Annual General Meeting at Blisland On 6th April
At the Vestry meeting held at the Institute, Brigadier C.T. Edward-Collins and Mr. Ray Lee were elected to serve as Churchwardens for the ensuing year. At the same meeting Mr. John Gurr our retiring treasurer was given a presentation in acknowledgement of his outstanding services to the Church over the last five years. Sincere gratitude was expressed for all the work which he had undertaken in the administration of the finances of the Parish Church. We are indeed indebted to him for his loyal and devoted service.

Father Harris.

Dear Parishioners,

During this month of May we celebrate the feast of the glorious Ascension. This solemnity not only marks for us the end of Our Lord's incarnate life but also the beginning of His High Priestly ministry in heaven. We could do well then to read the letter to the Hebrews, if we desire to have a fuller understanding of Our Lord's heavenly activity. For it is an activity that we should be familiar with, if at all we are going to understand and appreciate fully the role of priesthood and the place of the Eucharist in the life of the church. For the feast of the Ascension tells us that Jesus who lived among men, who suffered and died upon the cross, who rose again from the dead has now entered into heaven before the throne of God as priest and victim, there to display his suffering and glorified humanity as the perfect sacrifice for sin.

The church then, in response to Our Lord' command at the Last Supper, makes present under the sacramental veils of bread and wine, the sacrifice of Our Lord's offering of Himself in heaven. (For a poetic description of Our Lord's heavenly role see hymns English Hymnal, numbers 301, 302, 327, 143.)

The Eucharist thus becomes the highest form of Christian worship and all who participate in it, experience the worship of heaven itself. For by virtue of our baptism into Christ's life death and resurrection, we become incorporated into Our Lord's own self offering and so in the words of the liturgy, 'By whom and with whom and in whom', we are counted worthy to stand in the presence of God.

We who offer the church's sacrifice of praise and thanksgiving need also to offer the sacrifice of ourselves to God. For the Christian faith demands a response on our part. Perhaps during this Ascentiontide, when we reflect upon Our Lord's own self giving, we ought to ask ourselves how best we can give back to God as a sacrifice, those things which will give glory to God and at the same time advance our own sanctification.

Ascensiontide then, is a celebration of Our Lord's triumph as King. We who celebrate his incarnation at Christmas, his resurrection at Easter, must now celebrate his Kingship on Ascension Day. Make every effort then, to keep this day holy and do try to come to the Eucharist on that day.

Yours sincerely,
Father Harris

### ALL CHANGE

The date of the St. Breward W.I. Table Sale has been changed to Saturday May 21st at 10 - 3pm. The venue has also been changed to the Memorial Hall.
Tables still available at £3 each. Ring Mrs. Shelley on 851118 to book a table. Refreshments available.

To my many friends in Blisland, Temple and St. Breward Churches.

Dear Friends in Christ,

It is with joy and with sadness that I write to you today, thinking of you worshipping together, and sharing the excitement of yet another Easter Morning, while I am doing the same at Cardinham.

Our Lord asks us, whatever our situation in life, to look always forward and not back: not backward at our sins which he has taken away, but forward to the glorious, as yet unknown things he has in store for us all.

Yet I do look back, as one chapter in my life is ending:
1) with joy at the good times we have had together, at the growth of our Sunday School, at the warmth of our fellowship, at the hard work put in by the Study Group (some of it still to come, during April and May).
2) with sadness at the time having come for me to move to another part of the deanery. For a while we must work in it separately, since there is a need for me to be used elsewhere.

As David and I will still be living at Penrose, we are very glad not to be losing all the friendly contacts we have made since arriving here in 1990, though I shall no longer be your deacon. Your prayers and good wishes will I know go with me to my new work, and I am very grateful for the support they will give me as I meet unfamiliar responsibilities.

I am looking forward with excitement to my time at Cardinham; it is a great opportunity for me and I know that all I have learnt while working with you will be a great help.( Our first job will be to find ways and means of raising £25,000 for urgent repair-work. That at least sounds familiar!)

The ordination for our diocese takes place on 2nd July at 6.30. in the Cathedral. At the time of writing, the date of my licensing as Minister-in-Charge has not yet been fixed, but may well be at Pentecost.

