Letters

I would like to thank the organisers of our Blisland Jubilee celebrations; the Brigadier for his delightful speech at the Stone; all the tea ladies. and all those who gave so much lovely refreshments; the raffle seller; the loud speaker and those who organised the children's sports; the bonfire and barbeque in the evening; everyone who made it a memorial occasion – even the weather.

I'm sure I'm not the only one to enjoy the happy time.
Thank you.
M Webber

Dear Sir,

We were holidaying in St Breward during the Golden Jubilee and were astonished to be invited to join in the village celebrations, which we did.

What a marvellous party—well done to St Breward and their Jubilee committee. We shall certainly visit St Breward again.
R.S. Upwoods, Ongar

Dear Denis,

I would like to say that the Golden Jubilee celebrations were terrific.

Everyone involved should be congratulated. It must have been hard work for all concerned. Even the weather was kind!

Congratulations to all who helped celebrate the Queen's Jubilee!

Nationally and locally it was a great success. It's was hard even for the most militant republicans not to enjoy it all. Whether it was the thousands on the Mall or the hundreds who turned out in Blisland and St. Breward, they all loved it!

When we put our minds and hearts to it we can actually become one nation. How important that is in our multi-cultural society. Multi-cultural, here in Cornwall? Well, of course! The ethnic Cornish have always had a world-view of things. The Atlantic waves have always beckoned many "Johns" across "the pond". And these days many from different backgrounds from other corners of the United Kingdom and across the world have ended up here in "God's own Country". You can here every accent if you listen in the Old Inn or the Blisland Inn – American, Australian, Cockney, Brummy, Geordie, Scot, and Irish (north and south!). Oh, yes, here in Cornwall 2002 we are indeed a mixed bunch. Long may it remain that way.

It provides its challenges, of course. We have to learn to listen a bit more and appreciate the differences. We have to learn together to be proud of Cornwall as it is today. And for our children and youngsters we have to look ahead and shape things so they have a good future. Yesterday we can learn from but it's no good dwelling on the past. We cannot bring back the so-called good old days.

So when you gaze at your Jubilee mugs in future years remember that you were there. Remember the children enjoying every moment.

For myself I shall not forget preaching from the back of Roger's coal lorry at Rylands; nor the sight of Brigadier Edward-Collins reflecting in a witty speech on his life over some 90 years of four monarchs.

As for our Queen? God bless her.

FROM HELLAND:

Congratulations to Rosie and Paul Jackson on their marvellous exhibition at Camelford. We wished we had a fairy godmother to help us obtain one of the marvellous and unusual jugs which would make anything served or placed therein taste superb, though perhaps they were for decorative purposes only? And Rosie's pansies decorating mugs were to die for, as some say. VJ

Entertaining strangers unawares: (In Helland)
I had just locked up the church after doing the flowers in my neat and undramatic style, when up drove two strangers looking hopefully at the notice board. I offered to open the church and they responded with gratitude, as this was their third attempt to see inside. I pointed our pride and joy, Mrs Worthington Edridge 's beautiful embroidery and tapestry, along with Mr Ede's wonderful model of the church with the St Blazey choir resplendent in their smart outfits, then realised that I should shut up and allow them to enjoy the peace and serenity that envelopes you if you allow it to.

Later we exchanged information about our origins and to my delight one of them came from Oz, Perth now, but Sydney originally, so I told him about my son learning to cook ace steaks fast and grit his teeth at his uncle's awkward ways. Then I remembered that long ago in the 1950 s a young family had come to my hometown of Southborough in Kent, to serve the local church and learn something from it. But they taught us far more than we gave them, never was there a more Christ-like man and his wife was a wonderful example of unselfish loving kindness. I asked if it would be possible for him to try and trace Mole and his family; I had lost his address and only had the 1959 one. His surname is Molesworth, but no relation so far as I know with our local ones. I scribbled my name and address on a parish magazine and wait for a possible reconnection with my early 20's friends.

All things Beaut and Brightiful is not my favourite hymn, but gratitude must be expressed to all who made such an amazing display in St Breward church, those who gave us a choice of three delicious soups and scrumptious cakes, cheerfully doing all this in spite of wet weather and a spasmodic lot of customers.
Many many heartfelt thanks. VJ

Dear Friends

What a wonderful occasion the celebration of the Golden Jubilee of our Queen was. Congratulations and thanks a million to all who worked so hard over the previous weeks to make it such a success. Our local community was brought together in a spirit of unity, which brought with it a great sense of joy.

