Letters

Gareth & Teresa would like to thank numerous friends for their help and assistance during a difficult blip in Gareth's life. Gareth would like everyone to know that he will soon be bouncing back super fit and full of hair.

Gareth also wants to point out that he had nothing to do with North Cornwall Aviaries record Carnival Raffle ticket sales of £10 (Last year they sold over £100) "I don't know what Scott & Ivan were up to whilst I was in Treliske. The place goes to pot when I'm not there."

Thank You: Brian, Jane and Ellie Hanscomb would like to say thank you to the people of St Breward and the surrounding area for their kindness, sympathy and generosity after the fire that destroyed Brian's studio on 22nd May. We really are very grateful to everyone.

Thank You: I would like to thank friends for the cards, flowers and good wishes I received during my stay in Treliske. It helped a lot.
Thanks very much. Pat Shaffer

Letters

FIRST WESTERN NATIONAL BUSES

Dear Mrs Lusby 23rd July 2002

I have been contacted by Sally Lewis of The Rural Transport Partnership in regard to the poor level of service local residents and holiday makers have been experiencing with the 56 service.

Unfortunately despite newspaper advertising and posters on buses and Job Centres we have been unable to attract sufficient drivers to work out of our Delabole outstation which is where the 56 originates.

To counteract this situation from Monday 22 July we have switched this service from Delabole to our main depot at St Austell to ensure that it runs reliably. May I apologise to you and your customers for the obvious inconvenience caused and I trust you will see a vast improvement in the 56 service.

Yours sincerely
Trevor Tobiasen General Manager

Carnivals, fetes, flower festivals, jazz festivals, art exhibitions –

This is the time of the year when there is a buzz of activity in our villages and towns. You could probably find two or three events a week if you tried and still travel less than 20 miles. Our visitors must think we spend all of our time celebrating!

We know that community life is not all public celebration. Quieter activities go on all year round, in our schools, churches and clubs. And then the round of family events and time with friends. It is in the end these continuous quieter moments that hold us together as much as the big events. The shiny tractors in the carnival are only shiny for one day. The other 364 days, working for their living, the same tractors are covered in honest dirt!

It is, though, good now and again to step back, reflect a bit and celebrate. Artists will tell you how important highlights are in showing off the rest of their painting. Try and put a bit of highlight, not just into your hair, but into the whole of your life. A smile on your face is a good way to start – it will cheer someone up and you can be sure that a day will come when you need someone else's smile. Or give yourself an unexpected treat or better still someone else.

In these lazy summer months don't go to sleep, keep your eyes open for what's going on. Don't miss out because you forgot to look. The post offices, shop, pubs and notices boards – they are all full of notices advertising this, that and the other. Make the most of this time of the year. There's bound to be something you would enjoy.

Start by having a good and careful look through our magazine, it's full of information and news!

(Thanks editor for the proper job you do. I have to keep on the right side of Denis, just in case!)

St Breward Parish Church

The annual Church Fete took place on Saturday 13th July and despite a few raindrops at noon it turned into a lovely sunny afternoon. The fete was opened by Joe & Doreen Kay to whom we extend our warmest thanks. The people then proceeded to spend their money on the various attractions, which included bottles, bric-a-brac & fancy, tombola, plants and many more. The children kept themselves busy on the bouncy castle while the adults were entertained by the St Breward Silver Band.

A big thank you to everyone who helped make the event such a great success. A thank you must also be extended to Mrs Nancy Hall who gave permission for cars to be parked on the common land at Rylands thereby freeing the grounds of the Village Hall.

A total of £1068.15 profit was taken which goes towards the roof restoration fund.

CM°Shee

Mount Edgcumbe

We wish to thank all who helped in making "The Cream Tea Afternoon" a huge success. We raised £1107 for Mount Edgcumbe Hospice. A special thanks to Sonia for having the event in her home. It was a lovely afternoon.

Blisland Parish Council

A Parish Council meeting was held on Thursday 11th July 2002.

There was only one planning application:-

> Erection of extension to provide garden WC, Riverside, Waterloo, Blisland. Recommended for approval.

