No Job Too Small

Editorial

'Better late than never' as my mother is fond of saying.

I would like to draw your attention to the plea for help from St Breward Pre-school on page 18. They must have a suitably qualified leader otherwise they will lose funding and become a 'Mother & Toddler' group. They will almost certainly lose children to other village playgroups, with the possibility that these children will go on to school in that village. This will damage the long term viability of our village school. Fight Bureaucracy. Write to your MP or Councillor. Support our playgroup DPL

Those Hot Summer Days.....

Summertime...and the living is easy.
Fish are jumping, and the cotton is high.
Your daddy's rich... And your mamma's good-looking'
So hush little baby, don't you cry.

One of these days you're gonna wake up singing
Then you'll spread your wings and you'll take to the sky
But until that morning there's a'nothing can harm you
With your daddy and mammy standing by.

This beautiful little lullaby, sung by Clara to her baby, provides the opening scene of George Gershwin's jazz opera, *Porgy & Bess*. The opera is based on a novel by DuBose Heyward. It was premiered at the Alvin Theatre, New York, 10th October 1935. The music and the words are quite outstanding – get a recording and listen to it!

But the plot is violent and controversial. It is set in Catfish Row, a little fishing community in South Carolina. The action centres around the love between Porgy, who is a cripple and a beggar, and Bess who is married to a violent gambler; and around every corner we find Sporting Life, the unscrupulous drug dealer, always looking to sell his "happy dust". There is a hurricane which reflects the stormy lives of this little community.

Just how typical was the picture of poor black communities of the deep south is difficult to say. It is only a story, like *Neighbours* or *East Enders!* What we can say is that there is gentleness, jealousy, revenge, forgiveness, kindness, goodness and badness in all communities. A novel tries to condense all our human activities so we can enter into them and with music that experience is intensified. It is important to imagine what other communities are like and we need to ponder upon the nature of our own community.

There has been rather a lot of bad news about communities recently – Bolton and Burnley have seen rioting on a dangerous level. There are throughout the United Kingdom many deprived communities, where

unemployment is high and Sporting Life would find no shortage of customers for his "happy dust". Where that deprivation is colour coded other kinds of prejudice rear their ugly head. We are not immune from such prejudice here in Cornwall. Just in the last 12 months there have been two particularly nasty racial incidents in St. Austell.

I hope and pray that after 2,000 years of Christianity we might learn some new ways, or relearn the "Old Time Religion". The crippled beggar, Porgy, commends his philosophy of life:

> I got plenty of nothing – and nothing's plenty for me
> I got no car, got no mule, I got no misery,
> The folks with plenty of plenty,
> Got a lock on the door, afraid somebody's up gonna rob them
> While they're out making more – what for? .....
>
> I got plenty of nothing – and nothing's plenty for me
> I got my gal, got my song, got heaven the whole day long
> No use complaining, got my gal, got my Lord.

(Derek Carrivick, June 2001)

St Breward Parish Church

The Coffee Morning held on 16th June raised £139.31 for church with the Sunday Club stall making a profit of £17 for their funds. Thank you to everybody who helped raise this amount.

Letters

I would like to thank everyone involved in my "retiring from Churchwarden" party. It was a wonderful surprise and everyone from the church, including the Bell ringers where there. Many thanks also for my presents, which will keep me, occupied in the garden instead of the church.

I have enjoyed being a churchwarden and have learnt a lot from the six vicars I've worked with. I could never have carried on without firstly Cyril Greenaway (Joey's husband), Charles Hawken and of course Paddy McShee. In each case we worked as a team. I wish Peter Glaser all the best and will help if a "relief" is needed.

I would also like to thank Deanne Kendal who made a fantastic cake, decorated with all the churchwarden's jobs in panels round the sides.

Lastly thank you Derek, Penny and Ben for having the party at the rectory. I know what an upheaval that must have caused and you were all so welcoming.

It was great to have a party with no goodbyes! Thank you.

