraps until the party began, was, of course, the focus of attention. In an hour and a half 280 copies were sold, nearly all autographed by the 21 members of the group who attended. At one time the queue for books and autographs stretched out of the church and down the street towards the shop. Those of us who were signing almost non-stop for an hour and a half - and that included Mrs. Margaret Hall from Lower Hamatethy - thought we had some idea how Alistair Cooke felt at book-signing sessions with a success on his hands. And the Methodist Church made a splendid setting for the party. The sense of occasion was heightened by Charles Hawken's delightful and wide-ranging display of photographs of old St. Breward and by Micky Hunt's collection of photographs of the St. Breward Silver Band. Also on display were Sid Skinner's scrap-books of cuttings about the village from THE CORNISH GUARDIAN, the 1840 Tithe Apportionment map and schedule, and the 1988 list of listed buildings in the parish.

Villagers were delighted to meet many old friends, especially some who had left St. Breward and returned for the occasion. They included Dr. and Mrs. Holden from Delabole, Mrs. Beryl Williams from Rock and her sister, Mrs. Mavis Penfound, from St. Austell, Mrs. Gwen Brown from Wadebridge, Joyce and David Brown from Tintagel, Gordon and Edna Ternouth from St. Austell and Mr. Frank Rundle from Darite. Mr. Rundle taught at the village school for many years from 1929 and, with Mrs. Bousfield, was interviewed at the party by BBC Radio Cornwall, which broadcast the interview early the following Monday morning.

THE POST AND WEEKLY NEWS and THE CORNISH GUARDIAN sent photographers and ran full reports in their next editions. Charles Hawken and John Busbridge also took photographs.

Thanking and congratulating Mrs. Bousfield, Peter Vercoe said how fortunate the village had been to have someone of her calibre to undertake the task of producing the book and inspiring more than two dozen others to join her in writing it. We all knew it was a labour of love, he said, but it was a great labour and she had been enormously supported by her husband, Donald.

Inreply, Mrs. Bousfield reminded us of the great help given by many others, who lent their pictures, gave their time and racked their memories to provide material not only for the book but also for the village archive, now lodged in the school and available for anyone to consult. It was all, she said, a great tribute to Ernest Colman, whose great hope had been that all the material collected by him about his beloved St. Breward would eventually be so used. She was happy to have been able to tell him, before his death in 1981, that she intended to go ahead with the history.

It was altogether a splendid occasion, made more so by delicious food prepared by Mrs. Thelma Sampson and served by a team led by Mrs. Nesta Teague, and by flowers arranged by Mrs. Hilary Cragg. One nice, and unplanned, touch - the chilled fruit punch was served by a reporter from the Court and Social page of THE DAILY TELEGRAPH who was week-ending in the village with one of the 26 authors.

At the time of writing, it can be reported that the first impression (750 copies) of A HISTORY OF ST. BREWARD is almost sold out and a second impression is already in preparation.

GARDEN FETE in aid of CANCER RESEARCH

ON SATURDAY 20th AUGUST at 2.30pm

A Tribute to the St. Breward History Group.

On June 25th we were priviledged to attend the launching of the first edition of the book, " The History of St. Breward".

It was indeed a 'red-letter day' as we mingled amongst old school friends as well as interested newcomers now settled in the village of our birth. Everyone appeared to be enjoying themselves, basking in nostalgia and two of our respected school teachers were with us; Mr. Frank W. Rundle and Mrs. Grace Masters; also Dr. and Mrs. J. Holden.

We are natives of St. Breward and keenly interested in all that takes place in the village, so as a family we would like it to go on record that we are intrigued and fascinated that so much information has been collected! The articles and pictures bring back many memories. It was the culmination of years of research starting with the late Mr. Ernest Colman. Eventually all his papers came intothe hands of Mrs. Pamela Bousfield who with her extra-ordinary enthusiasm inspired the people who have been responsible for the articles.

We thank you and well done to the whole team! We feel very proud that our names are mentioned and those of our forebears and relatives. We enjoyed looking at the many photos on display on the day, school groups, family groups, Carnival and Band photos to name but a few and what fun we had trying to recognise friends of yore. We spent some time reading newspaper cuttings - most interesting looking back.

Willing and energetic servers brought around coffee and mouth watering refreshments and the punch was cool and delicious.

The 26 authors and all those who contributed to the book must have been quite excited and pleased with the response from the public and felt that their efforts had been worthwhile. We sincerely hope that all 750copies are sold.
(We thought the granite inside the cover a marvellous idea.)

