Congratulations from all his family to Keith Prout of Hantergantick Farm, who received a long service award from the Cornwall Brass band Association for over 50 years in brass bands.

The award, a surprise to Keith, was made on 9th March at the annual band contest in Truro's Hall for Cornwall.

Front Cover We were up at the Spring Flower Show at Boconnoc yesterday and amongst the display of Scarecrows by local schools, came across St Breward's entry which was very impressive (though had not won an award – it should have!). Photos attached, titled:

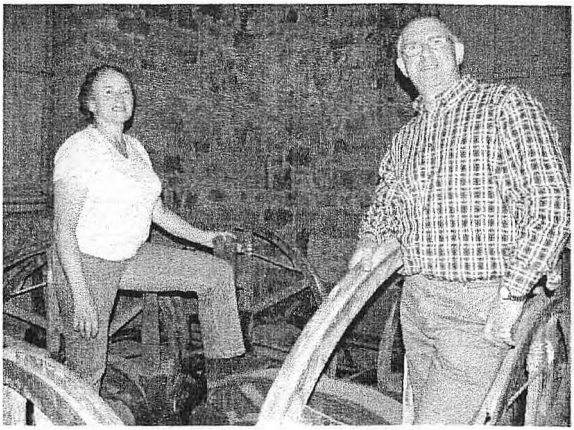
St Breward & Blisland Churchbell Ringers



In April, St Breward & Blisland Churchbell Ringers teamed up with St Tudy Ringers for a coach outing of ringing stretching from North Cornwall into Devon. Bell towers sampled were Whitchurch (near Tavistock), Lydford, Oakhampton, Holsworthy and Poundstock, with a splendid lunch at the Crossways Inn at Folley Gate. Thanks to Ron Skyner of St Tudy for organising the day which is no mean feat in ensuring towers were open for us when we arrived! Pictures show the full coachload outside Poundstock Church, and Veronica Hill and Keith Matthews in the belfry at Holsworthy Church where we were very kindly shown their unique auto-mechanism for chiming their bells, known as a carillon. If you have an interest in Church Bell ringing, or would like to give it a try, contact Bill Hill, Tower Captain at St Breward, on 01208 851308 - or just turn up at St Breward Church on practice night every Tuesday at 7:30pm (Blisland Church last Tuesday in the month). I nearly took one of the cat's worm and flea tablets the other day in mistake for a muscle supplement for arthritis. The containers are Similar. We hope to move to Bodmin in the near future, my cats Ginny and Aisling, Victoria and me.

Meantime the chaos continues as best endeavours are made to clear away the accumulated detritus of 19 years in Egloshayle. It's hard to part with stuff of sentimental value, but the skip has been paid for and must, therefore, be used to its best advantage.

Sticking with the old, safe though out-of-date items is the more comfortable option, yet the challenge comes many times not to swim with the tide, but to strike out for something more worth while. I thought downsizing would also mean downgrading. Not a bit of it, there have been one or two delightful homes within my price range. It's liberating and exciting to have a move. As it says somewhere in the Old Testament (I think), Hitherto has the Lord helped us, therefore we can say boldly, "The Lord is my Helper and I will not fear."

Friday Fun Nights commence on 27th May, 15th July then 26th August. 50p a session. The first 20 that show interest will be the new club members. Meetings will be at the Village Hall to start with, then on to share with our Methodist friends later in the year.

P.S. Please vote with your heart and conscience, not with your current bank statement, but please don't stay away from the Polling station, women died so that we could have the vote; it should be mandatory to use this privilege. In Oz you would be fined if you didn't exercise your vote.
Yours sincerely,
Val Jones

Dear Friends,

I came across these words recently:

"It's only by going down into the abyss
that we recover the treasures of life.
Where you stumble there lies your treasure.
The very cave you are afraid to enter turns out to be
the source of what you are looking for." (Joseph Campbell)

When I left school I gave a great cheer for now 'life' was about to start. It is only as the years have passed that I have been forced to admit that though I have left school, the lessons continue. And, as at school, the more we pay attention to the lessons the quicker and easier we learn them, but the more we try to avoid them the more painful they become.

It is easy to look at someone else's life and say, 'Challenges make you stronger,' but when our own challenge comes along we're not so enthusiastic. However, if we look at the challenge - and some of them can be very painful - and, instead of bemoaning the ill fortune or injustice, we look upon it as an opportunity to learn, it may help us to pass on more easily and quickly to the next one.