Sue Hutton

WANTED: Back editions of Parish Magazine

Paddy Powell would like the following editions of this magazine to complete her collection.

October 90, November 91 and October 1980.

On behalf of the local N.F.U.

I would to thank Paddy Powell, because of the foot and mouth disease she very kindly decided to cancel her popular annual Garden open day. It cannot have been an easy decision and her thoughts were much appreciated.

She did how ever decide to hold a plant sale at the Village Hall this year and to donate the takings to the Royal Agricultural Benevolent Institute (R.A.B.I). She felt that she wanted to do something to help the farming community during the foot and mouth crisis.

The two-day sale raised a staggering £3854, which she sent to R.A.B.I. asking for as much of it as possible to stay in the Southwest.

R.A.B.I. have told me that the amount raised was one third of Cornwall's total for all donations during the previous year.

The Government has agreed that they will match any money raised by R.A.B.I. so in fact the effort raised £7708. Thank you again to Paddy and all those that helped with the sale.

Thank you,
Steve Nankivell.

The man who makes a mistake re-affirms his membership of the world's oldest fraternity.

	Blisland	**St Breward**	**Helland**
Senior Steward	Mr ET Ham 850691	Mr R Hoskin 851445	Mr R Wills 72698
Treasurer	Mrs W Gurr 850119	Mrs J Teague 850342	Mrs J Matthews 821261

Dear Friends;

As I write these words of greeting and encouragement to you I am aware of various uncertainties of life. The news is presently full of reports from distinguished people who talk of uncertainty. Politicians before the election for instance. This month will see a new government in parliament. Some of us will be pleased and some will be disappointed. Whichever view you and I hold, there will remain much uncertainty. My newspaper reports yet again of the "vision" of our retiring Chairman of the District that the Methodist Church may need to die and become united again with the Church of England to become the Church of Christ in Cornwall. Some of us will be pleased and some of us will not. There is as you see much uncertainty in life. BUT:

How pleased I am that in the midst of all this uncertainty under the direction of people there is so much that is certain under the direction of our God. The seasons are certain.(Genesis 8 v 22.)

His salvation is certain. (John 3 v 16) His presence is certain. (Hebrews 13 v 5) His coming again is certain. (John 14 v 3)

Governments will come and go. Church constitutions will change. BUT God will never change. His church is secure in His hands and in faith we can trust Him for the future. The people of God is the Church of Christ whatever brand or colour. We must continue to work in unity with all Christians for the glory of God and His kingdom. That is a kingdom that will never change its government and will never pass away. Be encouraged and live in that certainty.

Yours Sincerely
Brian

Contentment is not the fulfilment of what you want, but the realisation of how much you already have.

Dave "Two Sierras" Hill (Apologies to John '2 Jags' Prescott!

Dave Hill drove home in his faithful old car.
It was always a comfortable ride,
But he came around the corner, up the hill
And the poor car just laid down and died.

Dave got his mate to look at the car,
The last rites were soon swiftly given.
The engine was dead, not even a flicker
No longer now could it be driven.

So Dave buys another – Sierra of course
And all goes well for a while.
Then the car starts to smoke and sound like a wreck,
And David soon loses his smile.

He jumps up and down and stamps his feet,
Then demands the return of his money.
This car is worse that the one it replaced
Which he doesn't find very funny.

After much cursing and scratching of heads,
It's discovered the problem is fuel,
Filling with diesel instead of unleaded
Is a bad idea as a rule!

You see Dave took the fuel from the first "dead Ford"
And put it in the new car,
And as we all know, within a few days,
The car wouldn't go very far!

Moral of Story" When filling your car
Be sure of the fuel that it takes
Because getting it wrong, as Dave will confirm
Is one of life's costly mistakes!

TWO SCHEMES YOU MAY BE INTERESTED TO KNOW ABOUT.

NCDC DOG REGISTRATION.

