By email:

In last months summary of the Parish Council meeting 6th February, the paragraph covering the transfer of monies from the Parish Council to the Playground fundraising committee needs further explanation.
The Parish Council voted for the amount of £4,300 to be transferred for three reasons: 1/ By actually having the money the playground fundraisers can use this as a lever to obtain other matched grants. 2/ The playground fundraising committee can earn a higher rate of interest whilst the money is on deposit (£200 per year) 3/ The money was already allocated to them in any case.
The Parish Clerk quite correctly checked that there would be no VAT issues and it was legally acceptable for public funds to be transferred in this way.
The Parish Council and Parish Clerk remain committed to the view that the playground fundraising group are doing an outstanding job. As a village we are lucky to have them!

St. Breward – 11.10am. Family Communion
Temple – 4.30pm. Holy Communion

Here are the church services over Holy Week and Easter. I hope you can worship either with us or at one of the Chapels. I am sure you will be welcome at any of them.

The idea of Holy Week is go on a spiritual walk with Jesus to new life. The features of Holy Week are these:

Success	(Jesus as the King - Palm Sunday),
Intimacy	(Jesus with friends - Last Supper, & Washing of Feet),
Doubt	(Jesus at prayer - the Garden of Gethsemene)
Betrayal	(Jesus arrested — The Trial),
Suffering	(Jesus dies — Good Friday),
New Life	(Jesus rises from the dead — Easter Day).

They are all things that happen to us in our life, one time or another.

(Continued on page 7)

For more Church News see page 27

(Continued from page 6)

As you experience these moments in your life so you journey with God Himself. God is in the journey. God has given us records of the journey of Jesus. We do well to trace out that journey so as to recognise God in our journey. We travel on our own yet with others. Nobody can walk our journey for us — yet there are many beside us.

Find a time in the week to come and sit in one of the churches on your own with God. And find a time to join with others.

The four churches will open from about 9.00 a.m. every day in Holy Week.

VICAR TURNS WATER INTO WINE:

But please don't drink it, 'cos its likely to taste rather worse than average paint stripper. Any guesses as to what helped this phenomenon to happen, on a postcard please, and a little prize may be yours.

The other Sunday we planted Chilean Glory Vine seeds in little germination containers (that had previously held frozen pies), and look forward to seeing the tiny seedlings turn into lovely climbers with red and yellow lantern -like flowers. I hope the primroses hold on for Easter, so that after our service, or some other time on Good Friday we are able to collect a few bunches together with moss and make a little Easter garden, which can be a visual lesson showing the starkness of the hill of Calvary with its three crosses, and over on the other side the empty tomb decorated with hidden pots containing spring flowers peeping through the moss.

If you are able to help with the decorating we will be delighted to have your companionship and assistance. We usually start at 10.30am on Easter Saturday, have a tea/coffee break and aim to finish by 12 noon.

JAZZ AT THE SHUTTLEW0RTH:

If you enjoy traditional jazz, then come over to Wadebridge, and park on the Camels' Rugby Club car park, opposite, St Petrocs Church, Egloshayle. The Shuttleworth Hall is just behind the church and at 7.40pm on May 27th, the - Churchtown Unity Band will be revving up for a lively and delightful session £3.50 gains you admission, a pasty, or a sarnie or two and tea/coffee. Hope you can make it.

ASCENSION by American poet Eileen Hitchcock

And if I go
while you re still here . . . . .
know that I live on,
vibrating to a different measure
—behind a thin veil you cannot see through.
You will not see me, so you must have faith.
I wait for the time when we can soar together again.
—both aware of each other.
Until then, live your life to its fullest and when you need me,

just whisper my name in your heart,
.....I will be there.

A prayer for our farming community: Lord Jesus, you knew rejection and disappointment. Help all who work on the land to decide what best to do, what next to do. Give them courage and cheerfulness to go the second mile — and then all the miles ahead. Amen. Valerie Jones, Helland

Dear Friends,

Those of you who use Personal Computers will know that the "egg timer" has been given a new lease of life! The egg-timer symbol constantly appears on the screen of the computer monitor telling you that very soon the document you wish to work on will appear in all it's glory on the screen very soon . . . . . .or after an age, if your computer is being slow as mine is at present

Of course those of us who enjoy a properly cooked boiled egg for breakfast may continue to use the original egg timer!