The services of Thanksgiving and Worship were well attended and became an important part of the celebration.
As some of you may remember God himself designed the first Jubilee event in the days of Moses. It was to be a thanksgiving and a new start for the nation of Israel.

I hope that for all of us those recent celebrations will be an incentive that will encourage us to make a new start in our spiritual experience of God.

We may do well to remember the original Jubilee call again; (Leviticus 25v17-1 8. GNB) "Do not cheat your fellow man, but obey the Lord your God. Obey all the Lord's laws and commands, so that you may live in safety in the land". Together, we can go forward in faith. I for one look forward to the Carnival Songs of Praise at St Breward Methodist Church on Sunday July 14th at 6pm. See you there.

Yours Sincerely. Pastor Brian

BLISLAND WRVS CLUB

11th June was the clubs AGM. Only seven members were able to attend. We were joined by Mrs Marion Humber who is project manager for North Cornwall WRVS Clubs. Before discussing our business our Treasurer, Mrs Audrey Pierce and husband Brian, prepared and served a most enjoyable lunch which was much appreciated by all.

Following lunch, minutes of our meetings 2001/2002 were read and agreed as a true record of our activities. Audrey presented the financial situation of our funds. For a competition we each had a choice of selecting a sealed envelope. On opening, various prizes were stated, ie one chicken dinner, so the recipient was given half a dozen eggs. Everyone had something and produced much laughter on presentation of the prizes.

HELLAND VILLAGE HALL

Following the Golden Jubilee meeting held in May it was agreed that we would like a permanent commemoration of the Queens Golden Jubilee. There was unanimous support for a village seat. Following requests for contributions from the residents of the parish, the grand sum of £300.00 has been raised. A big thank you to everyone who has contributed. We are now in the process of finding a suitable seat for Helland.

We have been successful in gaining grants for the majority of the work to be carried out on the hall and we are having regular bookings each week. Please make use of your hall (£10.00 per session, ring 72747 for bookings).

Please keep a look out for Autumn events which we are planning at the moment. Carn to Cove (professional theatre company specialising in village halls) will hopefully be bringing one of their shows, please support it if you can.

BLISLAND LITTER CLEAR-UP

Saturday, 20th July

The Parish Council have decided to organise a litter clear-up day in the village. Martin & Carolyn Wilson (Torr) have agreed to co-ordinate this and would be grateful for people to help by volunteering to clear-up their own (or any other) road-or part of a road. Please call them on 851601 to offer assistance or add your name to the list outside the Institute. Protective clothing and refuse sacks will be provided.

Many thanks for your help!

BLISLAND JUBILEE CELEBRATIONS

This was held on the Village Green on Monday, June 3rd. It was a nerve racking start to the day due to the inclement weather, flags were put up in the rain & everything was organised for either the Green or the Hall! By 12 o'clock it was decided that it would all be held on the Green so all the tables and chairs were placed on the road by the Church for the tea and the food started pouring in!

The proceedings started at 2pm with the dedication of the Jubilee Stone or The Queens stone as Brigadier Edward Collins called it most appropriately. Brigadier Edward Collins gave a very moving speech of dedication.

This was followed by the arrival of The Radio Cornwall Band who played for about half an hour, which was much appreciated. After the band the children's sports started, which were enjoyed by both adults and children then it was time for tea!!

After the tea the pre-school children of the village were presented with their Jubilee Mugs and many more were also bought & still many to be delivered when the next order arrives!

To end the day at 7.30pm the bonfire was lit and there was a barbeque held on the old site of Webbers garage by kind permission of Keith Webber which was also very well attended.

The day turned out to be a lovely sunny day with a tremendous turn out of both local people plus many visitors who all seemed to be enjoying all the activities.

A great vote of thanks must be given to Mary Pope for organising the day plus a band of Committee members who were COERCED onto the committee by Mary! Also to all those that helped putting up the flags, transporting tables & Chairs, organising the sports, doing the barbeques, helping to serve & wash up in the Institute plus the many cooks who provided the food. Not forgetting Tony Wilcocks the DJ! Also to Margaret & Gary Marshall who helped us greatly by raising money with their Pub Quiz evenings which helped us with the expenses___Thanks! Thank you to one and all, too many to name individually!!!

