Murphys in the Belfry! Well known St Breward resident Viv Crowle has been stirring it up in the bell tower, boasting of his Sharps potatoes. Defending the honour of Blisland potato growers is Henry Kendall. He has accepted Viv's wager of £10 - this going to the winner's church. A good safe 'either-way' bet for the Vicar!

Editorial

First I must apologise to North Cornwall Aviaries for blank space where their advert should have been in last month's magazine; also to Andrew Rowe for the missing phone number. Finally to Gwen Masters for the missing line in her article 'Looking Back'.

These happened because I do not have the time to properly proof read the magazine. When I began as Editor each edition covered 2 parishes, consisted of 26 pages, 4 adverts and 370+ copies.

Today I cover 3 parishes; the magazine has 40 pages, 46 adverts and over 500 copies. Whereas it used to take a few hours to put together I now spend 3 full days on each edition.

To save costs we collate, staple, fold & bundle each edition for delivery by our gallant band of distributers. This now takes Christine and I 4 hours which can be mind numbingly boring - 5,000 sheets of paper.

I feel that I am unable to produce a top quality magazine on my own any more - it has grown too big. I would like readers to think of how we could organise an editorial team to reflect our 3 parishes and to lighten the pressures on myself as editor. I intend to call a meeting of interested people in the Autumn as July & August are too hectic in the shop to spare enough time to think about solutions.

"Which Millennium are you bringing the copy, Denis?" From a very patient Printer

(Continued from page 2)

I have also made a rod for my own back by being very laid back about deadlines. So, in future I am going to have to be more strict about copy deadline. This is usually the 20th of the month, please make sure I receive copy before this date.

Please print the names of people and places to avoid mis-spelling. If you are using Word (or most other word processing packages) copy on a disk really helps. Please label the disk with title of article, author and which magazine edition it is for. I can scan good clean typed copy but faint or poor copy takes a lot of editing to correct.

If you have sent in copy and it has not been published then it has dissappeared into the Great Black Hole that is my filing system, but please, please do not stop sending in copy as this magazine depends on you.

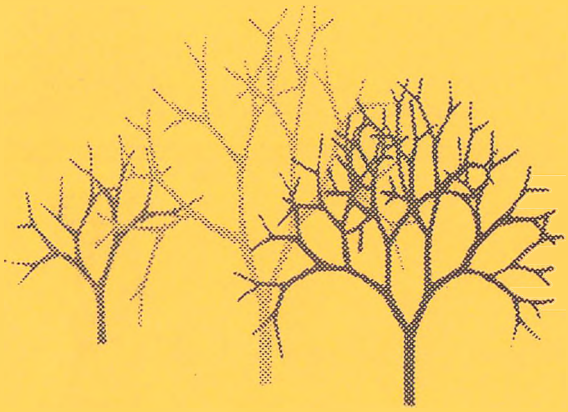
Wallpaper patterns was about as far as I got with painting at school. I could never get the hang of how to stop the colours going all muddy and invariably I knocked my water pot on the floor. Our art teacher, she was pleased to see the back of me heading towards the woodwork workshop!

So it was something of revelation to me to do some watercolour painting on holiday recently. With the encouragement of an old friend I actually had a go at painting in watercolour. To my surprise I managed a couple of "masterpieces".... well not quite a Turner! He explained that with painting everything is possible for anybody. A little bit of confidence and luck do not exclude the need for skill, technique and experience, but they go a long way towards creating your "masterpiece".
I discovered that especially with watercolours happy accidents do happen. The water you put first on the paper takes on a life of its own when you put a touch of ultramarine blue into it, especially if you move the paper around. In the end my trees looked something like trees.



Often we have a block about trying new things. Perhaps in childhood we were told that we were no good at it. Prove them wrong! Have a go! There are things we can try and it does not matter if you get things wrong – I did three paintings, one was a total disaster, one I spoilt by being too clever, and one was not at all bad. Have a go! With a bit of confidence and a bit of luck you will surprise yourself and others by your new-found talent.

Finally, remember being creative is in our natures . That's how we are made by God. You could say we are part of his painting, his work of art.

St Breward Parish Church

A sponsored walk for the church took place on Thursday 1st June up and around Roughtor. Over 30 people turned up on a blustery, damp day , but despite the mist shrouding the summit we all came down safely. Because it was appropriately Ascension Day, Father Derek said a short prayer and a song was sung up by the commemorative plaque on the summit. The children also released a balloon. .Most welcome refreshments were provided in the car park at the end by Charles & Josie Hawken & Grace Masters for which we thank them. So far over £200 has been raised with more money still to come. A big thank you to everybody, especially the 10 children who came with us.