The question of vehicular damage to the village green was discussed and it was agreed to obtain expert advice before further action was taken.

A public meeting was held on 21/6 /02 when the project team provided a progress report on the Post Office Project. Approval was obtained from the village to continue with this project as proposed.

Senior Steward	Mr ET Ham 850691	Mr R Hoskin 851445	Mr. Nigel White
Treasurer	Mrs W Gurr 850119	Mrs J Teague 850342	Mrs J Matthews 821261

Dear Friends;

Jesus once said, "Open your eyes and look at the fields, they are ripe for harvest".

Jesus spoke these words to the disciples while looking around at humanity and its spiritual need. Very soon now we shall be looking at fields of winter barley that will be ready for harvest. Our farming community will do all it can, whatever the weather, to harvest all of the crop.

As the church of Jesus Christ, we too need to open our eyes to see humanity around us that has a spiritual need. Who will reap the harvest? What spiritual food are the children around us receiving now? TV, Internet, various dubious publications that stimulate their interest. How much good food are they receiving to feed their spirits? Who will make them aware of the Saviour who died and rose again for them?

We have a responsibility. We are the disciples of today. Parents have a difficult task in overseeing all that their children do in this modern age; their time is limited because of commitments of work. The church has a responsibility towards the children in our community.

In St Breward the churches together provide clubs that will feed the spirits of our children. Sunday Club meets on a Sunday morning at Church. Children's Church meets on a Wednesday afternoon at the Chapel. Are your children taking advantage of the opportunity to provide for their spiritual welfare? They will be most welcome at the Clubs meeting through the churches.

Yours Sincerely. Pastor Brian.

Blisland WRVS Club: For our meeting on Tuesday 2nd July it was decided to have lunch at the Halfway House Inn at Twowatersfoot. We were made most welcome and a long table had been prepared so that we could all sit together.

An extensive list of bar food and blackboard specials was available so that we had a variety of meals to select from. All thoroughly enjoyed what they ordered and all recommended a return visit. As Trago Mills is only one mile further we all spent the rest of the afternoon looking around the store.

Wed 7th	10 to 11.30am	Coffee Morning in aid of Children's Wednesday Club
Sun 11th	9.30am	Mr Sanders
Sun 18th	9.30am	Brian Parkman
Sun 25th	9.30am	Andrew Martin

Advanced Notice:
Wed 11th Dec 7.00pm Carols by Candlelight. Please book this date.

Open letter to all parents with children attending the Wednesday club.

Dear Parents,

Please make sure all your children's clothes have nametags attached. Several items i.e.- jumpers, coats, hats, bags get left behind on club days. Those with names on are easily returned; those without are taken to school and hopefully get reclaimed.

At the moment there are two waistcoats and one topcoat waiting to be claimed (left at the Jubilee celebrations).

Thank you,

St Breward Methodist Church Council.

Blisland Village Hall

We are hoping to start up the following activities for Autumn/Winter 2002-03 -: Arts/crafts, Youth Club, Movement/Dancing classes, Keep fit/exercise classes, Osteoporosis classes and Gardening club. We have achieved substantial grants to get these activities up and running so initial charges will be minimal. Anyone interested in any of the above phone either Bill Pope on 850338 or Shirley Runnalls on 851240 to co-ordinate these activities.

Educational classes for Computer Basics will be held in the Village Hall on Thursdays September 12th, 19th, 26th, Oct 3rd, 10th, 17th, and 24th from 2.00pm to 4.00pm. These are being organised by Adult/Continuing Education. Please phone Mrs Samantha Hobbs on 01840 213511 to book a place.

It is the weak who are cruel – gentleness can only be expected from the strong.

St Breward Primary School

Another school year is almost over and our Year 6's have just spent two exciting days at Sir James Smith School, where they will be going in September. They really enjoyed themselves and are now it doesn't seem quite so scary! They have been a brilliant bunch this year and we are sorry to see them go. The SAT's results this year were the best ever and we're very proud of them. So good luck to Kelly, Katie, Dan, Jamie, Richard, Joe, Shane, Jemima, Aaron, Leah and Zoë and we trust that you will continue to work just as hard as you have this year.