Sometimes pain is necessary for without it we can easily convince ourselves that everything is fine but when we are hurting that we are forced to accept that we have a problem. We sometimes have to experience the pain of divorce, loss, unemployment or illness before we realise our need for change. In this way our suffering becomes a catalyst for personal growth.

But we need never be alone in our suffering for throughout our lessons God is at hand, being for us the teacher, doctor, counsellor, mentor or friend that we need to help us pass the grade. So when you are feeling down remember to pick up the treasures that can be found there for they may be just what you've always been looking for.

With God's blessings, Stella

Blisland WRVS

For our first meeting this year, four members were unable to attend, so it was ten that made their way to the home of Mrs Audrey Pierce, our Treasurer. We were pleased to have Mrs Marion Humber, Supervisor for North Cornwall WRVS Clubs, join us. As always we were made very welcome by Brian, who served us with an aperitif on arrival. An excellent lunch followed.

In the afternoon we held our AGM where I gave a summery of our activities for 2004. The highlight being the afternoon trip to Gorran Haven and the evening outing to see the Christmas lights at Wadebridge and surrounding villages.

At the conclusion of the report, members were asked to consider who would undertake the organisers role as and when we anticipate moving away this summer.

Audrey gave us an amusing competition where from various statements parts of the body had to be identified!! Marion Humber gained most points and was awarded first prize. A raffle was held where everyone drew a prize.

Tony Ham, Club Organiser

Blisland: We had a marvellous evening with Tori Jennings, who sadly, is leaving Blisland in May to head back to the USA to complete her PhD. She has spent 19 months here, even persuading her tutor she really did need another few months in order to cover all the research she needed to do a little bit further!!!

She will be much missed by all and it was testimony to the fact how much she has touch the lives of so many folk in the village but the wonderful number of people who came to her farewell slide show and talk.

A lovely painting of Blisland Village Green by Wendy Parkyn was presented to Tori at the end of the evening by Mrs Billings who Tori knew very well. Tori had been a member of the Art class that Wendy runs in the village hall, so it was most appropriate gift!

We also enjoyed a fine spread of food and drink, 'Blisland- style', which gave us all the time to have a chat with Tori before she leaves us. It meant a lot to Tori, I know, that Rev Derek and Penny Carrivick managed to attend the evening. Derek was in fine form and Tori invited him to read out a poem – which he did with true gusto and in fine Cornish fashion!

We wish Tori success and happiness in the future and look forward to her visit to Blisland at Christmas time!

Blisland Parish Council (March 2005 Meeting)

The Parish Council met on Thursday 14th April where there were six Councillors and six members of the Public present.

Before the meeting formally started, there was a presentation of the Moor Boundary Stones project given by Andrew Langdon with Peter Davies. Andrew explained the massive task of finding the stones and identifying them, then the process of recording all that is discovered and known from the elders of the Parish. Toward the project's conclusion there will be new name stones put on the moors. He then went on to advise that it is planned to finish the project by beating the Bounds. Because the moor boundaries pay little attention to the Parish Boundaries, it was suggested that Blisland with St Breward form a joint committee to work toward this aspect of the project. This concept is under consideration by both Parishes. **The Boundary Stones project needs volunteers to assist with walking the moors to locate the stones. Anyone willing to add assistance should contact Peter Davies on 01208 76044.**

The meeting commenced with Wendy Harper, from the floor, raising problems with various hedges and roadways. The Parish Clerk had contacted Highways about a number of these, one or two that had been resolved, but others had not. She agreed to chase up Highways and advise the additional problems. PC Rice had submitted a written report advising that there had been no reported crime in Blisland since the last meeting.

Under planning decisions, Stephanie Meads reported that the Hawkstor Barn conversion had been withdrawn. There were two planning applications, both for Little Place, Cassacawn Road, for a small single story extension & a double garage to replace the single garage. These applications were given unanimous support.

There was a quotation reviewed for a hearing loop from Cornwall Deaf Association. This seemed a good solution, but the cost was such that two more tenders should be invited, which the Clerk would undertake. A quotation had been received to upgrade the toilets to a single unisex/disabled facility. It was agreed that this should only proceed if the Council is able to secure grant funding.

Edgar's Oak, part of the memorial to Edgar Rowe, has been supplied and planted on the Green. Thanks were offered to Nic Harrison-White for supply, advice, and help with planting the Oak, and to Ed Greenaway for helping move & planting the Oak. It was agreed to order the memorial stone.

