Letters

You all know who you are!!

Many thanks indeed for the leaving collection that was presented to us on our departure.

Our short stay in St Breward has been a memorable and happy one and we are pleased to say that we have made some interesting and wonderful friends.

Many thanks and best wishes.
Nigel & Kathleen Cox

Editorial

I make no apology for the almost total St Breward content in this edition.

I continually ask for material from Blisland and Helland. It is not difficult to get the copy to me either by letter, email—give it to Sandra Matthews, Blisland or Paul Jackson Helland or leave it in the shop. It can be small articles or reports, jokes—anything.

Does nothing happen in Blisland or Helland? Why does it all seem to happen in St Breward.

I feel we should change the name of your magazine to "St Breward Community Magazine" for all the input I receive from the other villages.

Yesterday (24th May) was the commemorative day of John and Charles Wesley, eighteenth century preachers. Today (25th May) is the feast day of the Venerable Bede, monk of Jarrow who wrote an eighth century History of England. We remember special people who have made an impact on their times. Just like our own Queen whose Jubilee comes in a few days.

Yet Jarrow is a reminder that perhaps it is not kings and queens, preachers and monks who make up real history. On November 1st 1936, 200 men marched the 300 miles from Jarrow to London in protest about the high level of unemployment. In our history books we read about the famous ones — about the battles they fought and the treaties they signed. But there are millions of unwritten histories of the ordinary men and women who lived in this world.

If we assume on average about 1000 people have lived around St. Breward, Blisland and Helland at any one time and there are 3 generations per century, then since Jesus walked on this earth there have been 60,000 human beings in these parts. They could have told their story. They did not simply live and die. They loved, they hated, they brought up families, they worked the land, they looked at the stars and they thought about life and what it meant. All of them had their own personal history.

So when you celebrate the Jubilee next week think of all the things you have done over the last 50 years. Think of your families, your work, your disappointments, your joys, your beliefs. And as you look forward think about the next generation — what the world might be like and what you hope for. We all have our own history and it is important.

If you live in St. Breward there is a request by the Jubilee Committee to get out some old 50's photos. They should be interesting.

Coffee Morning

On Saturday 22nd June
At 10.30 – 11.30am
In the Band Room
All Welcome

Flower Festival in aid of the roof. Will be held in the church on 14th – 17th June

Advance Notice: Annual Church Fete will be on Saturday 13th July in the Village Hall

The coffee Morning held on April 20th raised £179.54 with the Sunday Club stall raising £33.70. The Coffee Morning held on May 18th raised £105.00, which went towards the fund for the flower festival (See above). Many thanks to everyone who donated prizes, helped or who just came along to spend their money.

On Wednesday 15th May a Quiz night was held at the Football Club in aid of the Church Restoration Fund. The nine teams that competed had a fun evening but competition was fierce with the lead changing many times. In the end 'Esme's Angels' were the winners with 'Low IQs' taking the booby prize. A profit of £98 was made. Once again we thank all those who came along and especially to John & Julie Arnold who were the quizmaster and adjudicator. Also to Joe & Doreen for making us welcome in the Football Club.

On Sunday May 12th, three days after Ascension Day a crowd of over 100 people climbed to the top of Roughtor for a service of celebration led by Bishop Bill Ind of Truro. Organised by the Rev'd Derek Carrivick of St Breward and Rev'd Brin Berriman of Camelford, it was a wonderfully uplifting afternoon. St Breward Band played the hymns to which young and old sang. With the help of a trailer and Landrovers the band and their instruments were transported to the top without losing their wind. The afternoon was finished off by a cream tea at Roughtor Farm (Highly recommended).

Dear Friends

How good it is when Christians from different church traditions come together in a united effort to share the good news of the gospel. Many times in the past we have looked at each other with a feeling of suspicion. We have been afraid that working together would lead" us" (whoever "us" was); into compromising our particular "brand" of the gospel message.

