Letter from the Minister,

Dear Friends,

As you read this we have just entered the season of Pentecost. We celebrate the birth and dramatic early growth of the Christian Church as described in the Acts of the Apostles.

In Genesis Chapter I we read how the "Spirit of God" was "hovering" or "brooding" over the surface of "the deep". The Hebrew word for Spirit is "ruach" which also means "wind". Thus we see the Spirit-Wind of God brooding over the surface of the deep before creation began, a very gently moving wind at work.

It is no accident that in Acts Chapter 2 we read of a "mighty rushing wind". It is the same Spirit-Wind of God at work again, bringing about dramatic change and grace.

We may think of God as changeless, but the Church is called to change frequently. We should ask: Where is God leading us? What is he calling us to do?

The winds of change empowered by God's Spirit are available to us. Let us receive God's gracious Help in this season.

Sincerely,
Randall Barlow.

The Annual Spring Sale in aid of Blisland Methodist Church was held on Saturday May 11th in the Village Hall. Stall holders were fully extended coping with the opening influx of visitors eagerly seeking to buy home-made cakes, bread and bedding plants etc. When the rush was over a nice cup of tea and some cream splits and of course a 'bit of chat' on meeting friends from near and far made a very pleasant afternoon. I would sincerely thank all who participated and the many who volunteered their help to make the sale such a success. A total of £510.66 was raised for church funds.

THE CHRISTIAN YEAR

As Jesus had promised, after ten days of waiting and prayer in the Upper Room in Jerusalem, the disciples received the Holy Spirit at Pentecost, or Whitsunday. PENTECOST is the Greek name for the Jewish Feast of Weeks - a thanksgiving for the first fruits of the wheat harvest (see Exodus 34.22) - which falls on the fiftieth day after Passover. As the day of the original bestowing of the Holy Spirit (Acts 2:1-4) WHITSUNDAY, regarded as the birthday of the Church and ranking after Easter as its second major festival, quickly established itself as a favourite day for baptism. 'Whitsunday' is thought to be a rendering of White Sunday from the white robes worn by the newly baptised at this time.

The following Sunday, the first after Pentecost, is TRINITY SUNDAY when the church acknowledges and celebrates the Eternal Trinity of God - in all three persons: Father Son and Holy Spirit.

Red is the liturgical colour used for the Day of Pentecost, symbolising the tongues of fire seen at the time of the descent of the Holy Spirit on the disciples in Jerusalem.

Marriage Blessing

John and Lisa Niewald had their marriage blessed in Blisland Parish Church by Canon Peter Boyd on March 30th, 1996. Sophia Wills, the groom's half sister was a bridesmaid.

The bridegroom, a teacher at Nanpean School since September 1994, is the only son of Mr Hans Niewald, Germany and Mrs Mary Wills Bodmin, stepson of Mr David Wills, and eldest grandson of Mr John Prout and the late Mrs Caroline Prout, Bodmin, formerly of Trethorne Farm, and Tor Farm, Blisland.

The bride, who is going to Swansea University in October to study law, is the only daughter of Mr John and Mrs Rita Deane of St. Austell.

John, Lisa and their parents thank Canon Peter Boyd for the lovely service, Mr Ray Lee for all his help and advice and the organist Mr J. Meeson.

My sincere thanks to everyone who so kindly supported my Coffee Morning on May 1st at Trevenning in aid of the Air Ambulance. I was so pleased to be able to send them a cheque for £252.00.

I have received another letter from Mr Ginger Reed of South Africa but formerly of St. Breward. I quote ...

" An article in the February issue of the Parish Magazine was of particular interest to me. I refer to the extract from the Trigg Minor Deanery Magazine for February 1904, this reports on the annual Sunday School gathering which took place in that year on January 13th. I quote one sentence which reads:- The special prize given by Mr F.E. Brook was won by Alfred Andrews, who missed only one attendance".

Alfred was my mother's youngest brother, he became a teacher, and retired in Plymouth from a senior educational position, he was later honoured with the award of M.B.E. (or O.B.E.). I have a photograph of him standing at the gates of Buckingham Palace proudly holding the medal. With him in the photograph was his wife and my sister-in-law Hilda, widow of my late brother Kenneth. A brother of Alfred, my uncle George Andrews, was a stonemason who for many years lived at Victoria Terrace. He married Miss Minnie Williams who had been a teacher at the C of E school, this is mentioned on page 107 of that valuable book - 'A History of St. Breward'.