This scheme is administered by the Environmental Health Dept., Wadebridge, (Tel.893333). It costs £1 only to register your dog (for life) by simply filling in a form. You will receive a yellow disc to attach to the dog's collar which will have your dog's unique number, as well as the NCDC telephone number. SO if your dog should stray:

1. Anyone finding it can call the office and you will be reunited, and
2. Should the Dog Warden pick up your dog you will be able to retrieve it without paying the usual £50 fee.

£1 well spent, I think you will agree.

NCDC CONCESSIONARY PARKING PASS.

For an annual fee — currently £100 — you receive a car park pass which entitles you to park at no further charge (so no hunting for the correct money) in at least one of the car parks in N. Cornwall towns. For example — Bodmin: Berrycombe Road, or at the rear of Fore St., Wadebridge: next to the Job Centre (near Lidl), Boscastle, Bude: The Wharf, or the Riverside, Port Isaac etc. Unfortunately at present the scheme only runs from April to April, so to get maximum benefit you need to apply then — so remember next year.

This scheme is also administered from NCDC in Wadebridge, so again the phone number is 893333 — I am sure they will be pleased to give you further details.

BLISLAND VILLAGE HALL

The Committee would like to thank all those that completed our questionnaire. We have gained some very useful information which we hope to follow up. There has been a big response to Arts & Crafts -------- but which ones? We would be very pleased to get some response to this question either by putting a note in the post office or phoning Bill Pope on 850338 or Shirley Runnalls on 851240. Also anyone who is prepared to help with any of the activities or crafts who did not put their name or telephone number down on the questionnaire. We are hoping to try and organise some activities shortly.

We have had a surveyor to look at the hall which was satisfactory and as soon as his report comes through an architect will also be looking at it and to draw up plans for improvements which will hopefully be approved for various grants. Peoples answers to the questions as to the refurbishment of the hall will be taken into consideration as to the first priorities.

Shirley Runnalls

Public Footpaths

If you attempt some of our public footpaths , especially those through the valley bottoms you will find them quite overgrown in places. Our Parish Councils have appointed contractors to keep the paths clear, but they, like the rest of us have been unable to go on the footpaths before Friday 6th July.

So please be patient, the public footpaths will be pared as soon as possible. You can always carry a pair of secutors to cut away any bad brambles yourself.

Hard work can unlock the door to almost any goal.

Mrs P. Powell
Rose Cottage
De Lank
St Breward
Bodmin
Cornwall

Dear Mrs Powell

PLANT SALE

John Webb has drawn to my attention your wonderful achievement in raising £3,854.25 for the R.A.B.I at your Plant Sale at St Breward in May. On behalf of the farming community, both in Cornwall and the wider South West, can I offer you our most sincere thanks and appreciation. You might like to know that the R.A.B.I has so far made donations totalling over £6,000,000 as a result of the Foot and Mouth crisis, so the funds which you have raised will be as welcome as they are greatly appreciated.

With many thanks again,

Yours sincerely,

Anthony Gibson
Regional Director.

St Breward Primary School

A review of June On a dull, grey, \Wednesday, some of the children of Years 3,4,5 and 6, boarded the coach heading for Porthpean Camp, hoping for an improvement in the weather. During the course of the next three days, the weather became irrelevant, as there was so much to do, it didn't matter whether it rained or not! (And it did!)

Having arrived at camp and settled in, the children walked to Charlestown and then went back to camp where a storyteller entertained them that evening. Katie and Keyen were singled out to be 'Cornish Piskies' in the stories and Kelly was singled out for talking!!

Next day saw the children heading for the beach to try their hand at waterspouts. However, the sea became so rough and wild that they went back to camp to play other games, instead. That night, there was an eagerly awaited and very loud disco and our, by now very tired, intrepid bunch of campers, danced and boogied through the evening. Mrs King was overhead to say that she admired the dancing talents of Mr Brewer and Mrs Brewer came down that evening, to join in the revelry.