St Breward Golden Jubilee Celebrations

Monday 3rd June 2002

Wow! What a celebration party we had!

At midday the Church bells could be heard pealing throughout the village. This heralded the commencement of our celebrations for the day. An Open Air United Service was conducted on Rylands Green, with Revd. Derrick Carrivick and Pastor Brain Parkman, using Charrington's lorry for their 'pulpit'. We are sure this will be unique to St Breward!

Our Band led a wonderful procession down to Brookside, after the Service. What a resplendent sight: shining silver instruments, the green, black and gold in the uniforms of the Band and hundreds of children and adults parading to the sound of the 'Floral Dance'.

Stopping the procession at Row Hill, the Band played the National Anthem, and an overwhelming 'sense of community' filled the air.

The Carnival Queen (Amy Harris), King (Joseph Hill) and attendants (Oliver Kay & Ruth Till), held a ribbon at the bottom of Row Hill – and Mrs Hilda Wills, one of the Village elders, cut the ribbon – declaring the Street Party "open"!
Children quickly took their seats in Brookside Court and 'tucked into' the party boxes awaiting them.

An array of Cornish fayre littered the tables in the Chapel: pasties, sandwiches, scones, saffron buns and jam and cream splits. After collecting a plate of food with a 'cuppa', all partygoers took their places at the tables and chairs extending from the Band room along to the Chapel.

People chatted, ate and drank whilst the Band played a wonderful programme of music – many commenting how good it is to hear our Band playing in the centre of the Village!

Song-sheets were distributed and accompanied by semi-professional accordion player, 'Hum' – a 'sing-a-long' started. Tunes such as 'Cambourne Hill', 'Lamorna', 'Daisy', and 'You are my Sunshine', 'rocked' the Village!!

The Jubilee Committee distributed all prizes and certificates for the children's competitions (results below) and thanked Mrs Hilda

(Continued on page 18)

(Continued from page 17)
Wills (with a bouquet of flowers) and the Carnival Royalty for all their assistance (with a £5 Jubilee coin).

Butterfingers the Clown arrived and entertained the children for over two hours! Fun, excitement, laughter and noise could be heard in the Chapel. A very fitting end to the Street Party!

Children collected their Commemorative mugs- partly funded by the Parish Council, and either went home, unwillingly, or proceeded on to the Football Club!
The final part of the celebrations included a Disco, competitions, Hog Roast and a Grand Firework Finale. All were thoroughly enjoyed, the fireworks being fantastic!

So – in conclusion: a wonderful day!

The Committee's efforts paid off and the weather was very kind to us, after the morning rain had created a sense of apprehension.

Sincere thanks to all the local businesses and businessmen/women who offered financial assistance, and to everyone who made donations. The day was made possible by your generosity. Once we have settled our accounts/debts and processed all payments, any monies remaining will be donated to the Play Areas Appeal.

We have so many individuals to thank – it is hard to know where to begin. We feel confident that we have thanked key people, in person, - but if you feel you have been missed – please accept our thanks now. We would have never imagined the level of interest or support when we thought 'we ought to do something', back in March!

We hope your memories of 3rd June 2002, will be happy ones.
Many thanks,
St Breward Golden Jubilee Committee.

ST BREWARD PLAY AREAS FUND RAISING COMMITTEE
AGM 15 MAY 2002

Present: Darren Wills, Sharon French, Linda Belcher, Sheri Arnold, Julie Wright, Denis Lusby, Margaret Cox Apologies: Jacqui Champion, Martin Kay, Tasha Beale.

The Chairman thanked everyone for their hard work and said that fresh ideas for fund raising were always welcome and bring new people along to join/help the Committee. May 2003 has been set as the target date for fund raising for the play areas and then the responsibility will be handed back to the Parish Council.

The committee were disappointed to see that none of the villagers except committee members attended. We have received two grants of £7,000 - and £1,000 - Bodmin Lions which brings the amount raised to a healthy total of £19,500.