Praise God, we are now waking up to the fact that we are all inspired and empowered by the same Holy Spirit. We all received of the Spirit by faith in the same Lord Jesus Christ. As Paul says(Eph.4 v 4) there is one body (the church) and one Spirit. And so even though we may have different ministries under God, we are never the less, one in Christ Jesus.

One of the current opportunities we have to express our unity is through the Churches Tent at the Royal Cornwall Show (June 6-8).

Locally, we shall have the joy of witnessing together for the Jubilee Celebration on Monday June 3rd and also, worshipping together in a Songs of Praise to begin the Carnival Week on Sunday July 14th at 6pm. I hope we will continue to explore further opportunities to share the love of Christ together.

Yours Sincerely; Pastor Brian.

Blisland Methodist Church

I thank all who came and supported our annual Spring Sale held in the Village Hall on Saturday May 4th. Through the efforts and time given, a special thank you to church members and helpers who worked so hard to sell on the various stalls and who also prepared the light lunches which were enjoyed by all.

A total of £394.20 was raised for church funds.

Summers' Tiramisu:

1 7 oz or 200g fromage frais
18 sponge fingers or some halved trifle sponges
½ pint strong black coffee
150g or 5½ oz Quark cheese or cottage cheese
l¾oz icing sugar
1 teaspoon vanilla essence
loz cocoa
loz dark chocolate finely grated
Some favourite spirit (optional)

1) Line a 11b loaf tin with Clingfilm. Place a layer of sponge in the bottom, having first soaked it in the' coffee. Drizzle with spirit.
2) Beat: half the fromage frais with the Quark or cottage cheese. If using cottage cheese it must be drained and smoothed, either with the steel blade in a mixer or sieved. Add the vanilla and icing sugar and mix.
3) Spread half of the cheese mixture over the sponge and sprinkle with a little cocoa.
4) Put in another layer of coffee soaked sponge and drizzle with spirit. Spread with remaining cheese mixture and sprinkle with cocoa.
5) Top with sponge soaked with coffee, cover with Clingfilm and chill for at least one hour or overnight. Turn out on a plate, remove cling-film and spread with remaining fromage frais. Sprinkle with grated chocolate and ENJOY.

A PERFECT DAY: ASCENSION DAY AT ROUGHTOR

No blisters, corns still comfortable and a rosy glow on our faces; quite a bonus for a very memorable walk on Sunday afternoon. We set out just before 1 pm and munched our picnics a third of the way to the top. Marilyn very kindly insisted on carrying my bag (even though she had quite some gear to carry herself, including refreshing lollies for the many youngsters who came along), so that I had both hands free to prevent any stumbling over some of the awkwardly shaped rocks. A crowd of well over 100 included the St Breward Band who gave us some resounding accompaniment and made all the difference to our worship. It was delightful to see families and young and old all enjoying such a very special occasion. Mr Greenaway very kindly brought his tractor and trailer all the way from St Breward so that those who wouldn't otherwise have been able to clamber to the top had a comfortable ride with some straw bales.

The weather couldn't have been better, lovely sunshine and a stiff breeze to keep us from overheating. Bishop Bill, Derek and Brin from Camelford led a stirring service. It was more meaningful than usual to sing "For the beauty of the earth ... Lord of all to thee we raise this our grateful song of praise" while viewing the glorious scenery from that height, the sea, Bude, the reservoir, Brown Willy and the farms. Prayers were said for Cornwall and all round the world, from points north, south, east and west. The Bishop challenged us to step out in faith, quoting an Irish porter at a railway station who had told Peter Ustinov "Follow me, I'm right behind you", because our God could do just that, be ahead, alongside and behind us, loving and caring for us and those yet to become his friends and followers.

Gordon Banks of the Church Army provided much appreciated tea and coffee and there was scrumptious cake and a birthday party for Marie who celebrated her 9th birthday in a special way with many friends at Roughtor Farm where a top up cuppa was gratefully accepted by most of us. So concluded a perfect day and our grateful thanks go to those who planned it so carefully. Here's to the next time!