On Tuesday 6th June, the Church held another successful Skittles Evening with kind permission of the football club. Over 40 people took part and an enjoyable evening was had by everyone. Kylie Sleep won the prize for the highest ladies score and Bill Hill (again!) won the men's trophy.

The Coffee Morning held on Saturday 17th June was again successful in raising £119 for school funds with the tombola making £26.81 for the Sunday Club.

Dear friends,

What a joy it was to be in St. Breward on Monday 29th May and be a part of the Street Party. Congratulations to all who worked so hard, and praise God for such beautiful weather for the occasion.

I am sure the children will cherish their Millennium mugs and will retain wonderful memories of such a special day.
It is amazing what can be achieved when someone shares a vision and people work together. Recently, I was at a meeting with other church leaders. We were discussing the possibilities for the churches working together in the parishes of St. Breward, Blisland, Helland and Temple. We are hoping to find a common vision that will help the church to become a more meaningful part of the community. The church is seeking to present Jesus to our society today. Jesus, when living among mankind of his day, sought to reach people where they were, touch them where they hurt and so introduce them to a God of love and understanding. This is of course the message of the gospel that the church in the name of Jesus offers to you today. We invite you to become a part of that vision.

Yours sincerely, Pastor Brian

For our June meeting on Tues. 6th June members were taken to Silverstream Cottage Helland the home of Ann & Iain Cameron where we had afternoon tea.

Most chose to have a cream tea while others selected what they fancied. It was most enjoyable and a walk around the lovely grounds alongside the River Camel completed a very pleasant afternoon.

Helland Methodist Church

What goes on in Helland behind closed doors???

All was revealed at the Arts + Crafts Festival at the Chapel on 20th and 21st of May – spinning and knitting (even camel down), pottery, embroidery, woodwork, glass-painting, photography, quilting, salt dough work, tapestry, pergamano, decoupage, swags, tree-root decorations, a model boat, an absolutely unique elephant and a veritable gallery of paintings.

With only an odd few exceptions these were the work of Helland or Helland-born-people.

On the Saturday evening a full chapel enjoyed a splendid concert by the Wadebridge Male Voice Choir (Even the lady Soloist was a 'Helland girl'), and throughout the two days there was FOOD. Never have I seen such a cake stall, people all around gave cakes of all kinds, and these were home-made refreshments available all through, plus lunches and cream teas.

We would like to extend heartfelt thanks to everyone for contributing in so many ways to a wonderful weekend.

The overall profit was £687, of which the due share was sent to Mount Edgecomb Hospice, but the lovely part of this kind of effort is the friendliness and community spirit we so much enjoyed.

Helland Church Sunday Club

After 4 sessions from 9.30 – 10.15am on Sundays, we have made the newly-furbished Chapter Room our own. Furniture is minimal – one small table, a door for a working surface and cushions to sit on! But people have given us toys, books, games and notice-boards and already the children have produced posters, pictures and puppets – all proudly displayed as evidence of our activities. We all join in story-telling & songs and there's room for lots more children and parents if they'd like to join in.

We're hoping to link up with children at Blisland and St Breward sometimes and I think there are plans afoot for the Garden Party at Lower Helland on July 23rd.

In appreciation of the Millennium Street Party in St. Breward on May 29th.

To thank one person in particular is often a dangerous thing to do. However on this occasion it seems worth the risk.

Congratulations to Anita Cornelius for her splendid leadership and organising ability which resulted in a wonderful afternoon. We thank you from the heart. We are of course aware that a great team of helpers from committee members to those who provided food and set out and cleared away, all played their part.

Please accept our grateful thanks and our appreciation.

Ode to a Woodpigeon

O woodpigeon! Thy tenderest notes
Fragrant memories of recall;
My heart fills with delight, as thy
Impulsive cooing rise and fall.

In throbbing tones thy love proclaim
Enchanting beings far and near;
While stir the pulses of the wood
Delighted too that thou art near.

In wonderment I am enthralled
Thy notes, alluring, calling me,
I leave this earth, I have no choice,
My very spirit soars with thee

Gwen Masters

In a small village in Ireland, the mother of a soldier off with his regiment during the First World War, met her local Parish priest, who asked if there was any news of her eldest son Pat.

"Sure, Pat has been killed".