The first social event I shall attend 'over the A30' is a concert of light summer music, perhaps with some readings, planned for June 10th. One of the groups participating will be the Endelienta Singers, who came to Blisland last year. Please put the date in your diary!

Yours in Christ,
Joan

## THE ARTHRITIS & RHEUMATISM COUNCIL

Tremeer Gardens in St. Tudy are truly beautiful at this time of the year, so near and so worth a visit. The Haslam Hopwood family very kindly allow us to have an open day on the third Sunday in May each year to raise funds for Arthritis Research, a very worthy cause as we all know. Admission £1 and very reasonably priced refreshments are available; it makes a really enjoyable afternoon and there is no better way of helping others and enjoying yourself at the same time. Please come!

Barbara M. Todd would like to send her grateful thanks to all her friends and aquaintances of Blisland who, during her recent illness and long stay in Derriford Hospital and then Rowans Rehabilitation Centre, visited her and sent cards, flowers and presents.

Her road to recovery is slow but hopefully she is pointed in the right direction and will soon get there.

Grateful thanks are also sent to all friends who provided meals for her husband Robert.

## Any unwanted hand tools?

Tools for Self Reliance is a charity which collects and refurbishes hand tools and sends them to where they are needed and requested in 'third world countries'. There are groups of volunteers working on tools all over Britain and now a group is starting up in St. Tudy.

Volunteers are needed for the group - you do not need to be an expert - though it's appreciated - as jobs such as cleaning, de-rusting, oiling etc. need only a little skill. We hope to meet once a month or perhaps more often as the group grows.

Unwanted hand tools and/or hand sewing machines - but please, no garden tools - are needed by the group, in any condition.

Anyone with offers of tools or help - or both- please contact Jane Hanscomb, tel. (0208) 850306.

## ST. BREWARD SNOOKER CLUB

Congratulations to Dean Hill on being picked for the county to play Wessex at Trowbridge Wells on the 20th March. On the 23rd March Dean was at Mevagissey playing in the county under 21 final where he narrowly lost to M. Thomas of Godolphin by 3 frames to 2.

With the snooker league season coming to a close the 'A' team finished in third position in the Camelford and District 1st Division missing runners-up spot by one point to Wadebridge Cons 'A', with Camelford War Memorial 'A' winning the league.

In the Camelford and District second Division the 'B' team finished halfway in the league with Bodmin Sweb 'B' winning the league. In the St. Blazey and District League the 'C' team also found respectability, finishing halfway in the league with Lostwithiel Cons winning the league.

On April 2nd 13 members went to the Tremont Hotel, Newquay for the annual county presentation and Dinner, where Dean was presented with his under 21 runners-up Trophy. A great time was had by all and special thanks to Mr. E. Newton for driving the Community bus for us.

William Gordon Ternouth

Residents of St. Breward were saddened to hear of the passing of William Gordon Ternouth. Gordon lived in the village for many years from when he was a small child and his wife Edna and three children were all born there. He was a well known Boy Soprano in the north Cornwall area, taking leads in operettas and singing solos in many concerts. He regularly attended St. Breward Sunday School, Chapel and Day School. He was a trombonist in St. Breward Band, and for a few years, his father, Marshall Ternouth, and brothers Foster and Garfield, were in the band at the same time. Using his fine tenor voice he continued to sing solos, duets with Edna his wife and in quartets and choirs.

During the 1939-45 war Gordon served with the 5th Bn D.C.L.I. and was very fortunate to survive the Normandy landings and ensuing fierce battles. Then he returned to continue his trade as a stonemason. On moving to St. Austell in 1960 with Edna, Trevor, Daphne and Adrian, Gordon joined the St. Austell Town Band and the St. Dennis Male Voice Choir.

A staunch Methodist, he was caretaker of Zion Church, and held offices as steward and church council member of St. Stephen and Carclaze - choir member and also conductor. People came from far and wide to attend the wonderful thanksgiving service held in Carclaze Methodist Church, for this highly respected gentleman. St. Austell and the surrounding villages were represented and many from St. Breward and the overwhelming number of cards, letters and phonecalls has proved his popularity.
A true and reliable cornishman.