Here's a couple of sentences to make you smile, from dear old Radio 4, Quote/ Unquote, just before The Archers, on a Monday, I think. 'He climbed into his bed when it came round the second time. He woke up on the bedroom floor and leapt up to the ceiling when a sparrow on his windowsill chirped unexpectedly.

St Breward Community Bus

Well at long last we managed to prepare an overall picture of the returned Bus Appraisal forms and were very pleased to get nearly 40%. Copies have been sent to the various Cornwall transport departments.

We are now in the process of applying for Grants from various sources. So far we have received a very generous donation of £300 from our Parish Council. We have written to both Cornwall County Council and North Cornwall District Council for their support and are still awaiting their answers.

In the meantime we are preparing requests for grant money from "Awards for All" (A lottery Jubilee special fund), Community Fund , Shell Better Britain and the Countryside Agency. These will all be in the pipeline by the end of May 2002 and very hopefully have answers in the Autumn.

The Mini Bus being looked at will cost approximately £39,000 and we think will be very suitable to the Village.

A point to bear in mind is that of the cost was £33,000 until you add the grand sum of £5,775 for VAT. We have of course written to the Chancellor of the Exchequer asking for his help in dispensation and are still awaiting his reply, albeit not with much hope.

We know that progress is very slow but we have to prepare each step very carefully and in the manner that is required by the various bodies. Some of the questions make us cringe but "He who pays the piper calls the tune". We can assure you that we are doing all we can.

Well that's about all for the moment except to say THANK YOU to all those who are still taking part in the Bus Lottery and that your continued support is vital if we are to succeed in this project.

The Queen's Jubilee baton relay

On Tuesday 18th June The Queen's Jubilee baton relay will be passing through Camelford. The rough timings are the convoy arrives at the Davidstow end of the town at around 2.00 pm. Runners will carry the baton through the main street and will be leaving Camelford and proceeding along the A39 on their way to Newquay by about 2.15 pm. At the time of writing the list of runners has not been finalised but many will be local people nominated by colleagues, friends and family. There may also be some well-known athletes and celebrities taking part.

This event is to publicise the Commonwealth Games to be held in Manchester this summer. The baton will be travelling through 22 countries across the Commonwealth before being taken through the UK passing within one hour's drive of 95% of the population.

ST BREWARD GOLDEN JUBILEE CELEBRATIONS

MONDAY 3RD JUNE 2002

UPDATE!
We have been overwhelmed by the amount of interest and support we have received for this event. We now have 560 adults and children registered for the day, with a huge variety of fun and entertainment scheduled. Thanks to all that have contributed donations and support – we plan to make the day a real success, only possible through the support of many and enthusiasm of the Committee.

Below there is information relating to the whole day. Please take time to read the safety details, so this information is known to as many as possible. Finally, if you would like to help the Committee in the decoration, setting up or clearing away – please inform Joe Kay (Chairman – Tel: 850030), or any of the Committee members.
Thank you

Wenford Bridge Pottery

Wenford Bridge Pottery functions today much as it did at it's conception in 1939 using age old methods of pottery making. The stoneware clay is blended from local materials and ball milled on site; glazes and pigments are made in house; pots are hand thrown at traditional kick wheels then glazed and decorated by hand, set in the huge circular down draft kiln built fifty years ago and wood fired to 1300.C.
Pots are sent to collectors and galleries but most remain to be sold from the pottery's own showroom.
The showroom is open daily and the Cardews welcome your visit.

WHY? WHY?

Why has the Rev'd Carrivick joined the Parish Council?
What is being constructed in his back garden?
Why can Penny no longer hang her washing out to dry?

Newly elected Parish Councillor Derek Carrivick has been seen out in his garden at the dead of night. What is he up to?

His story is that he has bought himself a new telescope to watch the night sky. The telescope needed a stand so he used a convenient post on his lawn. He sawed the top off the post and fixed his telescope on it totally unaware that it was the post holding the washing line (Obviously not a new man our vicar having never hung out the washing).