"Oh, I'm so sorry. Did you get word from the War Office?".

"No, from Pat himself'.
"But how is that".

"Sure" she said, "Here is the letter himself wrote, read it".

The letter said: "Dear Mother,
I am now in the Holy land . . . ."

Street Party May 2000

The Carnival Committee would like to extend their appreciation to everyone who helped in making the Street Party a truly memorable day. The combination of many Village Organisations, good weather, lots of food and entertaining performers made the day a success.
Special thanks to Mrs P Teague for presenting the Millenium mugs.
We sincerely hope that this day will be remembered by all who came, - the Community of St Breward embracing the Year 2000 with zest!

Of interest to everyone with a telephone!

Several people have made the comment to me that callers to their telephone have heard the engaged tone when, in fact, the person to whom the call was made was not using the telephone or had stated that it had not rung. We, like others, have also experienced this problem and as such asked the BT 'Special Faults' engineer to investigate what could be an intermittent fault at the telephone exchange. There was no proof of such a fault during testing however this sort of problem is difficult to find.

If you experience this problem with a telephone in this area please contact me giving dates and times of this occurrence. This sort of problem could be, at best, inconvenient and at worst, life threatening.

Thank you to Parish Council

Just to say how much we appreciate the new seat situated at a lovely spot at 'Penpont". Walkers, cyclists and even more so the local residence, will be making full use of this seat for many years to come. It is true to say that one of the residents, near by, has reach the age of 80 years (not that she would need it), and several others are just over 60 years of age, and others coming on to that age, not mentioning any names, who will need it, Oh yes you do! This seat will be made full use of (especially by certain people) as a little resting spot for a chat or two with the locals. So this is just to say thanks!!

A nice resting spot for man and dog

Blisland Parish Council

A meeting was held on Thursday 1st June 2000.

A cheque for £200 was received from South West Water which resolved the outstanding matter of compensation.

The problem with the West Country Ambulance Service remains unresolved as they claim that none of their ambulances were in the area on the date in question. Statements will be obtained from the individuals for whom the ambulance was required, and these will be submitted to the ambulance service.

The damp problem in the village Institute will be resolved and then the Institute will be redecorated and pinboard will be provided on one wall for use by the Sunday School.

The Council approved a proposal for Mrs Gwen Masters to place a seat on the village green.

There were no planning applications.

Draw Update

With apologies to Dennis for taking up so much of his precious magazine space - the following have been the lucky winners in the draw for April, May and June to date. Since the beginning of the Draw £1,286.00 has been paid out in prizes with a similar amount being donated to the Bus, which together with the £200.00 collected at the inaugural coffee morning gives us a sum of nearly £1,500.00 to keep the bus on the road.

A very big thank you to all who are continuing to support this cause.

THE CON MEN

These evil characters, also known as the "M5 Gang' have changed their tack and Are now calling on elderly And infirm people in our area sawing that they have "lost a child's ball in your garden' or "a Frisbee is caught up in one of your trees" Whilst one of them walks through your home to retrieve the phantom object his accomplice enters and looks for anything valuable They have now struck over 100 times and are still at large.

Please watch out and do not let anyone enter your home under any pretence

THE VILLAGE "BOBBY'

According to recent press reports, it appears that the authorities have been listening to us the public and are now much more sympathetic towards the idea of reinstating the Village Police Officer.

It is only with a united voice that we can get anything done and with your support you can help us to keep up the pressure in achieving our goals

It may be that one Police officer will be assigned to up to three villages at first, but it is a start

NEIGHBOURHOOD WATCH

Neighbourhood Watch is now the largest voluntary organisation throughout the UK with some 155,000 watches

Sandra Calvert, the chairperson of the Devon &. Cornwall Neighbourhood Watch Force Association has announced that there is a prize to be given to the most outstanding co-ordinator in the area and the most outstanding project. The total prize money is £8000 and the individual prize could be in the region of £1,000. She said that she felt that she would like to see all co-ordinators receive an award for their dedication to this work

NHW was started in 1982 and since then has been responsible for the reduction in crime in many areas. One 'watch' in the West Midlands has helped to reduce crime in that area by 50%. The leading area co-ordinator, a lady, incidentally, has personally confronted, criminals, drug dealers and muggers

Sandra Calvert says that NHW is growing, growing, growing. all the time and as soon as people join NHW they realise its worth and its many benefits

The Homewatch number for Cornwall is 01209 711156.