Friday saw the return of the campers, exhausted, exhilarated and damp around the ears. Most of them had enjoyed themselves thoroughly, although one or two found it hard to keep up the pace!! Here are a few comments from the children: "Amazing!" "Very exciting — I nearly drowned!" "Brilliant and loads of fun!" "I hated it!" "Excellent, would love to go again!" "Marvellous!"

Teddy Bears Picnic at the Eden Project Years 1,2 and the children in the Reception group, went to the Eden Project for a Teddy Bears Picnic. The weather was gorgeous and the teddies, very excited! Once there, the teddies went into hiding and the children had to follow a series of clues to find them again. Once reunited, a happy lunch followed and then it was time to look around the biomes. Boys. girls and bears agreed that it was a brilliant day.

Collection of Yellow Pages As you will probably know, we collected magnificent 240 copies of the Yellow Pages and, although we didn't win a prize, we have been Highly Commended by Cornwall County Council and the Environment Agency for our contribution towards recycling. 'He will be trying even harder next year, so if you come across any copies of the Yellow Pages, please let us have them at school and we will keep them for next year.

And finally.... We will be holding an Exhibition of Work, along with a Rounders Challenge and Barbecue on Thursday 19th July from 5pm to 7pm. Everyone is welcome and we are looking forward to showing off our new improvements to the school. The builders have been busy putting in new windows to Class 3 and Class I have had a new door put in to give access to the front area of the playground. Please come and support us on this evening, we would love to see you.

A Credit Union for North Cornwall?

I am Ann Mold and I am presently working with the Cornish Credit Union Development Project to see whether there is support for a Credit Union in the North Cornwall area. We will be undertaking a Feasibility Study, which aims to ascertain whether a Credit Union (or another related organisation) is needed (or wanted) by local people in North Cornwall.

Credit Unions are not-for-profit financial co-operatives, which are sometimes known as community banks. Members save with the Credit Union, thus creating a pool of money that can be used by members to borrow an amount related to their individual savings. The idea is to provide a locally based savings and loans service which:

- Enables people to save, as little or as much as they want on a regular basis.
- enables people to borrow up to three times their savings at a rate of 1% per month. This means that a loan of £100 aid back over 1 year would cost a total of £6.50 in interest.
- aims to produce a surplus so that members can get a dividend (return) on their savings, so that members directly benefit by the success of the Credit Union.
- retains and re-circulates money in the Cornish economy contributing to regeneration

Credit Unions are supervised by the Financial Services Authority, and can be useful to people from all walks of life. Significantly, they are organisations that are run in order to provide a useful service, rather than being run, in order to simply make a profit.

Over the next three months we will be talking to people on the telephone, running focus groups, attending as many meetings as we can, and providing questionnaires for people to complete.

If you would like to be involved in this process please call Mary McArthur at the Cornish Credit Union Development Project (01872 262916) or myself at 01598 753747. Alternatively you can send me an e-mail on annmold©changebvchoice.co.uk.

St Breward Parish Council

The St Breward Parish Council met on Monday 18 June at 7pm. Jon Webb, in his role of Treasurer of the St Breward Village Hall and Mrs Webb also attended.

From Friday 6th July at 9.00am all foot & Mouth restrictions have been lifted. Farmers can obtain permission to keep closed public footpaths through their farmyards, but only for a 3-month period only.

Jon Webb had asked the Parish Council for a donation of £300 to seed an application for a grant for new furniture for the Hall. Support from the Parish Council and the Hall Committee would attract a grant from the North Cornwall District Council. The matter was urgent as some classes are scheduled to start in the autumn. £100 was voted last month and, as there were sufficient funds in hand, a further £200 was voted this month towards this furniture.

Mark Colton-Taylor and his helper were thanked for re-installing the newly planted and very heavy flower baskets on the Memorial Hall. The Council also wanted to thank Mr Ellery who had been the Council's Footpath Officer for several years for doing a first class job. The Council has co-opted a new volunteer Footpath Officer, Mr Paddy McShee. The work involves a regular check of all of the St Breward footpaths to see that the hedges are pruned and reporting to the Council any problems.