The class two sale raised a truly amazing £146! Your generosity never ceases to astound us! Thank you again to all who came and supported us. The money will go towards many much-needed things for the classroom.

This month has seen a lot of outside activity at school. Class one went to Cardinham Woods for a walk and a picnic. Class two went to Ivey Farm, (our thanks for the hospitality), at the beginning of the month when the weather wasn't quite as kind as it should have been!! Some very wet and bedraggled children were spotted hiking over the moor followed by some even wetter and more bedraggled staff!

Then, Classes two and three went to Polzeath beach where we were met by the marine biologist who took us rock pooling. There were some fascinating creatures to be found and once we had collected a good selection, she told us what they all were. A really interesting (and again, very wet!) morning.

Unfortunately, the area sports day was cancelled due to a water logged field but we do hope to get there next year! Our own sports day was very good and a lot of fun. Thanks to all who supported us and bought raffle tickets.

And finally……

As we look forward to a good, long summer holiday, please keep your eye out for any unauthorised use of the school premises. It would be so nice not to find things vandalised when we return. Happy holiday!

> Today we inherit the benefits earned yesterday.
> Tomorrow will be heir to what we do today.

Local Man scoops £30,000 BMW Prize

Congratulations to Dave Hill who recently scooped a whopping prize of a top of the range BMW in a national competition. Dave has been telling friends that it was superior brainpower that put him above all the hundreds of thousands of competitors to clinch the top prize worth £30,000.

Micky Harris, the Cornish Community Magazine Reporter of the Year 2001, is reportedly eagerly awaiting his promised ride around the village in Dave's limousine but Dai Wills, Ennstone's "Most Relaxed Employee of the Year 1990 –2001" managed to say that he wouldn't hold his breath, because he also had a letter telling him that he'd won a BMW – all he had to do was phone them to collect his prize – inertia overcame him and he just managed to throw it in the bin.

The St Breward and District Gentlemen's Dining Society
Founded 2001 – 2nd year and still going strong!

OYEZ, OYEZ OYEZ. Let it be known across the parish that the "St Breward and District Gentlemen's Dining Society" (Affiliated) will be holding it's second annual Gentlemen's Dinner at Darrynane on the evening of Tuesday August 13th 2002.

In keeping with the tradition established as long ago as last year, the evening will begin with sundowners from 18:00, followed by dinner at 19:30 hours. Carriages should be arranged for early on Wednesday 14th August. As always, the gourmet meal will be accompanied by the usual assortment of fine ales and wines.

Membership Opportunities.

Whilst it is anticipated that all existing members will be attending, there are a limited number of new memberships available. Restrictions do apply to maximum numbers, so if you are interested in attending please let the Recruitment Secretary, Denis Lusby, or the Entertainments Director, Brian Mitchell, know as soon as possible. You will be advised of the success of your application in due course.

Would all members please note that dress this year will be described as informal as opposed to optional. This should stop a recurrence of last years embarrassing scenes in the kitchen. Furthermore, could all members remember that the phrase "smoking jacket" refers to a type of garment. We do not want the fire brigade turning up again this year! Finally, may we remind members that the phrase "drink as much as you can carry" does not refer to their personal capacity or consumption ability, but rather the amount of their own they can carry to the dinner!

The menu will be available on http://www.bodminmoor.info on the Monday of the dinner.
Finally, entertainment. Whilst the sole purpose of the society is to lay on events that allow gentlemen to enjoy convivial conversation without being corrected, reminded, tutted -at or in any other way humiliated publicly, we think that we may be able to book Fifi leHoop once again to perform her very interesting act. Apparently, taking into account time spent on remand, and with time off for good behaviour, she is likely to be released at lunchtime on the Tuesday. Naturally she may be a little out of practice, but no doubt she will make up for with this through her fantastic enthusiasm, which impressed all the members in attendance last year.

Gentlemen can obtain a full set of the societies membership rules by applying to: The Membership Secretary, St Breward and District Gentlemen's Dining Society, Darrynane, St Breward. PL30 4LZ. A full report, and details of further events, will appear in next months magazine.