Councillors were given copies of Financial Regulations at issue 1 & the Annual monthly check list of actions from the Standing Orders, Financial Regulations & Risk Management schedule. Some consideration was given to litter in the Parish following on from a parishioner letter. NCDC have been advised and agreed to attend to the matter. Councillors reviewed their budget for the year and agreed the

It was agreed that a Christmas tree on the Green for next Christmas was a good idea, but it was considered that the project should be led by a Parish Group rather than the Parish Council (the Council to support the project).

St Breward Carnival 2005

The Carnival is well underway, and the Committee are busy in their preparation to make it another success!

We held a Junior Disco on Friday 1st April at the Football Club, and at this event our Carnival Royalty for 2005 were selected. Our Queen will be Samantha Champion, and her attendants will be Katie Storr and Anna Cornelius. We were very fortunate to have two expert judges in Yvonne Edwards and Brenda Burnard, from Delabole and Camelford.

The Carnival Programme competition was displayed and judged by members of the Village Hall Art Group. The winner, whose drawing makes the programme cover, was Ellie Westbury.

Mike Tregaskes hosted another Quiz night which raised £115 for Carnival funds. The winning team were 'The Hammers'. Thanks to everyone who attended this evening. It was fun!

Our next meeting to confirm the details for Carnival Week will be held on 4th May – details from Veronica on 850 674.

The Carnival will be entering a team in the Ten Tors (thanks to Matt Waters for arranging this) on Sunday 8th May.

Remember the Carnival is on Saturday 2nd July, only 2 months to make your costume or float....see you there!!

St Breward Snooker Club

stbrewardsnooker@hotmail.co.uk

Treasurer Martin Yeo 01208 850141 Secretary Dean Hill 01208 851170

The St Breward Snooker Club is situated at the Village Hall and we would like to remind all residents that this facility is available to everyone.

Over the years the membership has fallen and the Secretary's report at the recent Annual General Meeting was a harsh reminder that unless membership increases, this valuable asset to the village may have to close.

The Committee would like to say that everyone is welcome, no matter what your standard of play. You can invite guests and participate in the regular competitions.

For the 2005 season there will be a Continuous Ladder, with monthly results published in this magazine, Summer Knockout Competitions and Handicap Events.

Please contact Martin, Dean or any of the committee if you wish to join either as an Honorary Member or active player.

Sponsorship is needed as the cloth will need to be replaced fairly soon and any donations, however small, will be greatly appreciated.

Bodmin Moor Photography Competition & 2006 Calendar

The *Best of Bodmin Moor Marketing Group* is producing a Calendar for 2006. To find the best images of Bodmin Moor, we are holding a Photography Competition

The theme for the competition is "The Best of Bodmin Moor". The top twelve images will be published in the calendar, which will be designed to show the rugged Moorland landscapes and archaeology, the remarkable people, flora, fauna and farm animals that inhabit this fascinating natural environment. The calendar will reveal the character and beauty of Bodmin Moor throughout the year and in all weathers!

The Photography Competition is open to everyone, local or visitor, professional or amateur. Representatives from North Cornwall and Caradon District Councils and the Best of Bodmin Moor will judge the photos, and the photographers will be anonymous to the judges. The winning photos will be in the Calendar, which will be published in July 2005, and the overall winner will receive a 35mm compact camera donated by Clemens Photography in Bodmin.

The closing date is May 31st and winners will be notified during June. Details will also be posted at www.bobm.info.

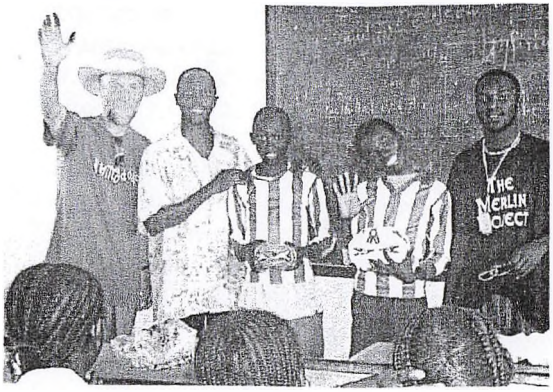
Entries must be on an Official Entry Form, available by calling 01208 821235 or from photo@bobm.info. Please complete, sign and return the form to the address given. By signing you agree to be bound by the Rules of the competition, which are on the Entry Form. Make sure all entries are clearly marked with your name and address, and where and when the photograph was taken.