Enquiries had been made to the District Council about the possibility of siting a mountain bike track either on the Old Coal Yard or above the industrial units in Chyrin Drive. Negligible response had been received. Other problems included refuse bags whose contents are dispersed by animals and the necessity for the public toilets to be kept clean. These matters will be chased this month.

The Cornwall County Council have asked for consultation by the Parish Council on the revised Deposit Draft of the Waste Local Plan. This is the scheme in which Cornwall's household refuse would be burned to make power in the Roche area. Cornwall County Council aims to adopt this plan in the spring of 2002. Comments are needed by the end of July this year.

The next Parish Council Meeting will be held in the Memorial Hall at 7pm on Tuesday 3rd July 2001. Members of the public are welcome to attend, to listen or to raise matters of public concern.

ST BREWARD NEIGHBOURHOOD WATCH

Following last months report that Kevin Foster was hopeful of finding a coordinator for Penvorder Lane we are extremely glad to announce that Elaine Sutton has agreed to take on this task. Thank you Elaine!!

Membership

There are still a number of members who have not paid this year subscription. It would be appreciated if this could be completed during July, even if only to eliminate this item from the newsletter! Any members who do not wish to renew should either let their coordinator know or inform one of the committee members. Thank you.

Incidents

After a month with no incidents reported we seem to be aiming for a new record. A total of 5 incidents were reported to the police this month and a further 2 occurred but were not reported.

Over £1000 worth of damage was done to playground equipment at the school.

A business sign outside Moorgoods was removed from its mounting and destroyed.

A motor vehicle was damaged in the Rylands area.

Two further incidents reported to the police are being investigated but no details are available yet.

The unreported incidents involved a "For Sale" sign being relocated to a neighbouring garden and a farm trailer being moved to the middle of the road and left there, in the Churchtown area.

We have been informed by the local police that some members of the local community are being watched very closely in connection with drug related offences. Apparently drugs such as cannabis are being used within the village and being offered for sale to local youngsters. If any body has any further information on this subject please contact Bodmin police with the details. You may call anonymously.

Miscellaneous Items

The local police force are planning to visit St Breward with their "roadshow" at a date to be confirmed later. They will hopefully be located in the vicinity of the Post Office and St Breward Stores on a Monday morning. The idea

(Continued on page 34)

Biased Refereeing at Carnival Skittles

Viv Crowle was celebrating scoring a strike (all nine pins down with one ball) when Referee, Paddy McShee adjudged his toes to be in front of the line and disallowed it. After numerous appeals his decision stood. Paddy was later heard to say that Viv Crowle needed 'cutting down a bit'.

Viv Crowle is reported to have said that he will not take part next year unless there is a Video Referee similar to what they have in rugby. A representative of St Brewa:d AFC said that their security cameras had acted as a video referee and the video of the incident clearly shows that Viv was unfairly denied his strike.

Reporting by 'Carnival Queen'

(Continued from page 33) ST BREWARD NEIGHBOURHOOD WATCH

is that any body can call in to see them and pass on information, ask questions, make complaints or give suggestions for improving the security in and around the St Breward area. More details will be made available later.

We are looking at various ways to improve and provide some activities for the young people of the village. Kevin Foster is currently working on a questionnaire to be completed by all young people in the village giving their views of any existing facilities and hopefully suggesting new activities/facilities they would be interested in. If we have a good response to the questionnaire we will try and arrange follow-up meetings with the local youth to push for resources and possibly funding for new entertainment and leisure facilities, either within the village or close by. Some items, such as availability of farmland, Tordown quarry and Wenford drier being used for youth activities are already being considered. Any members who can provide input on this please let either Kevin or Dave know.

Band Heads For Hectic Summer Ahead.