## Farewell Faithful Ringer

St. Breward Parish Church was filled with mourners and members of the community at the funeral of Mr. Herbert John Hawken aged 86, a testimony of the high esteem in which he was held.

Born at Limbhead in 1907 he was the son of the late Mr. Henry Hawken one time sexton and member of the hand-bells team. He was baptized by the then vicar the Rev'd John Lock. Sadly his mother died when he was a baby and he was brought up by his aunt Mrs. Mary Winn at Lank.

Herbert sang in the church choir and at 10 years of age became interested in bell-ringing and was a ringer for over 70 years; it was his life long interest. At the age of 14 Herbert went as a stable boy to Hamatethy and served the late Capt. R.H. Hall and Mrs. Hall for 54 years.

During these years he became a sidesman and later churchwarden for 12 years. With unfailing regularity at the end of each month he would bring the collections to the then treasurer Mrs. G. Masters, wait until the monies were checked, have a friendly chat and be off again to his cottage at Lower Hamatethy.

Herbert served under 6 vicars and often took matins and evensong services in the absence of a resident priest.

Always connected with the local hunt, he served the stirrup cup and drinks to the riders and followers at the opening meet at Hamatethy for more than 60 years.

After the death of his wife he lived his later years at Delabole with his son David and daughter-in-law Margaret and grandson, to whom sympathy is extended. In lieu of flowers his request was for donations towards new bell ropes.

## THE OLD INN

Iain and Ann send their personal congratulations to all the players who have represented 'The Old Inn' throughout the winter and are pleased to report the success of all the teams. The Ladies 'A' Darts team captained by Jackie Smith, after an indifferent start to the season did well to finish in the middle of the league. The Ladies'B' Darts team led by Dawn Sleep was also able to finish in mid league and better still were runners up in the gallon competition. In the Ladies League end of season competition they won the team Five-a-side with a thrilling victory over their old friends and rivals Delabole Working Mens Club.

The Mens Dart team made their usual slow start to the season and it took Barnie Nottle some weeks to get his team into shape before surprising us, the team and himself by coming runners up in the league. (What could they have done with a good start?)

The Mens Pool team captained by Roger Sleep progressed from strength to strength and achieved some noteable victories. They very nearly won the league but in the end had to settle for the runners up position with promotion to the first division next season.

We would like to take this opportunity of thanking all the Captains for all the worry, effort and anguish that goes on in getting an 'Old Inn' team organised! At the same time we should like to thank all the many players who represented the 'Old Inn's' teams this season and to wish them even greater success next season - especially those in the First divisions. Thanks also to those loyal supporters who brave out on dirty winter nights to support their teams. Last but not least thanks to Eddie Newton and son Mark who have safely transported our teams to their away venues.

Finally a note for all Celts and those interested in Cornish tradition. The all woman Cornish Folk Group "GWARYORVON" are visiting the 'Old Inn' for an evening of cornish music and song on Saturday, 30th April and we look forward to seeing you all then if not before?

ST. BREWARD W.I.

Only ten members made it to the April meeting, braving the rain and gales to do so. The visit to Heligan for the 7th of April had to be cancelled in view of the weather forecast but a new date will be set at the next meeting, so we hope for a respite in the rain and wind then.

There will be five subjects for our Four Corner Day on April 18th and a meeting is arranged before this to finalize details for that event and for the Table Sale on May 21st. Please note that our own W.I. table will not be a Jumble one as usual, but a genuine Bring & Buy table, so please bring all you can; if you have any queries give the secretary a ring. Two members are going to the Spring Council Meeting at Hendra on May 17th and will report back to the June meeting. As a result of the successful Pressed Flower Day in the Memorial Hall when seventeen people participated, our Institute was able to purchase Lady Pamela le Bailly's book about using pressed flowers in a great many ways to make unusual and personal gifts. This book will join others in our expanding library.