The Best of Bodmin Moor is a not-for-profit association of businesses based on and around Bodmin Moor, whose aim is to promote the economic and social prosperity of local communities and businesses. We bring together local people, visitors, product and service suppliers and providers for their mutual benefit. Members include accommodation providers and tourism operators, artists and craftspeople, pubs, restaurants, local business and trades service suppliers, as well as business support resources.

St Breward Primary School

This is a busy term for the children and Year 6's are nervously approaching their SATs in May and are working really hard at the moment. One of the tasks they will be tested on is short story writing. They will be given 45 minutes to complete a story and are assessed on many aspects of the work, from creativity to language used, punctuation to content. It is not an easy task to do. We have had some practices and below, is one of the practice stories, written by Hollie Cornelius (and in 45 minutes!)

St Breward Football Kit goes to Gambia!



One of our recent supply teachers and her husband, set off to Africa and took with them many presents from different schools to give to school children in Gambia. We sent our old football strip and some new footballs and have received a lovely photograph of some children dressed in St Breward gear! They are delighted with this gift and we are equally delighted to have been able to help them.

Yellow Pages

Thank you to those people who are still dropping off copies of these at the shop and school. One or two businesses have also rung us and to date, we must have about 100 ready for next year's count. Please keep them coming. We are still waiting to see if we have been placed in this year's competition and will keep you informed.

Carnival Cover

Ellie Westbury won the design of this year's Carnival Magazine cover for her wonderful drawing of the Carnival. Other prize winners were; Toni Macari, Emily Pratt and Georgia Bunt (Class One), Emily Bunt, Cicely Baron and Katie Storr (Class Two), Kirsty Harris, Harriet Levers and Beatrice Tucker (Class Three). Well done to all, there

were some cracking pictures, which really captured the spirit of our Carnival!

Hollie's story – "The Magic Frame"

Hollie wandered around the spectacular paintings, looking closely at all of the tiny features, amazed to see how lifelike they were! Suddenly, she heard a voice muttering. That's rather peculiar Hollie thought to herself. I thought I was the only one in here, but then thinking nothing more of it, she turned and carried on looking at the beautiful pictures.

As she walked into the next room, she heard the voice again but this time it was much louder and clearer. The voice was talking about how it was so boring in there, just staring at the other paintings! Hollie scanned the room carefully, and then something caught her eye.

It was a large painting at the back of the room of Henry VIII and his mouth was moving and talking. Hollie edged closer, extremely confused! How was it talking? Was this a dream or for real?
"Hello," said the painting.
"H-h-hi," replied Hollie, still confused.
"Don't be scared," said the painting (Henry), "There's no need to be scared, I'm not going to chop off your head! I just need some help and I need a friend as well." Henry explained about what had happened.

* * *

After a while, Henry had fully explained.
"What? So you had just died and your ghost was wandering around when you touched this frame and here you are!" said Hollie, amazed and still slightly confused!

"Yes, yes, it transformed me straight into a painting. There's one thing that I need and it's in that cabinet there".
The ghost pointed to a cabinet in the corner of the room.
"I've asked lots of people, but they just laugh at me. My ghost needs to go to Hell for killing people or whatever!!"

Hollie looked in the cabinet and at the very back was an old bronze key that shimmered in the sunlight. She opened two transparent doors and leant into the cabinet. As Hollie went to pick up the key, it flew up but luckily, stayed inside the cabinet. Hollie grabbed it this time, firmly and carried it over to the painting.
"In the bottom corner of the frame," directed Henry.
Hollie slotted the key into the hole and twisted and with one click, the frame flew open and out came Henry's ghost!
"THANKYOU! THANKYOU!" said Henry really pleased. Just then a big whirlwind came and sucked him into the ground!
The frame hit the ground and a white canvas glared back at Hollie. She picked it up and placed it back on it's hook and as she watched, a picture of Queen Victoria appeared!

Blisland Gardening Club

We have two events to look forward to in May. Firstly on May 14th we are holding our annual Plant Sale and Refreshments. It has been amazingly successful in the past so please help us to make it so again.
Watch out for notices in the Community News in the Cornish Guardian and posters around the village giving details of this event!