BBC Radio Cornwall has formed a unique partnership with the National Neighbourhood Watch Association to help crack down on crime in our area, thus proving that crime doesn't pay.

Birthday Greetings July 18th
Ode to a Man on Receiving his First Pension Book

GONE ARE THE DAYS. . . . . .

When the time passed slowly
And birthdays were exciting milestones.

When you wore short trousers and sandals
And no-one laughed at your legs.

When you told your brother Tilly stories by candle-light
Instead of The Three Little Pigs to sleepy grand-children.

When you climbed to the top of trees in the woods
Instead of sitting underneath them on a National Trust bench.

When you played marbles with your friends
And didn't worry about losing them.

When you sneaked a cigarette behind the bike sheds with David
And studied form as the girls played tennis.

When your longest journey was on The school bus with Sir John
Instead of leaping through brochures for Saga holidays.

When a tank-full of petrol cost £2.00
Instead of almost a week's pension.

When you leapt out of bed and into the milking parlour
Instead of enjoying a lie-in with Nina and Radio Cornwall.

When you looked at your wife and thought. "Cor, she's a cracker!"
Instead of "She's going grey, at last!'

When your sons called you 'Daddy'
Instead of 'Th' Old Boy".

When you daughter called you 'Daddy'
And wanted a shoulder-ride, not the car keys.

When you wore a collar and tie to market
Instead of a patched pair of bale bashers.

When people questioned your judgement
Instead of respecting your age and experience.

When you could open a cupboard

(Continued on page 33)

(Continued from page 32)

And remember what you were looking for.

When the future held anxiety and worry
Instead of the security of your wife's monthly pay-slip.

Gone are the days . . . . . .

So cherish your memories for indeed there are many
And enjoy years to come with your wicked wife Jenny!.

(Continued from page 31)

At 2 ~30am on Sunday, 21st. May, a group of teenagers, probably between 16 & 20 years of age were trying to force an entry into a private car parked well off the road in a private parking place in the Rylands area.
There were five in the group, one of whom was a girl. One of the youths was taller than the others and appeared to be trying to break open the fuel filler cap
They had a bicycle with them and it is believed they are local. Had it not been for the actions of their Neighbourhood Watch neighbours the owners may well be facing a repair bill for damage sustained to the car, to say nothing of the inconvenience which could have been caused. The neighbour opened a window and shouted at these youngsters which took them by surprise and they left.

The matter has been reported to CRIMESTOPPERS to whom descriptions have been given along with details of the incident.
What these youngsters do not realise is that they may also have been caught on video camera. Let's leave them to think about that, shall we? It has since been discovered that a group of young people with a similar description to those mentioned above were seen in the Village earlier on Saturday evening and it is believed that they were associated with a grey car. If anyone has any further information please contact CRIMESTOPPERS on 0800 555111. Ian Burns (Hon Sec)

Penpont Man loses dog. Charlie Colman recently let his dog out of his yard into the field. Sometime later his dog was not to be found so he scoured house, yard and field - no dog. He took his car and drove around all the lanes - no dog. Returning home, he told Patsy that "t'poor ol dawg's gone!" she said "Don't be daft, e's in his kennel!" The moral of this story is 'Check the stable, before you lock it ,after the horse has bolted.'

Penvorder Man eats Penguin Supper. Gareth Bunt on arriving home late the other night found that Teresa had left out his supper. He popped open the packet and ate the contents - a lovely packet of fish fingers. Unfortunately he didn't realise that they should have been grilled first. He said that they tasted quite nice. This has worried Scott & Ivan as it follows on from Gareth's earlier comment about the Aviaries being too cold for penguins. Recently he has been observed shuffling his feet & flapping his arms. Is Penvorder Lane a warmer area - suitable for penguins?

St. Breward WI June Meeting

Members were delighted to hear that we had gained third place in the box of 20 items for 1999/2000, it was well displayed at the meeting; a letter of thanks from Anita Cornelius was read out for our help in setting out the Street Party teas, and since then we have provided tea for 56 members from Bude WI. The GM Foods poster and magazine was received and there was a helping of pamphlets. Mrs Margaret Willetts invited anyone to come to the Village hall on Thursdays at 2.30pm for exercises etc to combat osteoporosis; several members already attend this meeting.

Information about the National Tutor scheme was deemed too expensive to book for a meeting but it was decided to order an action pack called simply "Christmas," this will cost £15 plus and comprises a video and sufficient information to organise a normal meeting; it will prove to be an interesting experiment in the autumn.