Tomorrow is brand new with no mistakes.

Wenford Bridge Pottery

Wenford Bridge Pottery functions today much as it did at it's conception in 1939 using age old methods of pottery making. The stoneware clay is blended from local materials
and ball milled on site; glazes and pigments are made in house;
pots are hand thrown at traditional kick wheels then
glazed and decorated by hand, set in the huge circular down draft kiln
built fifty years ago and wood fired to 1300.C.
Pots are sent to collectors and galleries but most remain to be sold
from the pottery's own showroom.
The showroom is open daily and the Cardews welcome your visit.

Opening June 1, 2002

The Pottery Garden

where good food and great pots meet.
The aim is to offer interesting, tasty, fresh food, made from our recipes,
then cooked or baked in our kitchen.
Picnic baskets are available if you choose to take your meal
beside the Camel River as it passes by the water meadow.

Cream Teas
Lunches & Snacks
Cakes & Fruit Pies
Ice Creams
Picnics

Kitchen & Gift Shop

Pottery designed especially for the admirer of original, yet functional ceramics. Priced for everyday use. Also available is a selection of handmade aprons, tea cosies, tablecloths & napkins
as well as other fine crafts.
All for your creative kitchen!

Shop, snack or simply relax beside the river. It's all part of The Wenford Experience.

Telephone 01208 850 471 www.wenfordbridge.com

St Breward Half Marathon

Can you run the Beast or its pup!

On 1st September the Bodmin Moor Beast will begin at 11.00 am at Rylands Terrace. The run is approx. 13.5 miles long. It is a multi terrain event and includes roads, Moorland tracks, Roughtor and Brown Willy. It finishes at the Football Club were there will be stalls, games, a raffle and a BBQ and of course the presentation or the Trophies. The run costs £10 per entry.

At 10.30 am there will be a fun run, for the younger members of the village and those that feel the Beast is just a little too far! It also starts at Rylands Terrace. The route takes the road passing Hellagenna and over the moor to the football club. It is about 2 miles in length. This run is £3 per entry or sponsorship.

The proceeds from the run will be put towards computer equipment at St Breward Primary School and the St Breward Play Areas fund.

If anyone wants to take part or would be willing to lend a hand on the day or before please contact:

Linda Belcher (851121), Jo Best (851544), Angela Clark (850855), Aileen Feasey (851497) or Sharon French (850169).

We desperately need your help and support to make this event a success– Thank you.

The Friends of St Breward School

The Friends arrange events to raise money for the School. The money is used for playground and sports equipment, extra computer software and anything else that is needed.

The Friends are open to anyone. So if you would like to help raise some money for St Breward School and have a spare hour or so we would be very pleased to welcome you to our meetings.

Q. What do you call someone who used to spend all their time telling of nothing but tractors?

A. An extractor fan

There are too many people
and not enough human beings.

St Breward Parish Handbells

The Parish Handbells have been rejuvenated! After languishing in a cupboard in the Memorial Hall for a number of years, the set of 12 handbells have undergone a complete renovation, with new handles and a general clean up and polish. Both the St Breward Parish Council and the St Breward Handbell Ringers, who are now the handbell's custodians, supported this costly investment, essential in order to preserve this small part of St Breward's heritage.

On Tuesday 2nd July at the monthly Parish Council meeting, the Handbell Ringers demonstrated the "revived" set to the Parish Councillors and others present by playing a few melodies, much to the amusement and appreciation of all attending. It is hoped eventually to have a display cabinet made to allow the full set to be displayed at functions, as well as played! For those interested in the technicalities, the full set is made up of 12 bells, "rough cast" finish, and believed to be made in the 1850's by Taylor's of Loughborough who are still manufacturing sets of handbells to this day.

The St Breward Handbell Ringers are available for demonstrations for public and private functions and are always keen to talk to individuals wishing to try their hand at this enjoyable pastime - practice nights every Monday evening 7:00pm at St Breward Church. The St Breward Parish Council meets at the Memorial Hall on the first Tuesday in every month, with meetings welcoming the general public to attend.

Local Talent Wanted!!