Then on May 27th at 7.30pm we have our 'own' Henry Kendall talking to us about 'Beekeeping and their Benefits to All'. Henry is a most entertaining speaker and very knowledgeable too. This is a not-to-be-missed evening! This will take place in the Village Hall as usual. Please bring plants and cuttings for our Plant Stall. There will be refreshments and a raffle at the end of the evening. Any non-members or guests who may wish to join us pay only £1 at the door!!! We look forward to seeing you all!

St Breward Community Bus

Everything seems to be going well, the bus passed it's MOT for another year and is being used quite a lot by various organisations.

There is always a down side and the most urgent one is for extra drivers for the school run. If you could spare an hour to cover just one run either morning or afternoon we on the Committee would be most appreciative. If you feel you would like to help but are uncertain of driving the bus then we willingly arrange for you to be trained.

Without extra drivers it will be extremely difficult to maintain the school run and this would be somewhat of a minor disaster to all affected

With just one or two drivers even on an ad hoc basis will help spread the load with our existing drivers. Once again if you can help please do so.

The bus is now running to Truro on the first and third Fridays of the month please contact me if you would like to join our happy bands of shoppers. Currently we have been charging £3.00 per trip but unfortunately from the 1st of May we will have to increase this charge to £3.50 due to the increases we have had on diesel this year already .

It is also possible that that the Committee may have to revue our hire charges when we meet in May, 2005.

I know that this early days but it has been suggested that a trip to Atlantic Village during the School Summer Holiday would make a nice day out. No date has been set as yet but if such a trip happens it would cost approximately £5.00 per person return and of course would be a full day suitable to everybody.

In order to judge if the trip will be well supported would anyone interested please contact me (Terry Goode) on 01208 851392.

ST BREWARD GARDENING CLUB

Our March meeting was held in the Chapel rooms (due to the Memorial Hall interior redecoration) and we are grateful to Muriel, Jenny and Henry for the excellent arrangements. Thank you.

Mr John Harris gave us a very informative insight to the reclaiming of Tresillian Estate Gardens and the success of the huge project was abundantly clear from the colourful slides shown during the evening. The Gardens are 100% organic and there was much interest shown in ' yesterdays ' remedies used in place of chemical sprays etc. We hope to arrange a return visit from John in due course when he will advise on the ways of making suitable control sprays for use in our own gardens.

A big 'Thank You' to Arthur and Gwen Goodman for the dahlias given to Gardening Club members – they were very much appreciated! (and will be seen growing in various St Breward gardens this summer)

The next Memorial Hall Gardening Club meeting will be on Friday 23rd September when we have a welcome return visit from Mr Ken Willcocks for our own 'Gardeners Question Time'.

Until then we have a busy schedule of 'away' visits and you may like to make a note of the following dates for your diaries: -

Sunday 8th May	'Tulip Day' at Paddy's Rose Cottage Garden. De Lank
Sunday 15th May	Bluebell Day at Bolts Quarry Farm
Tuesday 17th May	Highgrove visit
Friday 27th May	Evening visit and conducted tour of The Old Mill and Herbary, Helland Bridge
Sunday 19th June	Day visit to Docton Mill & Gardens Speke Valley, N Devon
Sunday 26th June	Short circular tour of St Breward with Gardens Open and Art Exhibition/Teas/Plant Stall (Memorial Hall) in support of St Breward Carnival Week
Friday 29th July	Evening visit to 'Half Acre'Boscastle
Thursday 25th August	Evening visit to Tresillian Estate Gardens with conducted tour by Mr John Harris

We will be very appreciative of any plants etc for our Plant Stall both on Bluebell Day and for the events on Sunday 26th June.

Please phone Jackie Greengrass on 851592 to book your seat on the Community Bus or for any other information.

Band News

Players of St Breward Silver Band returned to the community in a triumphant mood, 9th of April, having won the Frank Moore Memorial Shield following a hard days brass band contesting at the Hall For Cornwall. I really felt concerned for one of the female players, who in the upstairs practice room at the British Legion Club started to show signs of pre contest nerves. When offered encouragement and comfort, she announced that is was nothing to do with playing on stage, but more to do with the shock of greeting a male player changing his trousers as she left the inner cubicle of what she now knows as a male/female shared toilet.

"Sharing is caring" I say!!