Mrs. Pat Dibb has volunteered to hold the Annual Macmillan Cancer Relief Coffee Morning at her house 'Trevor' on September 29th: this has been well supported in previous years by the general public (not just the WI) bringing articles and cookery for the bring and buy stall in particular.

Mrs. Margaret Shelley gave a report on the Spring Council Meeting when the Grand Bard, Mrs. Anne Trevennen, spoke, and also John Dimbleby talked about the lives of his well-known brothels, David and Richard. The tapestry composed of squares worked by the Cornish Groups was on show and is normally hung in County House for all to admire. Messrs. Coats covered 75% of the costs of this work.

We are anticipating submitting a resolution for the Annual Council Meeting but this needs a lot of preparation yet. As July 31st is the final date for ordering the 2001 diaries please contact secretary if you have not yet signed the book. Our august meeting is an extra event on the 8th at 2pm when it will be held at Mrs. Paddy Powell's home with a speaker and a bring and buy for ACWW funds

Our speaker was Mrs. Sandra Goodswen who showed many slides with an excellent commentary all about Iceland; she had obviously enjoyed her journey around this most unusual country which is virtually treeless but with dramatic geysers. Hot Springs which heat communities, fields composed entirely of cooled lava, and enormous fissures caused by the movement of plates into which whole rivers suddenly plunge. I was enthralled by the really modern looking churches (Lutheran) in pinks and blues, and the yellow sands studded with jet- black basalt rocks. The hotels are used as schools in the winter, there are no Bacteria in the streams, and some cliffs are pure while others are pure ash and they have the largest waterfall in Europe! To cap it all – the Puffin is their national bird!

The speaker for July 4th is Mrs. Castle on Life in Service at Pencarrow and the competition is for a useful old kitchen implement, and a flower buttonhole.
The winner of the June competition was Mrs Ann Welton (very suitable as she is to visit Iceland this next week!) and Mrs. M. Wilton showed the best single bloom.

St Breward Parish Council

The Council met on Tuesday 6th June 2000 at 7 pm in the Memorial Hall our District Councillor sending his apologies. Planning matters discussed and decisions made were as follows:

- Mr Smith - Fullerton - erection of an extension - recommended for approval subject to meeting the requirements of the North Cornwall Design Guide. This is essential as the property is in a very sensitive area being opposite the Church and lying between groups of traditional Cornish buildings.
- Mr Westlake - Rivendell - work on trees with tpo. Recommended for approval.

Mr Webb, Chairman of the Village Appraisal Steering Group, reported on progress made by the Group. Questionnaires will have been distributed by now and, hopefully, all the answers received ready for analysis and further action.

The three splendid flower baskets in the form of mangers, constructed and donated by Viv Crowle have been securely fixed to the Memorial Hall by Mr Colton-Taylor for the St Breward 2000. The National Trust head gardener at Lanhydrock planted the flowers therein.

Suitable sites have been investigated for the Granite signs (ST BREWARD AD 2000) to be placed at the various entrances to St Breward. Such sites proposed meet the requirements of the Highways Authority, the Parish Council and the Millennium Committee. Mrs Dibb undertook to get permissions where signs would be on Common land.

A letter had been sent to the North Cornwall District Council indicating where Objective One funding could be applied in St Breward.

The footpath 13 from the Church to the school remains a problem due to deep mud. The Environment Agency will report this month and this will lead to proposed courses of action needed. Unfortunately, the County Council has no funds to spare as repairs to the footbridge over the De Lank river has mopped up the budget. The County Council estimated that about £30,000 would be needed to repair this footpath. It is out of the question to spend such money so other approaches to the problem will be necessary.

The next Parish Council meeting will be held in the Memorial Hall at 7 pm on Tuesday. 4th July 2000. As usual, the public are welcome to attend and the Council will listen to any matters that you may wish to raise early in the meeting.

Blisland WI

At our meeting this month it was with sadness that we learned of the death on Monday 19th June of Mrs Eileen Walford.

Mrs Walford took an active part in the village having been our President twice over a period of 13 years. She was also a member of the Parish Council, being its chairman at one time and chairman of the Village Hall Committee. She was a warm and generous person always ready to help anyone. She moved with her husband to France about a year ago but always kept in touch regularly with her friends in Blisland.

It was proposed that we send a donation to Mount Edgecombe Hospice in her memory.