On a lighter note it can be mentioned that Alfred married a Miss Jacket, and another brother of his married a Miss Coates!"

Editor's Note: In a future issue we will have another article by Ginger Reed entitled "The Reeds In Africa".

BLISLAND W.I. - April 17th 1996

"Summer" is "A Coming", was evident when we gathered for our first evening meeting of the year, which was held in the Village Hall on April 17th at 7.15p.m. Mrs Walford was in the chair.

Our outing to St. Georges Island on June 25th was discussed, many members seemed thrilled at the prospect of such an opportunity to visit this unique place.

Our effort to help on the "GET A GRIP ON LITTER" proved very successful, a good collection of rubbish was made by those who participated which included children of the village whose help was very much appreciated.

It was proposed that suggestions for our 50th Anniversary be put forward. Mrs Makin gave a detailed report on the 'RESOLUTIONS' meeting and the conclusion drawn was the shortage of funds for the three put forward.

We spoke of our forthcoming Produce Show, and members were urged to think of new ideas, several were made regarding the 'childrens classes'.

Mrs Madge Mitchell V.C.O. will attend the Resolutions meeting in May. To conclude the business of the evening, we were read a very nice letter from The Meningitis Trust thanking us for our endeavours to boost their fund raising campaign.

Mrs Walford then introduced our Speakers, namely Mrs Metters and Son from St. Breward, who gave a most interesting talk about their chimney sweeping business. We were told of how and when it was conceived, the hardships it had incurred, the dedication to customers and of many amusing and sometimes sad anecdotes they had encountered during their lifetime of chimney sweeping.

We were advised on the necessity of keeping our chimneys swept - in all a very enlightning and enjoyable talk. The vote of thanks was given by Mrs Walford. Delicious refreshments were served and our meeting closed at 10.00p.m.

We meet again on May 15th in the Village Hall at 7.15p.m. and every third Wednesday of the month when a warm welcome will be given to all who would like to join us if only as a visitor.

ST. BREWARD W.I. - April 9th, 1996

After welcoming the visitors to our April meeting, the minutes of the March meeting were read, these included the ongoing saga of the date for providing tea and an entertainment for the Camelford Disabled, this now may be on March 5th 1997! A note from Mrs Nesta Teague about the Flower Festival at the Methodist Church on September 6th, 7th & 8th was read out, the theme will be "God is Love". Mrs H. Cragg will create the W.I. display with her usual expertise. Mrs A. Hole and Mrs G. Daws will attend the Spring Council Meeting at Hendra on May 21st as the St. Breward delegates. The following day, May 22nd, a Wednesday, is our Group Meeting evening in the Memorial Hall; this is a new venue to try to make the smaller numbers now attending feel more at home in the smaller room. The entertainment will take place in the lower room after light refreshments of tea and a slice of cake, rather than the previous large scale catering we endeavour to provide.

The Bring and Buy Coffee Morning announced by Mrs Hilary Cragg to take place at her home at Michaelstow on May 1st has already taken place. Many of our W.I. members helped on the day as well as many of Hilary's friends, and funds were raised for the Air Ambulance.

The second Garden Day at Mrs P. Powell's home will take place on May 12th, and members were asked to help with the pricking out of seedlings, and many will also help on the day itself to raise funds for the Macmillan Nursing Service and St. Breward W.I.

Several members volunteered for the Scrabble competition later in the year, but no-one was interested in the four corner day to be held by Bodmin W.I. - we do seem to be very involved with events at present, including cleaning up a specific length of roadside near our own houses!

Mrs Sawle from Lower Penquite gave a short talk about her experiences as a Disc Jockey for Radio Beacon at St. Lawrences which is now defunct. All the equipment and records are still there so maybe someday it will have a revival!

The typical W.I. flower competition of a spring arrangement in a teacup was won by Mrs. J. Greenaway back in winning mode for 1996, with Mrs A. Hole and Mrs N. Sleep second and third. The most unusual competition for making and demonstrating a home-made instrument had only one entry unfortunately, so Mrs C. Woolf's tiny tin containing either beads or

BLISLAND W.R.V.S. CLUB

It was the 23rd anniversary of the founding of the club on Tuesday 7th May. It was decided to have a celebration birthday cream tea at East Rose Farm, St. Breward. Unfortunately, for many different reasons, only seven members were able to attend. Those who did however had a very enjoyable time and were well looked after by our host Veronica Stansfield. Many thanks, we look forward to another visit.