If anyone wishes to help with fund raising or wishes to join the committee our meetings are held every 1st Wednesday, 7.30 at The Old Inn.
The Committee would like to thank everyone for there continued support and generous donations.
All Committee members were re-elected en bloc, as there were no other nominations for officers.

Any Other Business: The Committee would get quotes and pledges from local people to build the play areas to see if we could cut the cost.

The Editor
Community Magazine

Sir,

Parish Councils & Planning Applications

Would you please allow me to respond to the article by Jane H in the June edition of the magazine?

It may come as a surprise to many people that the Parish Council is NOT a statutory consultee for planning applications, (authority:- Lord Falconer in evidence to a Parliamentary Select Committee)

NCDC consult the Parish Councils for two very important reasons, besides courtesy:

Firstly, For the Council members to apply local knowledge to the policies that relate to a particular application, knowledge that the staff of NCDC may not be aware of, NOT to indicate either approval or disapproval. The policies for planning development are as published in the local plan, and NCDC are the statutory body for determining planning applications via the planning committee.

Secondly and perhaps even more important, because the Parish Council are conversant with the policies contained in the Local Plan, they are a prime source of information of the effectiveness or otherwise of those policies and whether they are still appropriate when the local plan is reviewed.

As regards setting targets for determining applications and for allowing delegated decisions, again Lord Falconer, until recently Minister for Housing and Planning DTLR, has issued directions that a very high percentage of applications MUST be determined within 8 weeks and also that a very high percentage Must be delegated to the planning staff.

The District Council has NO alternative but to comply with these instructions, please note the current difficulties that Restormel are in for failing to meet the laid down targets! Of further interest to your readers, the planning committee if it wishes to reach a decision that is different to the "recommendation" of the planning officers, this must firstly have the approval of the FULL Council.

Then the decision must be reported to the Secretary of State giving precise details of why the District Councillors reached a decision contrary to the planning officers, before the decision can be given approval or refusal as the case may be

I hope that my explanation sheds light on the current position, what ever our personal opinion is we have no option but to comply. If further explanation is required I would be only to pleased appear before your Council to amplify my comments.

Sincerely

David Miller
District & County Councillor

Wenford Bridge Pottery

Wenford Bridge Pottery functions today much as it did at it's conception in 1939 using age old methods of pottery making. The stoneware clay is blended from local materials and ball milled on site; glazes and pigments are made in house; pots are hand thrown at traditional kick wheels then glazed and decorated by hand, set in the huge circular down draft kiln built fifty years ago and wood fired to 1300.C.
Pots are sent to collectors and galleries but most remain to be sold from the pottery's own showroom.
The showroom is open daily and the Cardews welcome your visit.

Opening June 1, 2002

St Breward Parish Council

St Breward Parish Council met on Tuesday 3rd June 2002 at 7pm in the Memorial Hall. Jim Kempthorne, Mr Ivan Crowle and Mr Scott Gendall also attended.

The Chairman, on behalf of the Parish council expressed its sincere condolences to Brian and Jane Hanscomb regarding the recent fire in Brian's workshop in which the work of fourteen years had been destroyed.

The St Breward Jubilee Committee is to be congratulated on the successful arrangements that they made for the celebrations on 3rd June 2002. The program of events was enjoyed by all. It was noticeable on the following day how clean and tidy the village was thanks to all those folk who helped and then tidied up afterwards.

A significant planning application for North Cornwall Aviaries was discussed. The application was for a tearoom extension to the main aviary building and the construction of pathways and enclosures in the field above to house a collection of birds and small animals. The applicants had been promised Objective One financial assistance for the project subject to planning permission. The Council were concerned about increased traffic in the lane to the aviaries but this would be non-commercial. As there are seven passing-places on the lane, which could be improved and even increased in number and as the lane is a cul-de-sac, the Council had no objection to the application. There was no objection to a planning application to build an extension at N°1 Rostalek.

Information about dumping building rubbish and rats at Claylands had been received. These are responsibilities of the District Council. The matter of rubbish will be taken up with the Planning Department. Your Parish Council should be involved only if District or County Councils fail to act when requested in matters such as these.

The Council voted to send a letter to the County Councillor, Mr Bob Ellison, in support of an alternative main route in Camelford to take the through traffic out of the town centre.