The players, members, and supporters of St Breward Silver Band, are touting for local musical talent within the Parish and Community to join them, and other talented Cornish musical groups within the county, at their **Music By The River** concert. This is being held by kind permission of Seth and Bobbie Cardew in the grounds of Wenford Bridge Pottery, Saturday evening the 7th of September. (full page advertisement refers).

Despite full order books the band remains committed to supporting it's local community, in particular having happy memories this year of playing on the top of Roughtor for a service of celebration on Ascension Day. Recent highlights of local events must be taking an active role during the Jubilee Celebrations day, playing at the Church fete, the Carnival service, and leading the Carnival procession through the village.

Music By The River will be a superb social evening designed to be a grand finale after months of Jubilee Celebrations within the community. The band will play for at least two one hour concerts, supported by the popular Cornish ladies choir the *Allen Valley Singers*. In addition there will be other supporting musicians and of course no band event would be complete without our famous *Duck Race*. Tickets for the Duck Race can be purchased from Rob on 01208 851370, who knows you may pick the infamous 'lucky the duck'!

The icing on the cake for this musical social evening is the participation of ***local musical talent.*** We hope to confirm Vicar Derek on his guitar supported by accordion, perhaps school choirs, recorder groups, local folk singers, solo artists of all age groups, maybe even a Morris Dancer or two! All would be most welcome including all you music teachers living in the community. I hope to hear from you all, just give me a ring on 01752 203571, or Clair on St Breward 01208 851203.

Brian Hummerstone Band's Publicity Officer.

St Breward Parish Council

St Breward Parish Council met on Tuesday 1st July 2002 at 7pm in the Memorial Hall. District Councillor Jim Kempthorne, Police Officer Adrian Hellier, Jon Web, Peter Glaser and members of the St Breward Handbell Ringers, Cathy Glaser, Cathy McShee, Penny Carrivick and Jan Chivers also attended.

The refurbished handbells were on display. Cathy Glaser said that these bells were about 150 years old and not quite perfect in tone but some music could be played on them. Handbells would be insured by the Parish Council but kept under lock and key by the St Breward Handbell Ringers. As the handbells were interesting, perhaps a display case could be made to show them to the village from time to time. Conducted by Derek Carrivick, a short demonstration of handbell playing was then given.

Adrian Hellier reported very few incidents over the past three months in St Breward. One problem is pinpointing the location of places. Ambulance services need the grid reference of a place to call while the police need the postcode. Many people calling for police, fire or ambulance services are unable to supply such information. Ideally, at the side of every telephone should be its postcode and grid reference. This matter will be investigated.

The Parish Council expressed no objections after review of the following six planning applications:

1. Deepening of the channel at Wenford Bridge to reduce flooding.
2. Increasing office accommodation at De Lank Quarry.
3. Mr & Mrs Ray, Hunters Moon, Higher Penquite, dining room extension.
4. Mr & Mrs Harrison, Treleaven, Limehead, extension to cottage at rear.
5. Mr Turner, Tickety Boo Cottage, Row, detached garage.
6. Mr Crowle, North Cornwall Aviaries, Chapel, change of wording only.

Jane Hanscomb had attended an inauguration ceremony of Corlink, a new type of bus service and she will publish details of this service in this magazine.

Derek Carrivick had attended a meeting of the Bodmin Moor and Camelford Partnership and reported several parish councils had found that many of their problems are shared and that it would be advantageous for such councils to work together with the expectation that a consortium of councils might be able more readily to attract grants for their future projects.

The chairman had attended a meeting to discuss renewable energy sources that would be needed before the earth's fossil fuel sources are eventually exhausted. Wind, tide, wave and geothermal energy sources are outside the remit of parish councils. At a domestic level, renewable sources of energy included the use of wood chip and wood pellet burning central heating boilers and the use of solar pan-

(Continued on page 34)

(Continued from page 33)

els to heat water and photo voltaic panels to generate electrical power. Wood pellet fuel would be delivered by tanker and blown by pipe into domestic fuel bunkers and the little ash produced would benefit the garden. Grants may be available for solar and photovoltaic panels.