The egg timer tells us that time is passing - time is running out. Currently this is true for my family & I as we come towards the time to move this summer from Cornwall to Gillingham in Dorset where I shall be the Superintendent Minister of the North Dorset Methodist Circuit. In fact the sands of time are flowing even faster than that because from 7th May next I shall be taking the 3 month Sabbatical that the Methodist Church requires of me after 10 years service as a Minister. I thank God and the Church for this gift of time that will be used for refreshment and renewal including an agreed programme of study and consultation on the subject "Leadership in the Methodist Church."

Easter will be with us very soon when we will recall the Crucifixion of Jesus Christ and celebrate that He is Risen from the dead. As he approached the injustice, prejudice, let down and rigged trial in Jerusalem, Jesus spoke the words "the hour has come... to glorify God to give eternal life to all....". For Jesus, on the Cross on Good Friday, the time had come. The time? Not of the finality of darkness and death, but of witnessing God's glorious eternal promises when the first disciples encountered the Risen Jesus. Christians today still celebrate Easter as a time of promise for better things in this mortal life as well as in eternity.

With so much despair and uncertainty for the present and the future all around us in the agricultural community, let us hold up to God in our prayers all our farming friends. Let us pray that the time will soon come when hope and vision for the future return to the countryside ... and that with God's grace we might support and encourage one another during these days made so dark with the awful shadow of foot and mouth.

May you all find renewed hope and assurance this Easter.

Yours sincerely
David Bridge

Helland Village

February and March have been months of gentle progress. .Maria Copin-Noy has turned out much of the accumulated rubbish and broken furniture producing an inventory of the hall's contents. Sam Trethevey organised the Probation Service to redecorate, Iain Cameron a new leaflet that looks helpful and informative, and I have started the ball rolling to carry out repairs to the floor, kitchen windows and hopefully the damp on the front wall.

It has sadly been the end for Mrs Shirley Lobb who has offered her resignation after many, many years, including a stint as chairman. We offer our grateful thanks.

We are now advertising in earnest for users. Fingers crossed that somebody comes forward soon. We have had some enquiries for bookings. Do spread the word or let us know of anyone who might like a brochure.

Has anybody got any plants spare for the window boxes or front garden. If so, please ring Maria on 01208 78762.

Blisland Parish Council

A Parish Council was held on Thursday 8th March 2001.

The following planning applications were received.

1 Erection of lobby/reception area for added security at Blisland CP School. Recommended for approval.

2 Erection of a porch to rear door of Penrose, Blisland. Recommended for approval.

The Cornwall Countryside Concessionary Fares Scheme will introduce half price bus travel for pensioners and the disabled residents of Cornwall from 1st June 2001.

It has not been possible to resolve the problem with the Westcountry Ambulance Service and a request has been made for a representative to attend the next council meeting.

The 3 options for the new form of Governance were received. They are:-

1 Elected Mayor and Cabinet
2 Leader and Cabinet
3 Elected Mayor with Council Manager

It was considered, and reported to NCDC, that option 2 was preferable as the other two options would reduce the effectiveness of the elected councillors.

Maria Edgcumbe has resigned as a councillor. Her contribution over the years has been of great value.

Lion-Hearts

Dandelions have
a militant drive
to survive;

chop-off their heads
before clocks can spread
a parachuting sortie,

and still at dawn
invading the lawn
lion leaves are stalking.

They arise each day
gold cannon display,
in mighty dandy florets;

man's battle is lost
they advance at all cost
nature's hardy army.

The Train

I'm the train all wait for;
  standing
they watch for my arrival,
  and I must not be running late.
My wheels run like clocks
  never wanting to stop;
driving toward the next station,
  a destination that's not mine
I live by a table of time;
  the rails laid down long before
my construction,
  and lead where I can only
follow.