The following notice is made to meet statutory requirements:
"The Parish Council adopted the Parish Councils (Model Code of Conduct) Order 2001 after the Annual Parish Meeting held on 23rd April 2002. The Code may be inspected by appointment with the Clerk, Mr R Benham, telephone number 850802."

The next Council meeting will be held in the Memorial Hall at 7 pm on Tuesday 2nd July 2002. All are welcome to attend the meeting, to raise matters of public or individual concern or perhaps only to listen to what goes on in your local government.

Mev Shelley

BLISLAND PARISH COUNCIL

The Annual Parish Assembly meeting was held on Thursday 20th April 2002. Fiver members of the public attended the meeting.

David Miller gave a review of the activities of the District Council and County Council for the year. I reviewed the Parish Council Activities. The reviews were followed by a robust question and answer session.

The Annual General Meeting was held on Thursday 9th May 2002. Mr M.B. Ward-Lee was elected Chairman and Mr M. Rowe Vice Chairman. Mesdames Meads and Spilsby agreed to continue as members of the village hall committee. Mr E. Rowe agreed to continue as a representative to the Executive Committee of CAPTC.

The May Parish Council Meeting was held on Thursday 9th May 2002. Thirteen members of the public attended the meeting. The following planning applications were received.

1. Erection of split level dwelling and detached garage at the rear of Rose Cottage, Tregenna Road. Not recommended for approval due to the unsatisfactory access to Tregenna Road.
2. Erection of dwelling with garage space on land adjacent to Green Wood, Waterloo. Not recommended for approval due to the proposal being outside the Blisland Village boundary and the access to the narrow road close to the Primary School.

Tenders are still awaited for works on the Village Institute.

BLISLAND VILLAGE GREEN

The ROCKS on the lower side of the Green are an accident waiting to happen. The other day two cars passed, one inches away from the rocks & the other right on the kerbing stone & their wing mirrors crashed & now with visitors parking along the bottom of the Green it is bound to end up with someone ripping their tyres & then will the Parish Council be sued?!

Also one day some visitors were walking along the road & their toddler came running down across the Green to them, if he had tripped over the rocks it could have been a serious tragedy & what about the kids on their bikes? At night time they are lethal to any one that does not know that they are there, it's bad enough when you know they are there. If the Parish Council is not careful they could possibly be in serious trouble, they should be moved further up the Green as cars, lorries, buses & farm machinery are here to stay however much they dislike them.

Anon from Blisland I do not normally publish anonymous letters but as this one was having a dig at Blisland Parish Council – I couldn't resist publishing it. If anyone wants to contribute to the magazine but does not wish their name to appear, then I can oblige but I must know who is the author. Denis Lusby, Editor.

BLISLAND PARISH COUNCIL

A council meeting was held on Thursday 13th June 2002. David Miller attended the meeting and gave a presentation on the operation and procedures of the planning system.

The following planning applications were received:

1. Renewal of permission for the continued use of land for the siting of a mobile home at Temple Fisheries. Recommended.
2. Partial demolition of existing barn and reconstruction of walls and roof at Lavethan. Recommended.
3. Residential development on Webbers Garage site. This proposal as presented by Rosemullion homes, was not recommended, as the materials of construction were not consistent with the Conservation Village. In addition, the revised house disposition led to excessive congestion at the rear of the site.
4. Erection of garden room, Hillside, Tregenna Road. Recommended.
5. Revised design to include erection of rear porch and cloakroom for previously approved barn conversion land erection of stables. Recommended.
6. Demolition of garage and replacement with new kitchen/breakfast room and associated external works. Not recommended because the proposed design is not considered architecturally with the main property.
7. Erection of new community building and on site to east of Fairfield Lodge. The design is recommended for approval but further consideration should be given to the use of materials of construction consistent with the conservation village.

Estimates for the work required in the village institute have not been obtained against an immediate start date. Estimates will now be requested for a start date at the end of the autumn period.

The RoSPA inspection report for the swings has been received and corrective action will be taken.

Michael Ward-Lee

Here is a joke from Arthur Stephens, late of Carbilly and now living in exile in Devon. He used to play the piano in the Old Inn.