Kevin Foster announced that there was hope that a Defibrillator Group would be set up in St Breward to give immediate assistance to anyone suffering a heart attack. Funds would be needed but some help could be given by the West Country Ambulance service. Jane Hanscomb and Brenda Walby wanted to be involved. Anyone interested in this project is asked to contact Kevin. About ten volunteers are needed and training will be given.

A Council meeting will be held in the Memorial Hall at 7 pm on Tuesday 3rd Sept 2002 unless there are applications to be reviewed in August. All are welcome to attend the meeting, to raise matters of public or individual concern or perhaps only to listen to what goes on in local government.

Mev Shelley

Small place – big ideas!

Temple has been successful in obtaining a large grant from the National Heritage Memorial Fund – after spending over a year putting all the parts of the application together.

The Local Heritage Initiative is a national grant scheme that helps local groups to investigate, explain and care for their local landscape, landmarks, traditions and culture. Its underlying principle is that 'the long-term future of our local heritage lies in the hands of those who value it at local level'. We certainly do.

We're starting by reinstating the granite and gravel path to the church with a simple handrail alongside so that access is easier and safer. The church wall to the road is to be re-built in local style topped with rails to deter sheep (this is currently done with barbed wire). The wall-building is being run by the British Trust for Conservation Volunteers as a training course for local people to learn these skills. We are updating and republishing a 100-year- old book written by a previous vicar on the Templar connection and setting up a website of local heritage information, including memories of earlier residents. We also hope to produce interpretive leaflets for visitors to the church.

It's a lot to do by not many people. A condition of the grant is that we match it with volunteer labour – so we hope that some of you from Blisland, St Breward and Helland may like to enjoy an afternoon shovelling gravel with us. We'll keep you posted on our progress.

Phone Derek Carrivick (850869) or Joy Montague (821582) if you'd like to know more.

Interested groups can find out more about this grant by phoning the LHI Information Line on 0870 9000401 for details and application forms.

The Josie Newton & Bett Bate Memorial Darts Evening

A darts tournament was held at The Old Inn, St. Breward on Friday 1st June 2002 in memory of Josie Newton and Bett Bate.

The winners of the Josie Newton Memorial Cup were Colin Greenaway and William Walters. Kevin Greenaway and Lee Newton won the runners-up cup. The Ladies Highest Score went to B Nottle and the Men's Highest Score to K Greenaway. A total of £323.00 was raised and this sum has been handed over to Mount Edgcumbe Hospice.

A great big thank you to Darren and Simon at The Old Inn for their wonderful hospitality on the night (which included lovely refreshments). Thank you also to Mickey Harris for successfully running the tournament, Keith Morrish for donating the medals and to Barbara Kendall and Sheila Williams for working hard all evening selling the raffle tickets

Thank you also to everyone who donated prizes, attended on the night, purchased raffle tickets, bought in the auction and made the night such a success.

We look forward to seeing you all again next year.

Mark, Nessa, Richard and Babs.

It's never too late to be what you might have been.

St. Breward WI July 9th, 2002

In spite of eight apologies there was a good attendance at the July meeting.
Our representative at the IGM in Brighton, Mrs May from Wadebridge, was also unable to attend but sent a concise report, which was read to those, present. All the resolutions, which we had discussed, were carried by large majorities; it was also said that the NFWI would like to increase the circulation of the Home and Country magazine by 10,070 during the next twelve months so please send your enquiries to Mrs C Woolf, who is in charge of magazine subscriptions. As usual the annual subscription for the W.I. will be increased to £18.25 for 2003, so start saving up for February!

June 2002 to June 2003 will be the WI Year of Health so we can expect a lot of promotions from County etc; I hope that some of our speakers will concentrate on healthy living and its benefits. Several members are interested in the Long Mat Indoor Bowls Tournament on November 21st, others may go to the Christmas Music and Flowers at St Newlyn East on November 28th, and the day of Music and Architecture at St. Neot is of interest to several members.
In future there will be no Novice Class at Group Meetings; accordingly our Group competitions on October 17th in the Methodist Chapel will be;

Apple chutney - to your own recipe
a card for an autumn birthday – 15cm x 21cm maximum (approx 6" x 8")
floral- fruit and leaves in a basket 30 cm (12") maximum overall

Mrs Irene Alexander brought the blanket she has made from the squares knitted by members, which was quite an undertaking and a good result. Many thanks Irene.