Foot & Mouth

If the outbreak of Foot & Mouth has taught one thing to those who had not given it much thought, it is the importance of home produce from our farmers and our dependence on it.

Before this disease broke out, I was about to organise a meeting of those farmers who would be interested in taking part in a marketing organisation designed to keep local produce into local outlets, minimising 'middlemen' and so maximising return for both parties. The organisation has a name, it is Farm-Aid. Research has been conducted and the necessary approvals have been given. However, it is difficult now to have a

meeting under such a threat as Foot & Mouth just when it is the very time when farmers may need every bit of moral and practical support.

So if any farmer or retailer would like to know more details, or if we can help in another way, then please ring me c/o Moorgoods 01208 850543. Meanwhile, we give publicity to some other useful numbers:

Rural Stress Information Network [Advice & guidance that is available to all those in the countryside]: 024 7641 2916 Open weekdays 8.30 am to 4.30 pm.

Royal Agricultural Benevolent Institution [Financial assistance]: 01865 727 888 Open weekdays 9 am to 5 pm/4.30 pm Fridays

Farm Crisis Network [Practical support from farmers]: 07002 326 326 Open 7 pm to 10 pm daily.

The Samaritans [Emotional help and support]: 08457 909090 Open 24 hours a day.

I have a very informative video entitled 'Help at Hand' giving details of a Rural Stress Action Plan which can be loaned out via Moorgoods, if required.

Very best of luck, Kevin Foster

Yellow Pages

Firstly, we would like to thank everybody who let us have their old copies of the Yellow Pages. We managed to collect a whopping 260! We don't know whether we will win a prize yet, as this goes to the school that collects the most copies per pupil, but we have calculated that we had nearly 4.5 per pupil. Our thanks also go to Christine and Denis for helping with the collection in their shop.

Garden Appeal

After Easter, we are running a garden club for Year 3-6 pupils. It is our intention to plant up the garden area, the plant containers around the school and the hanging baskets, with as much as we possibly can. If you are taking any cuttings, pulling up shrubs and plants that you no longer need or potting on seedlings, please spare us a thought. We would be grateful for any flowers, shrubs and seedlings - ANYTHING that you may be able to spare. Thank you.

Red Nose Day.

On Friday 16th March, some of us dressed in spotted pants and most of us wearing red noses, we went into the playground to see how far we could spread out the coins we had collected for Comic Relief. Hundreds of 1ps, 2ps and a few other coins were put along the lines of the netball court and other play areas. We managed to cover all of the lines and when the total was added up, along with the money raised by the sale of red noses, we had collected a magnificent £190.00. Thank you to everyone who participated in this.

Easter Fayre

On Friday 6th April, from 2pm-4pm, we are holding our Easter Fayre and everyone is welcome. Even if you don't have any children or grandchildren at the school, please come along and support us. There will be a raffle, tombola, cakes, books, tea/coffee and the judging of the 'Easter Hat' competition. We look forward to seeing you!

How Things Grow

Year Two have been looking at the way things grow. Their experiment consisted of planting cress seeds in soil and in sand and then checking to see what happens. Lauren Sleep and Melissa Wortley did these report diaries.

Monday 5th March	It Still hasn't grown yet		

St Breward Parish Council

The St Breward Parish Council met on 6th March at 7pm. District Councillor Jim Kempthorne attended and also a member of the public, Mrs J Champion. Mr Darren Wills was welcomed as the new co-opted member of the Parish Council.

A Cornwall County Council Order, dated 28 February 2001 announced that, to prevent the spread of foot & mouth disease, all footpaths, bridleways and cycleways are to be closed to public access until further notice. Penalty for contravention would be a fine of up to £5,000. The closure does not apply to urban footpaths. The footpath from the Post Office down to Coombe Road was not an urban footpath.

Planning matters discussed were:

- Mr & Mrs Jones - Penrose - Application to construct an entrance into a field. No objections were raised but provision to prevent run off from the field into the road was recommended.
- Mrs Wortley - Bartons Brook - Application to convert an existing stable into a granny flat. No objections were raised.