An old farmer had a pile of potatoes up in barn spread out on the floor. A friend of his came out to visit him for a few hours. They went up to the barn and found that the rats had been at the potatoes. "Joe", his friend said, "why don't you go into Bodmin to the chemist and buy some rat poison."

Joe walked all the way to Bodmin and going into the chemist asked for some rat poison. The chemist said, "Yes sir, Rodene?"
"No," replied Joe, "I walked all the blooming way."

ST BREWARD FLOWER FESTIVAL

Many thanks to all the people who helped to stage the festival. The people who made the wonderful arrangements in the church for the organisations and businesses and those who watched over them while it was open. The wonderful ladies in the hall who cooked and worked with such cheerful efficiency all day, every day.

There were also the afternoon concerts: hand bell ringers, Mrs Greenaway and Graham Blackburn on the organ, and to finish the day the church bell ringers. These made a focal point to the day.

Mrs Holmes kindly put the lovely pictures in the hall, with some of the local talent and also with many others stood, in rain, on the plant stall.

Paddy Powell and Virginia Cholmely stoically brought all the plants up from Rose Cottage and thank you to the individuals who produced some more.

Peter Glaser put us out of our misery producing the answers to the photo quiz and thanks to him for his patience to my endless pleas for help.

I hope I have not missed anybody and now I would like to thank the organisations and services that generously donated.

There were also the individual donators whom I would like to thank for their generosity.

Finally, thank you to the rector and Church Wardens for their support.

At the end of the day we raised £1,350 for the church roof which, considering the weather and the football, was amazing.

JUBILEE LUNCHEON CLUB

The Jubilee Luncheon Club moves from strength to strength. We have received a grant from Help the Aged to purchase crockery and a loan from a local friend to buy tables. We are most grateful for both.

We have a full membership but are running a waiting list for anyone over 55 who wishes to join. We will especially welcome anyone living alone or new to the village. We provide transport, a very friendly atmosphere and good home cooking. The bar is open for a short time when Derek, the Vicar, arrives to pull the pints!

Any further information contact Margery on 850679 or Pat on 850628.

THE GUIDE ASSOCIATION

Brownies are busy people and this year so far we have pantomimed, hand-bell runged (thanks ladies it was a great evening), Jubilee Quizzed to earn a special Golden Jubilee Badge and just before the Golden Jubilee weekend completed our exhibit at the Michaelstow Flower Festival.

Being a Moorland Unit, we took the Moor to Michaelstow and recreated a "Gateway to the Moor" in the porch there. The girls were really enthusiastic and received many compliments from the elderly population of this lovely village. I'd like to share the poem with you, written by Vicky Thatcher of Hallagenna Farm, which earned her some "bonus stars" towards the Brownie Shield.

Bands Web Captures Jubilee Celebrations

Following a hectic week of Jubilee engagements throughout North Cornwall, the players, members, and supporters of St Breward Silver Band all agree the icing on the cake to be playing on home ground and being part of the village Golden Jubilee street party and celebrations.

What a wonderful action packed day, a real credit to the organising committee. How they managed to stop the morning rain, then bring out the sun for the start of the celebrations will always remain a spiritual mystery to me.

Photographs of the day have been beamed across the Atlantic to band supporters in Rochester, and Maryland USA, also to those throughout the UK. This has been made possible via: the bands new and updated web site.

The web site is becoming very popular with holiday makers attending the bands weekly *Thursday night summer concerts in Port Isaac*, photographs are taken on the night, then placed on the web site the very next day for all to see. The response has been very encouraging , many new friends have been made, plus holiday makers attending the concerts have started to send their photographs and messages to the band via: the web site.

It is the bands intention to retain the village photographs of Jubilee Day until at least two weeks after the publication of this magazine, so why not click into the bands web site on www.stbrewardband.freeserve.co.uk and perhaps see yourself feasting or even dancing through the village to the Floral Dance.

The band will next be supporting the village on Carnival Day 20th July, and on Saturday September the 7th, they will be playing ***Music By The River*** a special fund raising evening to be held in the grounds of Wenford Pottery, by kind permission of Mr and Mrs Seth Cardew.

Brian Hummerstone, Bands Publicity Officer.

Golden Jubilee Photograph Competition - Winner

The photograph competition held on Golden Jubilee Day, Monday June 3rd, was won by Betty Hoskin, with the incredible result of 53 out of 58 correctly named (guessed?)! The next highest score was 45. Well done Betty - a cash prize has been presented.