The planning of this years Music By The River concert to be held in the grounds of the Potters Barn Restaurant on Saturday 13th August is now in a advanced stage. I am delighted to report that the latest act to be signed up for the five hour concert is ***"The Second Generation Steel Band"*** *from the famed "Sound House" music camp. Yes, the sound of a Caribbean steel band playing by the River Camel on a warm summers evening will, without doubt have the audience dancing on their feet.*

At long last I am pleased to report that the bands latest CD ***"From The Top"*** *will be on sale this month. It's release date being the first week in May. This 17 track CD has all the promise of being the most successful to-date offering a selection of music from the shows, James Bond, marches, and much more, a real foot tapping compliment of musical arrangements, a CD not to be missed. It will be on sale in all local shops and at band engagements for just £10-00p, or you can order via: the bands new web site stbrewardband.com.*

The band are always looking out for new members irrespective of standard of play. If you would like to join St Breward Band then why not come along to the band room on a Monday evening 7-45pm: you will be assured of a warm welcome.

St Breward Parish Walk

A circular walk around St Breward will take place on Saturday 28th May starting at 2.30pm at the church. 2-3 hours long.

To be led by Paddy McShee, Village Footpath Officer.

Come along and visit parts of your parish that you have never discovered before! Could be muddy in places, depending on the weather.

London Marathon: Lisa Arcari would like to thank all the villagers for their kind support and generosity in helping to raise money for the Stroke Association.

In one day alone over £300 was kindly donated & has gone towards a total of £1,000.

The marathon was an incredible experience and I managed to get round in 4 hours and 36 minutes coming 18,895 overall! It was so hard, especially the last 10 miles when my knees were screaming at me to stop! It always amazes me how we can reach a bit higher though and accomplish what we set out to do. All the way along the route people were shouting their encouragement to the runners and even the runners themselves found time to give a pat on the back or a few words to help you on your way. Most of us had our names on our running vests and that helped so much when you just wanted to give up. Hearing your name being called was such a welcome boost as it can be very lonely out there.

When I saw my sister and friends at the end we all had a few tears as it was a very emotional moment. But she did have a funny story to tell. My niece Francesca was thrilled that aunty Lisa was running the race and called my sister to see how things were going. "Did she win?" she asked, to which my sister replied "no darling...there were a lot of people running..thousands in fact " to which my niece responded "second? third?" !!

I will definitely try to get into the marathon next year as I think I am now addicted! Again, thanks to everyone for their support before the event and even on the day. All your text messages were so appreciated. I will be bringing my medal back to show you all!

Access to Health in Cornwall

At a recent conference at County Hall, we heard about different methods of transport for enabling patients to visit their 'health providers'. Up till recently, the NHS were obliged to provide transport only for emergencies and also for people who had no transport of their own to get to hospital; now, this is gradually being expanded to include transport provision for patients to visit their GPs, dentists, opticians, etc., by integrating with the local 'transport providers' (mainly buses).

Unfortunately, this process hasn't yet reached Cornwall but is beginning to happen in other parts of Britain: it has been found to cut down on the number of patients that do not arrive for their appointments and also to reduce costs to the NHS by early treatment of disease. It also benefits the patients by a reduction in the stress of travelling, especially on long or difficult journeys. Perhaps we could ask our local providers why this isn't happening here?

One way of getting to appointments that *is* provided here is the TAP system - Transport Access Patients. By phoning one central number - 01872 223388 – a car with volunteer driver will take the patient to and from their appointment. It is a very successful system but fairly expensive at 35p per mile, measured to and from the driver's own door (and at 70p per mile after two hours). An alternative is the Western Greyhound Bus Company which provides a two hourly service from Wadebridge to Treliske Hospital.

Another way to 'Access Health' is to take more exercise to keep fit! There is now a scheme called 'Pedal Back the Years' for older people who would like to get back on their bikes but are feeling nervous and /or out of practice. These are guided group rides, accompanied by a First Aider, and the ride along the Camel Trail, from Scarletts Well car park, Bodmin, to Pooleys Bridge takes place on alternate Fridays. (A similar accompanied scheme for walkers, 'Stroll Back the Years', takes place in the St Austell area.)

For further information, please contact me on (01208) 850806.
Jane Hanscomb

Corlink Buses

Funding for Corlink will continue for another two years (and afterwards too, we hope). The Monday to Saturday service will operate from 7am to 8.30pm (earlier than previously) and sadly, the Sunday and Bank Holiday services will be withdrawn. A brand new bus will be introduced on the Camelford – Wadebridge area which will be expanded for a trial period.

Snookered

Martin Yeo went into the crowded doctor's surgery and to the surprise of all those waiting patiently for their turn, pushed his way straight to the reception desk.