He had calculate the size of post needed but forgot to include the height of the telescope stand so he still couldn't see out of the telescope.

Undaunted and with no expense spared he bought himself a set of chisels and built a box to stand on. . . . . unfortunately the box soon collapsed just as he was observing a breathtaking of Venus rising in the night sky.

Derek's next plan is to cut down the post still further and we await further developments.

Will B&Q be visited for more tools?
Will Penny get a tumble drier?
What is Derek really watching through his telescope? Is he watching for his old enemy – the mole that tunnels under his lawn?

A Mole

News 2—in the News: Micky Harris, clutching the hand controls of the travelling crane, pressed the stop button and bent to pick up the slings which were wrapped around the large piece of granite he was about to move. Turning to hook them onto the crane he was astonished to find that that ole' crane had just kept on travellin'. Just before disaster struck at the end of the tracks, Dai Wills, who had just awakened from his afternoon nap in his Mk 2 Cortina GXL reclining seat, jumped up and snatching at the dangling controls managed to stop the crane's headlong rush.

Recently Dave Hill pushed his rail mounted trolley through the plastic curtains at the end of his shed—straight into Micky's shins.

Realising that things happen in threes, Micky has been seen wearing garlic, avoiding ladders and all those things superstitious people do.

Leisure services

People living in North Cornwall have a superb choice of leisure facilities compared to residents in other parts of the UK. Apart from all the area's natural assets, NCDC's six leisure centres have a great choice of activities for everyone. We have just published a new leisure brochure which tells you exactly what facilities and activities we run in each centre. You can pick one up from council offices or libraries. Leisure information is also available on our website www.ncdc.gov.uk

St Breward Neighbourhood Watch

The Annual General Meeting was held at the Memorial Hall on the 29th April, with an attendance of sixteen persons in total. It was nice to see so many, and I hope that more will attend future meetings!

No nominations were made for a change to the presently elected officers, so for the following term of office they remain the same:
Hon. Chairperson — Kevin Foster
Hon. Secretary — Jo Treleaven
Hon. Treasurer — Geoff Burrows

An interesting talk was given by PC Dave Leslie, the Crime Prevention Officer from Launceston, on Defensive Behaviour and 'Distraction Burglaries'. The latter is said to be the most popular type of crime in the area, and the bulk of these crimes are directed at the elderly (statistics show that those of 81 yrs, female and living alone are targeted the most). These crimes are operated by experienced criminals from all over the country, who travel around the counties in a systematic way. ***Don't think it won't happen around here, it does!*** For more info contact: Kevin Foster or the local Police Station.

There have been reports of more damage caused in the village, signs from the village hall were removed and a vent at the school was damaged. Anyone with information please contact either the police or Kevin Foster.

Subscriptions have been kept at the cost of £2 for this coming year. All those wishing to renew may do so at the Post Office, at one of the monthly meetings or through your local co-ordinator.

The next meeting will be held on 1st July 2002, 7.30 pm, at Jubilee Cottage, Limehead (when coming down past the Memorial Hall there is the junction on the right for 'Coombe', the cottage is situated between those two roads).

St Breward Parish Council

St Breward Parish Council met on Tuesday 7th May 2002 at 7pm in the Memorial Hall for the Annual Parish Meeting, to elect chairman and representatives, followed by the regular monthly meeting. District Councillor Jim Kempthorne and Mr Jon Webb attended. The Council received a summary of Parish Council income and expenditure for the past year from the Clerk, Mr Bob Benham. Chairman, Vice Chairman and representatives were elected as follows:

- Chairman, MLA representative at St Breward School and representative at Camelford Sports Centre - Mr Mev Shelley
- Vice Chairman, Transport representative & Tree Warden— Mrs Jane Hanscomb
- Assistant to the Tree Warden - Revd. Derek Carrivick
- Footpaths Officer- Mr Paddy Mc Shee
- St Breward Area Community Bus Association and St Breward Play Areas Committee representative - Mr Denis Lusby
- Village Hall Committee representative - Mrs Brenda Walby
- Camel Trail Partnership Steering Committee - Miss Virginia Cholmeley

A letter from the Government was read which announced a cash award to the Head Teacher and Staff of St Breward Primary School in recognition of better than average performance in recent years. Congratulations Mrs King and school staff.