Summer concerts are now in full swing around North Cornwall for St Breward Band, as is their new marketing ploy, namely yellow stickers depicting in bold black lettering "I've heard the band blow off", this giving great amusement to all who have had a sticker planted on their person after making a donation of appreciation in the collecting box.

A further unexpected development on the sticker front being members of the band reporting sticker sightings whilst out and about the county. At the time of this editorial, stickers have been sighted at a garage in St Austell, a store in Truro, Harlyn Sands, Trevose Head, Padstow, Wadebridge, and across the county into Plymouth.

Sales of the bands recently released 18 track CD "Centenary Celebrations" is proving very popular at concerts, and selling fast. Several advanced orders have been posted up country, and across the great pond to America.

Copies may be purchased at the village shop, or by telephoning 01208 851203.

The fundraising committee are putting the final touches together for the band's ever popular and major fund raising event "Gala Day" to be held at Wenford Pottery on Sunday the 5th of August. It's an all day fun event for all the family. Now that the breading season is virtually over, competing racing ducks are in strict training for the ever popular duck race, a repeat fun attraction by popular request. There will be several heats, followed by a grand final race, this possibly over the jumps but to be decided by Robin the ducks trainer on the day. Cash prizes to be awarded to the 1st, 2nd,and 3rd winning ducks of the heats, and of course the Grand Final Race.

Advance duck tickets may be purchased by telephoning 01208 851370.

Dudley Sleep who died on Tuesday 22nd May 2001 aged 51 years

The weather was glorious the Tuesday afternoon we buried Dudley Sleep. The church was filled with his family and friends; many of his old workmates from the quarry and villagers paying their respects.

It was cool in the church and as we sang 'The Lord's My Shepherd' and when the vicar touched on aspects of Dudley's too short a life. How he was the youngest of 7 children, born with poor health; operations when he was 2 and 11, when he spent 8 months in a Plymouth hospital; leaving school at 15, determined to lead a full and useful life; working first as a gardener and then in the quarries finishing as canteen supervisor at Hantergantick; being made redundant in the early 90's; playing darts for the Old Inn; helping to raise funds for the football club; his great love of animals, especially stray cats; his gentle nature . . .

I got to thinking about the times I had met Dudley on his visits to the shop and how I'd josh him about the number of cats he must have been looking after, in view of the number of tins of cat food he was buying. He told me of Buster coming for lunch at the same time every day and about working for Charlie Lewis on the doctor's surgery. About how Charlie, impatient with their cautious removal of stone from the rear wall for a new door, went mad with a sledge hammer and nearly brought the whole lot down. I often wondered why part of the rear wall was newly rendered. In the early years (we have just completed 7 years in St Breward) we would have long conversations, so long in fact that once Dudley got all the way home before remembering that he hadn't paid for his 2 bags of groceries. He was on the phone before I noticed. On another occasion he insisted on paying before we started yarning and then went home leaving his shopping behind – I had to deliver it.

In the last few years his health got worse and he often phoned for groceries to be delivered. I'd leave it up, but seldom stopped to pass the time of day, always with the excuse of too much to do; too busy to stop.

As I listened to the vicar's words I knew that I had let the hustle & bustle of daily life blind me from what is really important in life, in village life. It is our neighbours who are important. We might fall out or be irritated by some of their behaviour, but if they need help we should be there to give it. We should mak time for them.

Dudley I am sorry I didn't take more time to listen to you. Holly did; she always barked when she saw you coming and wagged her tail when you made a fuss.

Run by the world's longest serving family in the Fish & Chip Trade who entered the industry in 1879.

St. Breward WI. June 12th 2001

A variety of members cakes raised £32.45 for our own funds at our June meeting and in view of the good result there will be another cake stall at the July 10th meeting. Mrs C Woolf, chairman, welcomed a visitor, Mrs Linda Burdon to the meeting, whom some people knew already from her previous institute. No one volunteered to take over as group convenor from Mrs Muller this year.