On a lighter note, our President Mrs Gurr had a brief visit in May from Mrs Jean Harvey, the President of our twin club in New Zealand, bringing best wishes from her members. She also brought some brochures of the beautiful area in which she lives.

Next year she hopes to visit again, this time for a longer period so that she can attend one of our meetings. We look forward to this.

Mrs Gurr has kindly offered to host a coffee morning at her house to raise money for the Salvation Army. This is a most worthy organisation who help so many people, particularly in times of crisis, all over the world. This will be on Wednesday 5th July at 10.00am with the usual 'Bring & Buy' and Raffle. All are welcome.

Blisland WI have written to Cornwall Highways Dept. about the junction from the A30 of the first turning to Blisland, asking for the entrance to be widened and better signposted. We have been informed that this has been "identified for potential improvement" at some time. We are anxious that this should be given priority because of its dangers and a letter will be sent to Paul Tyler our local MP.

We also hope to set up a formal petition to be signed by the entire village.

Our 50th Annual Show is to be held on Wednesday 26th July at 7.00pm in the Village Hall – with presentation of prizes by the Rev David Reed at 7.45pm. Programmes can be obtained from the Post Office and Mrs June Runnals. We hope to have as many entrants as possible to make this a really bumper show this year.

Mrs Gurr welcomed our speaker Mr Robert Knowles, Chairman of Cornwall's National Farmers Union, speaking on "Agriculture & the Environment". Born in Derby in 1949, Mr Knowles came to Cornwall with his parents in 1962. Completing his education here, he worked on his father's farm. He is married to a Cornish Girl and has 2 sons – one helping him on the farm. He farms 350 acres, mainly dairy, just outside St Ives.

He is involved in the Environmentally Sensitive Areas Initiative, with his farm being one of the initial six farms in the scheme. Its aims are to preserve the ancient landscape with its smaller fields and hedges and to stop farmers cultivating too many moorland areas.

He spoke of the farming problems of today and the changes that will have to be made. He emphasised that despite the problems more young people are needed in farming who are forward thinking and able to cope with the changes needed to keep agriculture alive in the future.

Mrs Jean Richardson gave a vote of thanks. Our next meeting is on July 19th at 7.15pm. The speaker will be Mr R Tappin who will talk about antiques.

together we can do much.

St Breward AFC & Social Club

The Annual Football Dinner was held at the Poldark Inn on June 2nd. Our guest speaker was Mr Dennis Champion who then went on to present the first team trophies. Winners were: Player of the Year, Dan Parsons who also won the Players' Player; Highest Goal Scorer, Nicky Dowling who also won the Young Player of the Year; Sportsman of the Year, Kevin Hosken.

The Second Team manager had everyone in stitches with his special commentary on the antics of various players. He then presented trophies to Chris Simmonds who won Player of the Year and Player's Player. Steve Simmonds won Young Player of the Year. Highest Goalscorer was Mike Pooley and the Sportsman trophy went to Peter Lobb. Chris Greenaway then thanked everyone concerned for all their help during the past year. Bouquets were presented to Yvonne Davey, Caroline Kay, Madeline Hill, Doreen Kay and Hilary Hodge.

On June 3rd Dinah held her 60th Birthday party at the club. Karaoke was the entertainment when some great singing? Was heard from various guests. Dinah's family provided a marvellous buffet for her and a great time was had by all.

On June 6th approximately 40 members of the church arrived to play skittles, Paddy & Catherine provided the refreshments and a lovely evening was enjoyed by everyone. On June 16th the Gateway Club from Bodmin came for a social Evening. A skittles match took place and Joe was asked to present the prizes. Refreshments were provided by the club with thanks to Madeline for her help.

Football

The football season commences on August 12th. Our First Team Manager this year is Steve Kay who has successfully run the Second Team for a number of years. So good luck from all of us Steve, we know you will do a great job! We are currently looking for a second team manager, so I will report on this next month. Don't forget it takes a lot of hard work to keep the football teams going, so we need all the support we can get. There is a lot more to it than pulling on a pair of football boots on a Saturday afternoon.

We are grateful to people like Barney and Trevor for looking after the balls and to Margaret Sleep for cleaning out the changing rooms every week. Many thanks to Eric Wilson for collecting the gate money and Gary Kay who has marked the pitch every week in all winds and weather. And then there's Phil Yeo and Trevor and Anthony Sleep who mow the pitch. Thanks to everyone who helps in any way to keep it all going every week.

Catch up an the small jobs, Freda!
Football Saturday afternoons will soon be here!!
