Letter from the Parish Priest.

Dear Parishioners,
As one reads through the New Testament one cannot help but be impressed by the positive response which so many people made when confronted with the person and claims of Jesus Christ. Such encounters nearly always resulted in people's lives being radically changed; firstly through conviction, secondly through commitment.

Many Christians today also respond generously to the demands of the Gospel in time talents and money. This is true in our own parishes of Blisland, Temple and St. Breward. Parishioners should indeed be grateful to those solid band of helpers who contribute much in time, talents and money in keeping our churches open. Without such support the Church would not be able to sustain it present ministry to all and sundry. The congregation at St. Breward in particular needs to be congratulated for meeting its internal and external financial commitments and it is my hope that Blisland will be also in a similar position in the near future to meet similar financial responsibilities both to the diocese and to the Church at large.

To boost our finances then and so try to meet these financial commitments both parishes are involved in money raising activities such as fetes and flower festivals at this time of the year. To those who organise, help and support such events we are indeed indebted with gratitude; not only for the revenue received but also for the social atmosphere which it engenders. They do indeed make a valuable contribution towards sustaining our present standard of church life and we do thank all concerned in making such events possible.

Church finances should however be ordered on the basis of an intelligent understanding of Christian stewardship. How we respond to such stewardship ultimately depends upon our Christian conviction with the resultant commitment. Our Lord thus invites us to make a generous response in time, talents and money; if all who profess the christian faith

in our parishes made such a response the Church would not be found wanting in performing its work of mission and service as it seeks to establish the Kingdom of God in the hearts and minds of men and women.

May God bless you in your response,

Yours sincerely,
Father Harris

TEMPLE - INTO THE 20th CENTURY

As Temple moved into the 20th century the population was engaged mainly in farming, other employment being available in local clayworks and mines. The First World War came and went and a memorial was erected to the seven young men who left the village to serve their country. The school closed and the children were transported to Blisland, first by horse drawn covered and later by Webbers bus. This brings me to my own memories of Temple during the 1930's. I remember a happy childhood as, with my brothers, we explored the moors, walked to Roughtor, played football along the A30 road to Trethorne to visit my grandmother, pausing to pick the ball up when the occasional car came along.

I remember the Services of Song in a packed Chapel, the Harvest Festival and sale of produce in the Institute, and of course the Chapel Anniversary, followed by the tea. What an occasion the Anniversary tea was. (It always seemed to be fine weather). The tables were set up in a nearby field and covered with spotless white cloths. The ladies, in starched white aprons, loaded the tables with pasties, brown bread with farm butter, saffron and white cake and buns and 'splits' with butter or jam and cream. The men, in bowler hats, dark suits with waistcoat and watch chain didn't do very much if I remember rightly, oh yes, they boiled the water for the tea. I suppose they thought that was mens work. Then they stood around in groups, discussing the weather, the year gone, and no doubt the year ahead. (The men all seemed to me to be old but then, to a small boy, anybody with a moustache was old and all the men had them.

to be continued.

ST. BREWARD CHURCH FETE

On Saturday 11th July, 2.30p.m. in the Village Hall. Many stalls, games and a raffle. Refreshments. All welcome.

BLISLAND PARISH COUNCIL

The Annual General Meeting of the Council was held in the Village Institute on 14th May when Mr. David Pearson was re-elected as Chairman and Mr. Morley Rowe as Vice-Chairman for the following year.

The monthly ordinary meeting of the Council followed, at which a discussion took place concerning the setting up of the Parish Survey. Mr. Trevor Murden has produced a computer-based draft which councillors will consider in detail at the next meeting. The clerk, Mr. Edgar Rowe, reported on the meeting of the County Association of Parish Councils held recently when presentations were given regarding the future of local authorities. Highway matters dealt with included the outstanding work at Meadow Plash, repair of railings at Waterloo and the new Order for Acquisition of Land for the widening of the A30 near Temple.

The next meeting is on the 11th June.

Cornwall Aids Council

On June 2nd St. Breward W.I. organised a talk by Mr. Owers and a colleague from the Cornwall Aids Council which was advertised on Radio Cornwall, on posters and to other W.I.s and local Schools. In spite of this only seven W.I. members and one friend turned up! This talk did much to dispel many false ideas we had about this dreadful disease which is growing at such an appalling rate, and we were able to ask many questions about effects and causes.

ST. BREWARD SNOOKER CLUB

Club competitions have taken place over the last two months with members striving for the various cups and shields.

In the Cyril Greenaway Singles Cup the final was between George Whitehouse and David Masters, a repeat of last year's final with David again taking the cup by three frames to nil. Mrs. Greenaway presented the cup and winners shield to David and the runners up shield to George.