The 1950's photographs displayed proved to be popular beyond all expectations. The Bandroom was swarming with villagers determined to pass comment on the early photogenics of their friends and relatives. From babies to young adults (some still in their shorts!), the photos provided a wide cross-representation of current villagers.

And so to some facts - the most recognisable face was Jeffery Metters (correctly guessed by every competition entry and he still looks so young!), followed by Henry Teague, Dennis Champion and Graham Distin all joint-second in recognition (all handsome men of the village?). The least recognised faces were myself (I did not have a beard and as much hair when 2 years old!), Bob Benham (his photo, to be fair, was a bit blurred!), David Powell (despite being seen most days in the Post Office though not in shorts!), Mev Shelley (apparently it was not even Mev in the photo - my mistake and apologies to Mev!) and Pauline Marshall (well, she was in fancy dress as a boy chimney sweep!). And that photo of a prize heifer? It was the young boy who was holding the rope we wanted the name of.....

My many thanks to all who were prepared to participate in this competition - it took many a brave person to agree to have their photo displayed for all to see! The re-showing of the photos at the Church Flower Festival, with names added, provided further fun and interest for all.

Peter Glaser

Locked in St Breward Church

Did you hear about the visiting lady who fell asleep in the Pulpit during the Flower Festival weekend, and was locked in the Church Saturday night, following an evening tower bell ringing. There would have been surprises, some unmentionable, Sunday morning if she had stayed the night! Luckily someone realised she was missing and on raising the alarm she was released just after awakening and realising that she was on her own and locked in!

She couldn't have rung the bells to attract attention because the bell tower was locked.

Golden Jubilee Celebrations

WHAT A WONDERFUL DAY WE ALL HAD ON GOLDEN JUBILEE DAY. THE CHILDREN OF OUR VILLAGE ARE EXTREMELY LUCKY TO HAVE SUCH DEDICATED PARISHIONERS WHO BOTHER TO ORGANISE SUCH EVENTS. IT WAS DISAPPOINTING TO SEE HOW MANY VILLAGES AND TOWNS DID NOTHING AT ALL TO CELEBRATE. OUR CHILDREN HAVE NOW HAD TWO SUCH CELEBRATIONS TO REMEMBER, AND REMEMBER THEM THEY WILL. THE CHILDREN WOULD LIKE TO THANK ALL OF THE PEOPLE INVOLVED WITH THESE STREET PARTIES AND TO LET THEM KNOW HOW MUCH THEY APPRECIATE THE EFFORTS.

Bronze Age Village

Class 3 were lucky enough to visit the Bronze Age Village at Treworthia, near Launceston. The trip started with a walk across the moor where several cairns and barrows (burial grounds we were told) are still in evidence. Then we were taken into the round house, a thatched hut that is as near to the original Bronze Age house as possible. Here, our leader and guide, Mike, gave us a history chat and told us how they made the houses and how they would have lived in theses times. After eating our lunch in the house, we were given tasks. We had to grind wheat into flour using old stones, we were taught how to weave using a loom made of twigs and sticks, we also made pottery and we were shown how to make a ladder using branches and twine. To ensure we did this properly, we had to climb up it afterwards!! After a really lovely day at the village, we walked back across the moor to where our convoy of cars was waiting. Our thanks to Mrs Sleep, Mrs Feasey, Mrs Belcher, Mrs Hill and Mrs Brewer for driving us there and arranging the trip. We would like to thank the Friends of St Breward too, for helping to fund this trip.

School Sale and Coffee Morning

Another school sale and coffee morning was held on Thursday 20th June, to raise funds for Class Two. As we go the print, the amount raised is not yet known, so we will report next month. Thank you again to all who support us at these events.

Football Tournament

A group of our pupils represented the school in a football tournament held at Tintagel and came third in their section. Well done to Dan Walsh, Ben French, Alastair Feasey, Josh Belcher, Adam Sleep, Nathan Philp, Andrew Prout and Seb Clark.

Our year 6 are getting excited (and nervous) now as the end of term approaches and Camelford School beckons. They have another trip to come before this when both Class Three and Class Two visit Polzeath beach for some safety advice about our beaches. Class Two also have a trip to Ivey Farm and Class One will be going to Cardinham Woods for a picnic.