Mr Lusby presented a paper on 'Village Design Statement'. Quoting from the paper, 'Such a statement will set out the desires of the villagers regarding future development. It will seek to maintain the village's distinctive character and ensure it's local identity. It will need to represent the views of all sections of the community especially the Parish Council as it is a statutory consultative body on planning issues. The VDS group must be independent of the Parish Council. Assuming approval by the local Planning Authority, it will become a Supplementary Planning guidance document.' Costs of production could be up to £2,000.

The questions are: Do we need a VDS?
Will it be cost effective?
Will the PC support a VDS and will it provide any finance?
Has the village appraisal shown a need for a VDS?
Miss Cholmeley and the Chairman said that they would look at the supporting documentation on the VDS and the matter would be raised at the next Village Appraisal meeting in March.

Mrs Champion, on behalf of the children's play equipment fund raising group, thanked the Parish Council for the £4,300 towards the equipment for the two play areas.

Mrs Hanscomb reported on the planting of a number of small trees at Holy Well but we will not be able to appreciate the work until the foot & mouth restrictions are lifted on footpaths.

The County Council had made little progress on resolving the ownership of the three small urban footpaths in the village. The Chairman would chase the matter. Mr Wills offered to have the moss removed from the one which was the subject of complaint.

The next meeting of the Parish Council will take place in the Memorial Hall on 3rd April at 7pm. All members of the village are welcome to attend, to listen or to raise any particular concerns they may have.

St Breward Church News

The Coffee Morning held on 10th March raised a total of £112.48 for church funds. The Sunday Club still raised £17 for their funds. Many thanks to all who contributed.

The Shrove Tuesday Party held on February 27th at the Old Inn was most enjoyable. The pub did us proud with lots of food and pancakes and the quizzes and entertainment were enjoyed by all who attended. Unfortunately the heavy snowfall that night rather cut short the proceedings but it was still a lovely evening.

Thank you to the vicar for organising the event.

ST. BREWARD NEIGHBOURHOOD WATCH

INCIDENTS IN THE LAST MONTH _There has been a group of people in the Tor Down Quarry during the past two weeks. They appear to be young adults and have been causing damage. They were seen Rolling large pieces of granite down slopes at each other and have damaged trees, cutting or tearing off branches to make a fire. After the first report the Police were called on 999 arid two Units attended but were unable to catch anyone. The Police were called again a couple of days later but again were unable to apprehend anybody. The most recent call on 999 was when three Officers came but as they approached the Quarry at the bottom end, the offenders, three young men, were seen running out of the top end of the Quarry.

The Police are still investigating this matter. It is thought that these offenders may be linked to the young sculptor who has a lease from the owners, Pisani Ltd. to carry out granite sculpting there. It is believed that he has been sleeping in the buildings without authority.

There has been considerable damage done to fingers of granite which are protected monuments of archaeological importance, to a number of trees and to the wildlife habitat. Apparently they have dragged nests out of crevices in the rocks and destroyed, them, so that the rare species of wild birds which return to their nesting sites each year will be affected.

A photograph was taken of these miscreants, which when developed should identify them and will be handed to the Police.

The second incident was when a small light-coloured car, possibly a grey Ford Fiesta, was driven round the lawn of a house in the Ladydown area of the Village, on Saturday night, just over two weeks ago. It is believed that the occupants of the car were recognised and further investigations are taking place.

The Committee wishes to thank all of those Members who were involved in reporting these incidents and appeal to anyone else who may be aware of what happened to contact us.

LOOKING BACK OVER THE YEAR

1. Membership has grown from 40 a year ago to 132 now
2. A year ago there were about 22 Deputy Co-ordinators. There are now 17 but all of them are taking an active part in the Scheme. We do however require additional co-ordinators for Penvorder Lane and Claylands.