A new system for the raffle prizes is about to start - a list will be displayed on the notice board at each meeting of the name of the prize donor who will be expected to sell the tickets when it is her turn to provide the prize. It appears that practically no-one is interested in going to the Group Meeting hosted by Nanstallon at Lanivet - I was hoping for a busload to hold my hand at my first meeting as Group Convenor! The speaker, Mrs. Keen, talked about the Medau Method of gentle stretching emphasising the need for rhythmic movement, which she demonstrated by using a ball passing and catching among the members (not quite in the Gazza standard.) It was Mrs. R. Lowe's turn to scoop both first prizes this month, and to add the raffle prize to this as well.

In May it will be the Resolutions Meeting on the 3rd at 7.30p.m. and Mrs. Margaret Brown, VCO, will be our guest; there will not be any competition but we hope to enjoy a social evening when the business has been dealt with.

Anne Holmes

## BLISLAND W.I.

The meeting on the 16th March was our A.G.M. and took place in the Village Hall with Mrs. Aspinall in the chair. Mrs. King presented the Treasurer's Report and we were all pleased to hear that our finances were in a healthy state thanks to all the events which took place during the past year. We had a successful Plant Sale, Produce Show, Harvest Sale, Cake Stall and Tea Party. We hope to be able to keep the momentum up and Mrs. Walford has promised to give a fund raising event in May. Mrs. Barwood read the Secretay's Report which reminded us of all our activities during the past year. We had a varied programme and many interesting speakers.

The new committee was elected. Mrs. Walford will be our new President but Mrs. Aspinall will continue as a committee member. Other jobs are retained as done by members last year with the exception of Programme Secretary where Mrs. Gurr replaces Mrs. Makin who has resigned from the Committee.

In the annual Flower of the Month competition Mrs. Barwood won the most points, with Mrs. Pierce second and Mrs. King third. In the general competition Mrs. Barwood was first, Mrs. Willcocks and Miss Runnalls second and Mrs. George and Mrs. Makin joint third.

There are several outings on offer including one to Lyme Regis on the 24th May at a cost of £8 with a chance to visit the lovely gardens of Pecorama (£1.50) and ride on the miniature railway to Beer Heights. Culdrose Day on 15th June sounds interesting with the emphasis being on the Met. Office and the cost is £3 which includes a barbeque lunch at Porthleven.

Royal Cornwall Show takes place on the 9th, 10th & 11th June and our County Chairman is asking for volunteers to act as stewards. The W.I. entry this year is 'A Country Basket' and we hope to enter as this involves mainly cookery items and we felt we ought to 'have a go' after our success when we came second at the Wadebridge Prime Fatstock Show last year.

The meeting on 18th May commences at 7.15p.m. and will be a discussion on the Resolutions. Mrs. Brown, V.C.O. will be present.

W. Barwood.

## BLISLAND W.R.V.S. CLUB

On Tuesday 15th March all the members were offered a rare treat! An invitation to lunch by Betty Donnelly. Five members were unable to accept but thirteen did attend. It is by no means easy to cater for a luncheon party but Betty excelled herself and we were presented with a most tasty sumptous lunch. It is always a pleasant experience to eat out, no preparation, no washing up, so we all throughly enjoyed ourselves. In the afternoon we played Mildred's game where prizes move around fast and furious as the cards are called. Most finished with a little gift to take away. At the end of a very pleasant afternoon I thanked Betty for her very kind hospitality and presented her on behalf of the club, with a basket of fruit.

The next meeting took place in the village hall. Being a very cold wet and windy day on the 5th April only eleven members braved the elements. Not much evidence of global warming as yet! On Mrs. Gwen Masters' suggestion we entertained ourselves this day. All were asked to bring along a favourite piece of poetry to read. We had a very amusing hour. Poems varied from a tale written by Miss Maud Parnell's father and published in 1927 to extracts from the book written by Pam Ayres 'Some of me Poetry'. The highlight of the afternoon was Miss Mildred Rowe, not reading but reciting poetry she learnt many years ago and delivered with such expression!

The competition, 'A piece of coloured glass', brought forth many bright multicoloured exhibits and was judged by Mrs. Masters who set the theme. After much deliberation, for it was a difficult choice, the glass vase submitted by Mrs Audrey Pierce won the prize.