On Thursday 18th July, the Friends are organising the annual Rounders Challenge and Barbeque Evening and hopefully, this year, the weather will be a little kinder than last year!

And finally....

On Tuesday 23rd July, our leavers will hold their assembly at school and bid us all farewell. You are all welcome to come to this assembly and see the children move out of their primary years at 2.45pm.

St. Breward W.I. June Meeting

The president thanked Mrs A Holmes for taking the May Meeting in her absence and welcomed twenty members to the meeting. Mrs Tiplady thanked those present for the card sent to her while she was in hospital. Mrs M Shelley gave her report of the Spring Council Meeting held in the Hall for Cornwall, which included news of a decline in membership in Cornwall, resulting in the loss of twenty institutes in recent years. She very much enjoyed the piano recital, which included a musical alphabet covering all types of music.

Our president, Mrs C Woolf, said that it is necessary to look for both a new president and secretary for 2003. We were asked for resolutions for next year also, but at present none were forthcoming.

Mrs P Powell thanked all her helpers, which includes many of our own members, for their hard work who succeeded in raising £3196.86 on the Garden Day. In spite of loosing her gardener, Gerald, she once again put on a wonderful day with so many plants to buy and a lot to enjoy, including continuous refreshments and the St Breward Band's recital at midday.

Those members who helped feed the 570 who sat down to the Jubilee Party were thanked by Mrs Woolf for helping this event such a wonderful day.

Other members will be helping with the St Breward Church Flower Festival for three days in June; this is to help with the costs of the church roof repairs. On the same weekend our institute will have a Tombola stall at the Heli-Aid day at Moorgoods; our stall will be our fundraising event for the new County House, which we understand, will have to be smaller than hoped for due to a lack of funds. The house is to be built on an industrial site at Threemilestone, hopefully for completion in October.

The speaker was Liz Gregory who demonstrated the art of Leaf Collage using a tall, narrow piece of card, which was painted with a scene; upon this she glued various, leaves cut to the required shapes required to create the finished landscape. The effect has already several members gathering various leaf samples to dry off and use later on. I think that a future competition may well be 'a homemade card using dried leaves'; these do make very attractive birthday cards with the personal touch. Liz very kindly gave us the completed picture to raffle for County Funds.

The flower buttonhole competition was won by Mrs W Bevan, with Mrs Wilton second and Mrs Shelley third; the competition for a display in a 4" pot, not using flowers or plants was won by Mrs Wilton, Mrs Gant was second and Mrs Lowe came third.

Our speaker for the July 9th meeting at 7.15pm will be Debbie Hummerstone, who is the Chairperson of St. Breward Band, so we look forward to a most interesting evening. The competition is for a Photo or postcard of the Band, and the Flower of the Month will doubtless bring a mixture as usual.

Once again I thank Mrs M Shelley who wrote out a detailed report of the meeting as I was unable to attend in June. Anne Holmes 01208 850953

ODE TO A POSTER NICKER

The Old Inn's posters on the board I pin
For fund raising events or dining in
Every day I have to do more
As the Old Inn's posters are on the floor
I see that I'll have to be quicker
To beat the phantom poster nicker
So spare a thought when throwing them away
I'll be back another day!

St Breward AFC & Social Club

The football season ended at Brake Parc with the finals of the Sweet & Masters cups. In the Sweet Cup final Bodmin were the winners, and Camelford were runners up. Yvonne Davey, Mr Sweet's granddaughter, presented the Cup and winners medals. In the Master's Cup final, Mr Ashley Master presented the cup to Boscastle with Camelford runners up. Many thanks to Trevor Sleep for all his hard work in running both of these competitions. Our Annual Dance & Disco was held at Trethorne on May 31st. Seventy-four members were present. This year for the first time it was combined with the Darts and Pool teams members.

After a superb meal, Mr Steve Kay, football team manager, made a speech and presented the football trophies.

Do not forget Ladies Training on Thursday nights at 6.30pm. If you are interested Tina will welcome you at Brake Parc. The season begins on September 1st. Men's training begins soon – watch the notice board! (sounds like my sort of training, Big Ed).