(Continued on page 34)

(Continued from page 33)

3 A comprehensive booklet was produced and has been issued to all new Members

4. Certificates of Membership are issued to all Members on payment of their subscription. This may be used to enable them to obtain discounts from their Insurance Companies for their House and/or Contents insurance.

5. Every individual Member receives a copy of the Minutes and the monthly Newsletter each month, keeping them fully informed about NHW activities.

1. For the past year Ian has been pushing in every quarter for the return of the Village Bobby. We are delighted to announce that we now have a "Bobby on the Beat', PC. Adrian Hellier. PC. Hellier is based at Bodmin but has responsibility for the outlying Villages. We have already met and had a detailed conversation as to how to improve policing and security in the Village and for us to form a mutually beneficial relationship with the Police. PC. Hellier has already been seen several times in the Village and has supervised the reconstruction of a wall here, by the offenders who had destroyed it

His superior Officers are intending to allocate two additional Police Officers to join PC Hellier in Village policing locally and it is expected that Specials will also be involved. This will, at last, give us the Police presence which we so badly need.
2. Due to the vandalism which has taken place in the Village over the past months NHW would like to install CCTV cameras, probably in the vicinity of the Shop and Post Office, monitoring activity up and down the main road through the Village. We are at present looking into the cost of such an undertaking.
3. Although Membership has grown by more than 200% we still need more Members. There are about 460 dwellings here and our target for the coming year is to make 75% of these members. Please do encourage any non-members to join.

Council tax The new bills will be delivered across the district from 12th March. The average Band D council tax for 2001/02 will be £873.56, a 4.88% increase. NCDC has increased its share by 2.8% which is less than inflation, but although we collect council tax, our share of it only amounts to some 13%. The bulk — around 75% - goes to the County Council to pay for major services like Education, Social Services, Highways, Fire Service etc.

For information here are the increases made by the various authorities who each take a share of council tax:

Cornwall County Council	(75% share)	2001 increase = 5.4%
NCDC	(13% share)	2001 increase 2.8%
Police	(7% share)	2001 increase 5.0%
Town/Parish councils	(average 5% share)	2001 average increase = 2.0%

At the end of March all residents will receive our Local Performance Plan which contains details of how we spend the money, but in the meantime, here is a breakdown of where your council tax goes.

18% refuse collection/litter/recycling
18% housing and housing benefits (but not council housing which is funded by rents and government grants)
15% public health (including public toilets)
14% leisure centres and sport
10% countryside, beaches, parks and museums
8% planning, development and building control
7% electoral services and corporate costs
6% council tax and business rate collection
4% economic development and tourism

Benefit take up campaign launch on 12 March As 36,000 council tax bills drop through letterboxes across the district, NCDC's Customer Services Team is launching a campaign to encourage people to claim council tax benefit.
NCDC officers are convinced that there are lots of people in North Cornwall who are eligible for benefit but don't claim. Changes in the rules for calculating benefit

We were back at our usual venue for February's meeting. Mrs Gurr was in the chair.

A discussion was held regarding whether to continue with the Produce Show, which is usually held in July. It entails a lot of hard work by a few members for very little return. A ballot was taken. Eight members voted against having it and three for continuing. It was decided to discontinue it at least for this year.

The Meningitis Appeal Coffee Morning was held in the Institute on March 3rd. we raised £129. Each year we hope that more parents would attend as this is a most important appeal as meningitis affects many young people.

The date for our Birthday Dinner has been put forward to Wednesday 25th April with the venue still to be decided! We agreed to donate £10 to the County **@*[] Coffee Morning.

Our speaker this month was Miss Cooper who gave us a fascinating talk about life in an abbey. Miss Cooper had several years as a postulant nun in Syon Abbey in Devon – belonging to the Brigidine order. The order was started by Henry V with 12 monks representing the 12 Apostles. They managed to survive the Reformation by escaping to Portugal, but later returned to this country, setting up an abbey in Dorset, and from there to Syon Abbey. Women were received into the order later. It is a closed order, spending most of their time in prayer and meditation, they are self-sufficient, growing their own food and keeping animals.

Our next meeting will be the Annual Meeting on March 21st.