"Barbara, I need to see the Doctor urgently - I think I'm turning into a snooker ball !"

"Well get to the end of the queue then.....

St Breward Parish Council April Meeting 2005

The Parish Council met on 5th April in the Institute & War Memorial Hall.

The format of Parish Council meeting includes an opportunity before the meeting starts for members of the public to discuss any concerns/issues with the Councillors. The Council will then debate the issues within the meeting, or decide a plan of action to address them.

Parish Councillors present were: Mr J Kay, Mr T Hutton (Temporary Chairman), Mrs D Hannaford, Mr R Hoskin, Mr M Harris, Mrs V Stansfield, Mrs J Cornelius, apologies had been received from District Councillor Miller, Mr D Lusby, Miss V Cholmeley and Mrs J Hanscomb – all reasons were accepted by the Council. Members of the Public present were: Mr P McShee, Mr M Matthews, Mrs A Venn, Ms J Sutcliffe, Mr E Jackson, Mr J Webb

Mr E Jackson made the following requests of the PC prior to the beginning of the meeting:

the PC consider inflationary rise in next year's precept
the PC would not spend the reserves
the PC did not spend all of the precept

All of the Council gave their opinion to these requests, concluding with the Chairman's summary: the PC comprises of Councillors who want the precept to stay as low as possible, and in comparison with neighbouring villages this has been achieved for the financial year. However, no assurances could be given to the 3 points raised by Mr Jackson.

The notices requesting tenders for footpath paring have been displayed in the magazine and on the village noticeboards. They will be received at the next meeting.

Mr Mark Prout gave a presentation regarding the Waterwaysnet Project
This project is being organised by the Westcountry Rivers Trust, and funded through EEC Community Funding, matched by donations in kind, cash and other organisations (English Nature & CCC). This Trust was set up 11 years ago – and now employs 24 people with an estimated turnover of £2million.

A survey has been undertaken of Japanese Knotweed and Himalayan Balsam – and the project wishes to identify 5 demo sites to test control mechanisms and illustrate best practice. The project ends in June 2006.Demonstration sites will include Enfield Park, Grogley Holt and St Breward stream with the aim of eradicating Japanese Knotweed. Tor Down is the biggest known stand of JK. Mr Prout has held meetings with Mr Clark and Mr Morrish – and all dead knotweed will be removed in the ensuing weeks by a company called Silvanus. As soon as new growth is visible – the spraying will commence, possibly the end of May.
Mr Prout asked the meeting for their help: knowledge of land ownership, acceptance of temporary closure of footpaths during spraying (possibly 3 days), help in kind i.e. pulling Japanes Knotweed or Himalayan Balsam. Demonstration

site boards and signs will help educate the public about the project and how it affects them.

Mr Prout does not want any money from the PC – just their support and interest. He can provide 'no access' signs and maps and contact details. He intends to keep the parish abreast of the project by information updates in the Parish magazine. It is hoped that landowners will pay for the spraying and the project will reimburse them. It is likely that there will be media interest in this project.

Planning Matters: Mr J Hammond 2005/00371 Retrospective planning permission for a garden shed – all in favour
Mr & Mrs Matthews 2005/00480 Erection of extension to single storey dwelling – 2 members of the public have submitted letters of opposition to this application. The PC unanimously voted against this application, after discussing their serious reservations.
Mr A G Masters 2005/00502 Listed Building Consent for the demolition of a galvanised straw shed attached to the rear of listed stone barn – all in favour
Approvals to planning applications
Mrs N Hall 2005/00140 – approval

Mr J Hammond 2005/00371 – approval
Mr A Philp 2005/00236 – approval

The Parish Council received Miss Cholmeley's letter of resignation. NCDC will advertise this vacancy. The Chairman acknowledged Miss Cholmeley's hard work and all agreed that she would be sorely missed.

The Parish Council received a letter from ReSolve concerning Cornwall's waste strategy, the consultation paper 'a Code for the Future' and heard reports concerning the recent recycling visit and the Parish Plan's progress.

The Chairman asked Cllr Stansfield to thank her husband for the donation, construction and erection of a new seat at Collan's Cross.

The Annual Parish Meeting will be held on Thursday 28th April in the Institute & War Memorial Hall at 7pm.

The Annual Meeting of the Parish Council will precede the next Parish Council meeting on Tuesday 3rd May at 7pm, in the Institute & War Memorial Hall.