Our speaker was Debbie Hummerstone, who is the first LADY Chairperson of St Breward Silver Band. She gave a very interesting and informative talk about the Brass Band Movement's 200 year history, and then the history of our local band, together with her ideas for encouraging young players to ensure the future of the band.

The competition for a photo or card of the band was won by Mrs J Teague (whose past and present family members are so much a part of the band), Mrs Wilton was second and Mrs Busbridge third.
Mrs W Bevan produced the best flower, with Mrs Wilton second and Mrs R Lowe third.

Please note that we SHALL hold a meeting in AUGUST on the 13th at 7.15pm
Our president, Mrs C Woolf, will talk about Old Torquay Pottery. The competition will be a picture of a Devon cottage in any medium, and an arrangement of flowers, but only those whose names begin with D (I feel that Dandelions may be in favour)

Due to my absence I am indebted to Mrs J Teague who gave me a copy of the minutes she had written for the secretary who was ill.

Anne Holmes 01208 850953

HONEY

How good to see Jane Hanscomb's note on honey (Parish Magazine, June). Indeed honey will be scarce for the next twelve months.

With regard to the cost of honey, local honey should be three times the price of imported honey. Those countries producing the bulk of the world's honey have such favourable weather. The bees are rolling it in for perhaps eleven months of the year. Bee farmers in Australia and Mexico treat their bees as dairy farmers here treat their cows – like machines.

We Cornish beekeepers have had three difficulties to battle against this season, viz. the weather, chalkbrood and varroa.

When you read this the weather will be beautiful!! When the sun is shining and you take the family down Damar Bay, all that bad weather is soon forgotten. But put yourself in the place of one little honeybee in May & June. Can't don hat and coat to sally forth in search of nectar? What nectar? – The flowers were all beaten up (no down). And you'd have been blown down to the ground yourself, too chilled through to make it back to the hive.

That was eight weeks of sad weather. Much of the flora for what the apiarist terms a "honey flow", as sycamore, may, apple and lime were entirely spoilt. It is a fact which no other class ponders as the beekeeper, that the blossoms lost to foul weather can never bloom again. That was a teardrop, not a drop of honey.

Chalkbrood is a common bee disease, but this spring it was much more prevalent than is usual. The brood in the larval stage is affected, dries up and becomes mummified – resembling a little lump of chalk, whitish or grey, in the cell.

With regard to verroa, Jane's advice to follow the instructions on the box is entirely sound. The box referred to is of Baverol or Apistan – two varieties of strips designed to dangle between the brood combs. The problem now is that there are mites extant, resistant to the chemical in the strips. Clearly if one leaves the strips in the hive longer than they should be there, the strength diminishes, and a few remaining or invading mites are able to tolerate them, and forthwith breed up resistant young mites – Rotters. Some beekeepers have suggested alternating the treatment between the two brands, but they both work on the same active ingredient.

Natural treatment for varroa

Personally I have never used Baverol or Apistan but buy a product containing a herbal oil. "Apiguard" comes in silver foil trays to place over the brood nest in Aug/Sept for six weeks only. Then I augment or vary the treatment with two others, both homemade. These are three different essential oils, viz. thymol [in the Apiguard], tea tree and wintergreen. These two latter I incorporate in a paste containing vegetable fat, caster sugar and honey. Cream together ½ block of solid

(Continued on page 41)

(Continued from page 40)
vegetable fat and ½ bag of sugar, add ¾ cup of honey and 10ml tea tree **OR** wintergreen oil, just stir it in – undoubtedly the best recipe for your next layered sponge cake!

We keep it in a sealed container, and put a [tablespoon] dollop directly onto the queen excluder, over the brood nest, replacing it as the bees use it. Have a six-week run in spring on the tea tree, change to wintergreen for a further six weeks, and then the Apiguard after the honey has been removed. (Don't forget to leave plenty of honey for the bees!) By thus rotating the treatment between the three there will be no build up of resistance in the mite.