The Annual Meeting closed at 7.20pm and the May meeting followed in which there were no planning applications outstanding.

Jane Hanscomb, as a private individual, had written to Paul Tyler MP about her concern that NCDC want to speed up planning application processing times. The Planning Department of NCDC propose that planning applications are to be dealt with and delegated to an employee of NCDC., bypassing the observations of your Parish Council. Thus, in the interests of haste, the Parish Council can be ignored although Councillors are on the spot, have the village interests at heart and are the best people to make representations. As the speed of processing a planning application is so much easier to measure than the quality of it's outcome, NCDC high-handed action appears to be a thoroughly sloppy way to make it's statistics seem right, apart from stealing the democratic rights of a community to have a say in it's affairs. Your Council deplores the recommendation of the government and it's adoption by NCDC to substitute speed for quality in planning matters and asked the Clerk to convey this strongly to our MP, that a Parish Council be allowed time for it's advice to be taken.

(Continued on page 34)

(Continued from page 33)

The Parish Council policy is not to give your money to charity. On the other hand, the Council votes money to be given to organizations, those that have been supported in the past or those that need a financial 'seed' in order to qualify for a grant. The Council, after critical discussion, approved expenditure as follows:

- The Village Hall has ancient defective electrical wiring which must be replaced at a cost of several thousand pounds. To underwrite a grant application - £100
- The Camelford welfare bus serves 14 villages and is equipped and only takes handicapped and passengers over 60 and is used in St Breward - £35
- St Breward Community Bus will need replacement and grants required. To underwrite a grant application - £300

Mrs Wilson had kindly donated £175 to the Parish which will be used for planting the decorative flower mangers at the Memorial Hall and towards Parish Hall wiring replacement.

The next Council meeting will be held in the memorial Hall at 7 pm on Tuesday 4th June 2002. You are welcome to attend the meeting, to raise matters of public or individual concern or perhaps only to listen to what goes on in local government.

Honey

As I expect many of you have noticed, there is not a lot of honey for sale at the moment. Many of the commercial honeys usually available are blended from various different sources, including China, and it was in this honey that environmental health officers found the antibiotic chloramphenicol to be present. In Britain, we are very strict about the use of antibiotics in treating bee diseases and chloramphenicol is definitely not permitted because of the possibility of causing side effects in humans who eat the honey. As a result, all jars containing Chinese honey have been withdrawn from sale.

The moral of this story is: buy local honey whenever you can! It may be more expensive but you will be getting a clean product, uncontaminated by illegal chemicals. Alternatively, why not try beekeeping yourself? you will then know exactly where your honey comes from. Bodmin Beekeepers meet on the second Tuesday evening and Wadebridge Beekeepers on the fourth Wednesday evening monthly during the winter and both groups have their own apiary meetings in the summer. Beginners and experienced beekeepers are all welcome.

Jane Hanscomb

PS A technical note for existing beekeepers: Varroa resistant to the present conventional treatment has been found in North Cornwall & East Devon, due to beekeepers both over-using and under-using the strips. The Regional Bee Inspector advises beekeepers to follow the instructions on the box!

Funds in aid of St Breward Play Areas

St. Breward WI May Meeting

Mrs A Holmes, acting as president in the absence of Mrs C Woolf, welcomed members to the Resolution meeting.

We have been asked to create a flower arrangement in the parish church Flower Festival to help raise funds for the roof repairs on the theme " Royal Event'; ideas were discussed. Mrs J Gant gave a report about the 'Keeping in Touch' meeting which covered several items regarding publicity for institutes, brighter posters etc.