In the Alec Taylor Doubles Cup this final was between Terry Ellery and Derek Judd against Bill Hill and Martin Yeo. The winners were Terry and Derek by three frames to nil, Bill being handicapped by his partner! Mr. Jonathan Taylor presented the cup and shields to the players.

For the first year we held a Billiards competition with the winners shield kindly donated by David Masters. Appropiately David won the shield beating Bill Hill in the final. Mrs. Greenaway presented the shield to David.

Well done to all who took part in the competitions which were played at a very high standard, and for those who didn't make the finals better luck next year.

M. Yeo
Club Secretary.

ST. BREWARD W.I.

Twenty members and visitors came to the June meeting in the Village Hall to hear Colonel Gregan from ARC talk about arthritis and also show a short film about research. We were able to help ourselves from a large variety of booklets about the various aspects of this disabling disease. Most members filled in a sponsor form for the St. Breward Hippie Walk as a result of Colonel Gregan waiving any fee.

The next round of the Scrabble Tournament will be held in the Methodist Chapel rooms on June 16th at 7p.m. and one of the competitors will be Ann Hole from our Institute. The Baker Cup Competition will be for the history in book form of the year our Institute was formed; this must include local, national and international items collated by four members - the year in question is 1928, before many of us were born. Progress is being made with the entry to the St. Breward Carnival in great secrecy.

Mrs. Pamela Bousfield asked if any members are going on the Devil's Jump Walk on July 2nd (meet at 2.30 near Newton Farm) led by Tim Dingle.

Mrs. Pamela Bridge asked if anyone would volunteer to take over as treasurer of the meals on wheels.

A card was signed by those present to send to Mrs. Peggy Vercoe who has left the village.

The raffle was won by Joy Cheeseman, and the competition for the prettiest plate won by Joan Sainsbury, the flower of the month came from Mavis Metters.

The speaker at the July 7th meeting will be the Community Policeman.

BLISLAND W.I.

The May meeting was held in the Village Hall with Mrs. Aspinall in the chair. Our outing to Trelawney Garden Centre on the 21st was discussed and final arrangements made. In fact, we had a lovely meal and a tour of the glasshouses. A great time was had by all nine of us.

The Group Meeting was well attended and went very well. Blisland won two first prizes, three seconds and two thirds (but we would have enjoyed it anyway). Mr. Thomas gave a fascinating talk on 'Gypsies of the New Forest' and the entertainment by the Cornish Cockneys was well received, with everyone singing along with some old favourites. Later, the Resolutions for the I.G.M. at Bournemouth were discussed.

The main resolution, and all agreed, most important, is to call upon the Government to support the Knackers Trade, and to ensure an adequate disposal and incineration network for fallen stock, at reasonable cost. If this is not done, then there will be health risks, as hard-pressed farmers dispose of dead stock in less satisfactory ways i.e. burying - not an easy thing to do in districts with thin soil. This can also effect water supplies like wells and springs.

The other resolutions to be discussed are the patenting of life forms and a call for a painful and unpleasant condition called endometriosis to be better researched. However, as this is a mainly female problem, and most M.P.s are very unlikely to suffer from it, I don't hold out much hope for that one!

The refreshments were provided by Mrs. King and Mrs Barwood and the meeting closed at 9.30p.m.

Our next meeting is on Wednesday July 15th, 1992 at 7.30p.m. in the Village Hall and new members would be most welcome.

BLISLAND W.R.V.S. CLUB

The 19th May was the first meeting I was unable to attend since joining the club in March 1988, but I knew that the meeting would be in the very capable hands of Mrs. Marjorie Webber, who opened her house, very kindly for an afternoon Tea Party, with a bring & buy stall and a raffle for club funds. On returning from holiday in Switzerland I received many reports of the enjoyable afternoon spent there. A considerable sum was raised for the club. Well done and thank you Marjorie. Mrs. Rosa Billing won the competition 'An Animal Picture'. She submitted a photograph of two goats at a gate, one standing looking over.

On 2nd June the club held its annual mini market for club funds. Thanks to the generosity of the members and particularly to Mr. Stan Jefford, a great variety of household goods, appliances, groceries and garden produce were made available for selling. It took me over 1½ hours to auction all that was displayed and I was very pleased to note the large increase in the funds as a result.

The competition, 'Something made or painted' was jointly won by Mrs. Doreen Millar for her pretty pink hand knitted hot water bottle cover and Miss Pat Nelder who submitted a very attractive hand embroidered table cloth.