Lastly if you can get local honey, don't try to eke it out – rather spread it on that home made bread THICKLY.

Graham Blackburn – Cornish Moorland Honey

Bus services: A new type of bus service was launched on 2nd July, which should be a great improvement on our existing one, especially as the 56 (which replaced the 126/136) seems to have been suspended without warning at the time of writing.

Corlink, the name of the new service, is a user on demand pre-booking service. Should you need to travel anywhere within the Camelford, Wadebridge, Bodmin triangle, then call Corlink at least 1 hour beforehand to book your journey . you can book up to 7 days in advance. Should you want to catch a train at Bodmin Parkway, tell Corlink your train time and you will be taken to Mount Charles at Washaway to connect with the ***55*** bus, which runs hourly between Padstow and Eden via Bodmin Parkway to enable you to get to the station in time. If you need to be there at a time outside the timetable of the ***55*** e.g. early or late on a Sunday, then Corlink will take you to the station. To get to Bodmin town will require changing buses at Mount Charles but Corlink goes directly to Camelford and Wadebridge towns.

Corlink will take you to any of the villages within the triangle so, for example, if you wish to travel from Helland to St Breward, telephone at least an hour before your journey to book your bus . and your return journey too if required. You can call the bus to any point within the triangle, as long as it is a public road and wide enough for the bus to get through and as the buses are small ones, this shouldn't be a problem.

The Corlink and route ***55*** buses are all accessible to wheelchair users, prams, push-chairs etc and the changeover bus stops are ramped which means that this new service should be available to all passengers. The Corlink buses run 7 days a week and operate from 7am to 11pm with booking times from 8am to 8pm.

The Corlink number is 0845 850 55 56

This new system looks as if it. should be a good service to our communities (except for Temple, unfortunately) and I look forward to seeing happy passengers!

Jane Hanscomb Transport Representative, St Breward parish Council

We were unable to bring you a football club report. This was due to prior commitments of the Lord Mayor of St Breward and his lady being away on a prior engagement.
See story below

Lord Mayor of St Breward Joe Kay, fresh from another Public Engagement, the successful opening of St Breward village fete, was desperate to find out how well Tonto's onions were growing in his garden. George Babb had just told him that they were the biggest he'd ever seen in his life and he just had to see for himself.

Not wishing to appear nosey, he decided to take his electric hedge clippers and give his conifer hedge a quick clip – he could then part the leylandii and take a geek.

Unfortunately for his Worship, he overbalanced and fell forward and wedged himself between two conifer trunks in his hedge.

Picture the scene – on one side of a conifer hedge were two arms clutching electric hedge clippers and on the other a pair of legs wriggling about like someone with fert worms, whilst out from the centre of the hedge rose a great bawling and wailing.

Doreen came running, but had to sit down for a few minutes because her sides were hurting – not from a stitch you understand, but from laughing. After another few minutes she managed to pull him out but it took a lot longer before Joe calmed down.

STOP PRESS Back from Manchester and the opening of the Commonwealth Games, Lord Mayor of St Breward Joe Kay has announced that due to huge increase in public engagements he has been forced to increase his fees for next year.

F Awner, Court Correspondent

Micky's Safe Return— People of St Breward gave thanks for the safe return of Micky Harris who on his recent sojourn in Wales decided to take the ferry for a day trip to Ireland. He thought it would be a dawdle as they spoke English – he could understand Denis in the shop, they drove on the same side of the road and they did as well as England in the World Cup.

When he arrived in Wexford his nightmare began. He had to change his money into Euros (Banknotes designed by a committee chaired by Mickey Mouse), which made everything seem twice the price.

Although they are supposed to drive on the same side of the road he quite often found them on both sides of the road. Road signs had distances in kilometres whereas speed restriction signs were in miles per hour.

He couldn't understand a word anyone said because Wexford people have a different accent and speak three times as fast as Denis and the only football he saw was Gaelic where you were allowed to do anything except head the ball and where men in white coats kept rushing out from besides the goals waving white flags.