It's Spring Again

Spring blows in with gown of green
Her wind-blown hair a misty dream.
A perfumed essence fills the air
As she weaves flowers in her hair
Upon our brow we feel the kiss
Of this welcome, springtime miss.

St. Breward WI March 13th 2001

The new programmes were distributed to those members present, there is a great variety of speakers & subjects offered during the coming year to tempt us out on a Tuesday evening.

The St. Breward information leaflet is now available so if you hear of a newcomer to the area please ask Mrs June Gant for a copy to take to them, together with a County Newsletter. This will give them lots of useful information about the village. We may even gain a few more members but that is not the main purpose of the leaflet!

Looking a long way ahead, the group convenor, Mrs Muller has asked St Petroc's help with the refreshments at the Family Fun Day at the Royal Cornwall Show Ground on September 15th, arriving at 10.30am to serve coffee at 11am. Mrs. Ann Brenton has offered to be our delegate to the IGM in Cardiff on June 6th, & hopefully will be able to attend the Agenda Conference in April at St. Newlyn East.

Following a query by a member the NFWI said that it is not willing to move the headquarters to a position outside London.
Mrs P Dibb needs to know who would like to visit Tavistock and also David Trewin's workshop on September 14th so that a coach may be booked ahead, replies must be in at the April Meeting. Due to the foot and mouth disease it will not be possible to decide whether or not Caerhayes will be open for our proposed outing on Wednesday, April 11th, until the meeting on the 10th April. If this is cancelled Mrs. M Wilton is agreeable that we hold a craft afternoon 2pm to 4pm at her house to try Australian Cross stitch; the March craft afternoon will he held on March 21st 2pm to 4pm for patchwork and/or quilting.

Our president. Mrs Woolf, reminded members that the refreshments need not be too elaborate, tea and biscuits should suffice.

A mention of the WI library books on the stand being available for only l0p per book per month was made, and that more books may he purchased at the RC Show.

Members then tried their skills at Watercolour Painting for Beginners under the guidance of Anne Holmes and produced some varied and interesting results.

The single flower of the month competition was won by Mrs W Bevan, with Mrs P Dibb second and Mrs I Alexander third; only one potato pattern was entered so Mrs M Wilton was the outright winner.
The speaker for April 10th will be Mr G Kestell talking about Linear Plants for Architectural Effects. the competition is for an Easter card and a Spring Arrangement in a pretty teacup.

Due to the Foot and Mouth crisis and the wet weather, football fixtures are very much up the creek! Hopefully things will improve and remaining games will be played before the season ends. For information on games to be played, phone Doreen on 850030 or Steve on 851346 and we will try to keep you up to date.

Also the Ten Tors Walk has been cancelled on May 13th and will now take place on September 16th.

Don't forget you can use the club for parties, meetings etc. FREE OF CHARGE.

mean that more people than ever now qualify including:

- homeowners
- those with savings up to £1 6,0000
- those in full or part-time work
- the self-employed

Posters and leaflets publicising the campaign have been distributed to shops, post offices, libraries and community centres across North Cornwall. There is no need to be worried about filling in complicated forms as staff can help with this either over the phone or by a home visit.

Currently 25% of NCDC council tax payers claim benefit. We will be carefully monitoring the response to the campaign to evaluate its success. Information about benefits is available from contact Customer Services on 01208 893390 or 893391. From Mondays to Fridays you can phone free from area council offices in Bude, Camelford and Launceston.

Dogs on beaches ban for 2002 I must apologise for giving the misleading impression in last month's Briefing that the decision on the summer beach bans for 2002 was done and dusted. This was wrong and totally my mistake. Councillors have stated their preference which is as reported (ie to extend the ban to Daymer, Trebarwith and Treyarnon in 2002) but NCDC will be undertaking a public consultation exercise on the issue this year to find out what residents and others think of the proposals. Advertisements will be placed in the local press but at the time of writing no dates for the consultation exercise have yet been set. Environmental Health Officer, Paul Williams (01208) 893521 will be dealing with this