Our next charity event will be the Macmillan Coffee Morning in the autumn, although the Lunch for Life in aid of the Stroke Association on August 14th at Rose Cottage is always well supported by our members.

Mrs G Daws gave her report about the Spring Council Meeting at Hendra. County House has been sold and a new one will be built north of Truro: in the meantime CFWI will have the use of the basement only so events and classes will be spread around the County. CFWI income will lessen so St Breward have decided to support CFWI in preference to National. The title VCO has now been changed to WI Advisors. there will be an exhibition of the 2000 Diaries produced by the institutes at the end of August at County House; St. Breward like others was awarded a certificate for their work.

There will be a craft afternoon at Mrs M Wilton's home on July 18th to continue items or learn new crafts. The St Petroc's Group Meeting hosted by Bodmin will he on October 18th, a quick list of the competitions is a chocolate cake, artificial flowers and an A4 watercolour (details later). At the Memorial Hall there will be two classes, firstly Liz Gregory will show and instruct us how to make collage pictures using watercolour and leaves (I have heard very good reports of this from Looe Art Society), this will be on Friday 26th at 10am till 2pm. Later on Friday November 23rd at 10am Anne Holmes will give a further session of watercolour painting for beginners.

As time was then getting on the report by Mrs A Welton about the IGM at Cardiff was postponed until next month.

A return visit was made by Mrs. Dodds who spoke about Mediaeval Houses recently, and this time her subjects were the Stone, Wood and Glass Imagery of Mediaeval Cornwall. This was a very wide reaching area well shown by dozens of slides with a knowledgeable commentary by Mrs. Dodds, who sometimes showed slides of places which we should have recognised, such St. Breward church and Bodmin church and bench ends. A huge 14 foot wooden memorial of 1623 had been repainted to show people just how colourful some of the old workmanship was, and how some of the carvings had been done as copies of alabaster statues shown in the old books, sometimes with odd results!

Yorkshire Tea had sponsored Institutes with free packs of tea for members, also a

(Continued on page 42)

St Breward AFC & Social Club

This year we held our Annual Dinner at Trethorne, seventy four people attended and had a wonderful 3 course dinner. Trophies were presented to Players of the Year, Ian Marshall and Craig Keat. Players' Player were Steve Simmonds and Craig Keat; highest Goal Scorers, Adrian Jeffs and Luke Dingle. Sportsman of the Year, Adrian Burnett and Dean Hill. Everyone thoroughly enjoyed the evening.

During May & June the following fund-raising evenings were held; the Play-Areas committee raised approx. £280; St Tudy boys football organised by Martin Kay raised in the region of £300; a skittles event by Paddy McShee raised £133 for Carnival funds. The Football club provided refreshments. On June 17th the MS Society had their annual social event. Forty people enjoyed a meal of chicken & chips which was catered for by Doreen Kay and Barbara Marshall.

The football season begins again on August 11th for the East Cornwall side. Joint managers this year are Phil Bennett and Paul Greenaway. Steve is manager of the Duchy side ans we would like to wish them all the very best for the coming season. It is not an easy job to undertake and we are grateful to them for keeping two teams together. We have got a great bunch of local lads, who are very good footballers, so why not come up to Brake Parc on Saturday afternoons and see for yourself.

(Ball boy Barney is already in training!!!) Doreen Kay, Secretary
In training for what? Ed.

(Continued from page 41)
large bag of ground coffee, which was raffled.

Three members had bravely entered the competition to fill a Swan Vestas matchbox with 26 items, one for each letter of the alphabet; Mrs Welton was first, with Mrs Beavan second and Mrs Dibb third. The flowers submitted were really beautiful this month: Mrs Wilton was first, Mrs Crowle second and Mrs Welton third.

The speaker at the July 10th evening will he Ysobel - Once upon a Poem; the competition a poem up to eight lines entitled "Summertime ", and a flower arrangement of three blooms and foliage.
We look forward to a procession of cake-bearing members on that evening.