The meeting closed at 22:18hrs.

The next PC meeting will be held in the Institute & War Memorial Hall at 7pm on Tuesday 3rd May 2005.

St. Breward W I **April Meeting**

The meeting for April was held in the Coffee Room at the Methodist Church so that members could see a video of the Cinnamon Trust presented by Mrs Gloria Street from Bude, who became involved with dog walking almost by accident. This is a national group based consisting of unpaid volunteers who will look after pets belonging to people who can no longer care for their animals, due to ill health or for short term reasons. Quite often a friendship arises which is also beneficial to the owner. As well as the fee for the talk a collection raised £41 from the 14 members present, who also took home several pamphlets giving details of their work.

A reminder was given by our president, Mrs Christine Woolf, about providing cakes for the Carnival Stall in the Methodist Church on June 29th for 11.30am, also filling the stalls on Sept. 30th for the MacMillan Coffee Morning in the Band Room. The visit to the Bodmin Recycling Centre will be on July 25th, arriving at 1pm, probably by the bus.

Two members will attend the St Breward Parish Plan meeting on May 12th at 7.30pm

Applications for the two courses at Denman College for the Cornwall week need to be made before June 1st (see page 3 of the April County News).

Eleven members enjoyed lovely weather on their visit to Bicton in the bus on Saturday, April 15th, starting at 9am; they had a tour of the beautiful gardens in the train, lunch in the Orangery if preferred and arrived home at 5.15pm. A day to remember for everyone.

Do check the details for the 2007 calendar - Cornish Towns and Villages; it is not too soon to look for that extra special view during this summer.

Within days of reading this it will be Paddy Powell's Tulip Day on Tuesday May 8th, 1.30pm to 5.30pm with all the usual stalls etc to raise funds; the WI have been asked to provide cakes for sale. Please help to raise the total amount to the heights that the hard work of Paddy and her friends usually achieve.

The best photo of a dog was shown by Paddy Powell, with Anita Lewis second and Muriel Wilton third. The small spring flower arrangement came from Muriel Wilton, second was Rosemary Lowe and third was Pamela Bousfield. Anne Holmes

St Breward NHW AGM 18th April 05 at The Barn, Penpont.

As no nominations were received for the posts of Chairman, Secretary and Treasurer the present members agreed to carry on in these posts, namely Kevin Foster as Chairman/Secretary and Geoff Burrows as Treasurer.

Membership fees can be maintained at £2 per household. The practicality of issuing receipts was discussed. It was agreed that the main collectors of fees were busy places enough without asking them to give receipts, that is, St Breward Post Office and Moorgoods. It was agreed that receipts could be given on request.

Signs could now be purchased for new areas and to replace damaged ones. It was agreed to pay 25p per mile for volunteers to use their car at times of heightened alerts. The proposal to the St Breward Parish Council for [lower] membership fees to be collected via the Precept was postponed until nearer the time that the Parish Council considers the Precept again for next year. The Chairman explained that emailing was now the main method of communication by St Breward NHW to the members and often appealed for peoples email addresses, as well as for them to pass on such information gained to those without email, whilst the number of calls by the Police telephone system, called CMS, was temporarily reduced due to reduced resources. The project by the St Breward Parish Council to construct notice boards was mentioned by the Chairman and suggested that St Breward NHW contributed to one so as to have a focal point for alerts and news. This was agreed. Current funds were given as £421.00. Insurance has been arranged by the National NHW Association to cover Third Party Risks associated with signs and events. Kevin Foster explained his new Stolen Property Alert Scheme that is jointly funded by NCDC Community Chest and Moorgoods. This funding allows pictures to be created of Stolen Property and then circulated by email to relevant people. People who have goods stolen should contact Kevin Foster, as well as the Police.

The current attempts to establish a Warden for Bodmin Moor to help maintain order on the moor was reported. It was explained that the forthcoming plotting of GPS data for St Breward properties by members of St Breward First Responders would also include the distribution of safety and security information. The recent project called 'Hawkeye' was explained such that people were encouraged to report acts of Arson, particularly on areas of moorland. Finally, the Chairman gave a resume of past crimes, being mostly of an inconvenience and bogus-caller nature. He explained the need for people living on the boundary roads of St Breward to volunteer to receive telephone calls at times when bogus callers are in the area, so as to log registrations of vehicles leaving the village. [Please contact Kevin if you can assist].
Kevin Foster, Chairman/Secretary St Breward NHW.