BLISLAND WI

Books, books and more books! Our June meeting was a joy to reading enthusiasts. Mr. Thomas, from Bodmin Library, gave us a most enlightening talk about the library service generally and facts and figures about Bodmin Library in particular. The selection of books he brought along was very varied and interesting, especially the books about the history of our own area. I think we were all surprised at the value of the 'special' books in the library; and I think the remarks Mr. Thomas made about members 'old books' in our competition for the evening also surprised us. I am sure several of us went home and searched through our bookshelves hoping to find 'treasures'! Mr. Thomas also told us about the organisation and running of the Mobile Library Service - something which everyone living in the villages served by the library van really appreciates. Long may the service continue.

Our delegate to the AGM in London, Mrs. Margaret Garvey, gave her report about the discussions on this year's resolutions and the results of the voting, in her usual clear, concise way. Thank you Margaret. We are lucky to have such an efficient delegate.

Margaret is the speaker at our next meeting, (Wednesday, 20th July) and the title of her talk, "A day in the life of the Old Bailey", sounds most intriguing. Why not come and join us for the evening - you will be most welcome.

The meeting closed with delicious refreshments provided by Mrs. Wendy Barwood and Mrs. Margaret Garvey and included 'slimmers specials' for the strong minded ones among us!

Wendy Gurr.

"WHO'S FOR (TABLE) TENNIS?"

Anyone interested in playing table tennis this autumn, please phone Mr. Dennis Garvey on 850952 or Wendy Gurr on 850119. We have a beautiful table just crying out to be used! The venue will be Blisland Village Hall - times to be decided. Here's hoping to see you.

ST. BREWARD W.I.

Fifteen members and a visitor arrived on a lovely summer evening to hear Mr. Charlie David, the North Cornwall Heritage Coast officer based in Bodmin, talk about the work of the staff aided by the Manpower Services in maintaining and improving our own local coastline. The aerial slides were of excellent quality, showing the Rumps lying in the sea like a huge green dragon, and many other areas which we normally only see from the land. He also spoke about the 'flora and fauna' found along the wide belt of land stretching inland as part of the Heritage Coast. Those of you who were at home watering the garden missed a very good talk!

Mrs. Garvey, who is the link delegate to the Albert Hall from Blisland, spoke most competently and kept our interest, which is a hard thing to do when discussing the annual resolutions; as we had said the previous month at our meeting, none of the resolutions were particularly controversial this year, and Mrs. Garvey felt this at the AGM.

Our Institute is required to provide some of the refreshments for the Jubilee Day at Pencarrow on July 2nd, so the 'book' was passed round for offers. Those members interested in manning (or should it be Womanning?) the WI float in the newly resuscitated St. Breward Carnival on July 23rd will have a meeting to decide on the costumes etc.

Mrs. Garvey reminded us that the Denman Rose is available for members, with £1 from each sale going towards Denman funds; and did you all know that the W.I. garden won a Gold Medal at the Chelsea Flower Show?

Surprisingly there were not many entries for the competition - a photo of the N. Cornwall Coast, but Mrs. V. Busbridge produced the winner, and Mrs. P. Bridge had the best flower of the month.

As usual there is no meeting in August, by which time we shall all have tried our skill, or lack of it, at flower arranging under the guidance of two of our members, Mrs. H. Cragg and Mrs. J. Jackson-Gamlen, having first had our empty containers judged for the competition.

I hope that you all have a lovely summer, although we have already had a very good foretaste of the hot weather in June to start us off.

Anne Holmes.

W.R.V.S. MONDAY CLUB

June 20th was a social afternoon when we were delighted to welcome Mr. Jim Knudstad and Ms Rosa Frey, local archaeologists, as visitors. Members brought old photographs of village activities which caused much interest. Our visitors described how they hope to develop the remains of a Tudor Cottage at Polpry and also the restoring of a cottage at Cassacawn, which they will make their home. Helpful remarks were welcomed regarding the history of these cottages. The competition, 'Best Rose', was won by Mrs. Scott.

Our picnic, planned for July 4th wasn't called off on account of the bad weather forcast; we decided to take a chance and wern't we lucky! It was a lovely afternoon and a fleet of cars took 22 of us to Fore Downs at Cardinham, including 2 new members. The treasure hunt scattered members far and wide and a four leaf clover was found this time! The view was magnificent, but soon after everyone had returned to base for tea, the clouds gathered and I'm sorry to say at last it rained! I've never seen people move so fast in my life. One minute everyone was enjoying tea in the sunshine; the next, chairs vanished into car boots and people and food disappeared into cars, where, happily, tea continued as if there had been no interuption. One of the local men came to investigate the invasion; he probably thought, with so many cars that the Hippies had moved down from Stonehenge! but all was well and we had a truly lovely afternoon.

P.S. I am on my guard Mr. B. Regarding the June issue - I was not entirely unaware of the possible connotation, but did not expect quite so much publicity! However, watch this page, there could be more gems! It's good to know it's being read.