Several mentioned that we have not been asked as a group to help with the Jubilee Tea Party, although individuals had offered their services, so a letter will be sent to Mr J Kaye, the organizer, to ask what help he requires.

Mrs P Powell's' Jubilee Garden Day will include all the usual stalls except bedding plants, and many WI members have agreed to help on the day. We all hope that this event is as successful as ever.

CFWI sent a request for helpers at the Jubilee Jamboree event on September 14th at the Royal Cornwall Showground, but it will be pointed out that St. Breward is already well involved with two helpers with coffee, several actors in Mrs Woolf's short play which will be repeated at intervals during the day, and Mrs Holmes staging the Art and Photography Exhibition. (Time for me to give a reminder to artists etc to submit their applications before July 14th - lack of response by then will cause it to be cancelled !)

On June 16th, Fathers' Day, Kevin Foster will hold a fundraising day for HeliAid for the county with many stalls etc. Mrs Holmes suggested that St. Breward WI take a stall to raise funds for the new County House, and a donation to HeliAid. Mrs Gant offered to run the Tombola and items for this should be brought to Mrs Holmes' house so that we have plenty to offer. Why not take your father/husband along to this day for a treat? Several members will visit Pencarrow House on May 25th.
St Breward WI will provide lunches / cream teas if pre-booked during the summer months. More long term planning is called for to enter the Baker Cup Competition "Inventors from Cornwall" the closing date is January 31st, 2003.

Nominations for Executive were sought from our members in vain so we voted for six names on the list provided in County News

Mrs Holmes then read out the first resolution concerning re-instating the smaller abattoirs and the major points for and against; also a written report by Mrs A Welton who attended the resolutions meeting; this was carried unanimously; the second resolution regarding stricter controls on the importation of foodstuffs, in particular that brought in by tourists and ourselves. A member spoke about the extreme fines etc imposed by New Zealand on even so much as a single apple intended to be

(Continued on page 41)

(Continued from page 40)

eaten on the journey: it was felt that we are too lax about these casual imports in particular: following more discussion both these resolutions were passed unanimously.

Competitions

6" knitted square	1st Mrs Wilton, 2nd Mrs Shelley 3rd Mrs Gant
Flower of the month	1st Mrs. Wilton, 2nd Mrs Bousfield second, 3rd Mrs Dibb

This report is compiled from detailed notes written by Mrs. Shelley to whom my thanks are due.

The next meeting will be on June 11th at 7.15pm in the Memorial Hall when the speaker will be Liz Gregory on Collage The competition is An Arrangement 9" overall made from any materials other than flowers and plant materials, in a 4" plant pot (this will definitely tax your ingenuity) the flower competition should be a buttonhole.

BBQ safety tips

Bugs such as Ecoli 0157, salmonella and campylobacter can cause serious illness. But you can steer clear of food poisoning by taking some simple steps

- Wait till the charcoal glows red with a powdery grey surface before starting to cook
- Make sure that frozen food is properly thawed before you cook it
- Turn food regularly and move it around the BBQ to cook it evenly
- Check the food is piping hot all the way through
- Make sure there isn't any pink meat left in poultry, pork, burgers, sausages and kebabs and that any juices run clear
- Raw meat can contain food poisoning bugs so don't let raw meat products touch food that has already been cooked or is ready to eat.
- Even if meat is burnt on the outside it might not be cooked properly inside so always check

Polzeath Beach is the only one in Cornwall to win a Blue Flag award this year. The Blue Flag means the beach is clean and well managed and has clean bathing water. Polzeath has good facilities including first aiders, lifeguards, public toilets and is dog free during the tourist season. NCDC organises rock pool rambles, treasure hunts and guided walks to promote awareness of the natural environment and has a wildlife information centre in Coronation Gardens just behind the beach.

A whole range of NCDC services have been involved in improving the way Polzeath is managed in order to win this Blue Flag and everyone is delighted that Polzeath can now truly call itself a "flagship beach".
